# Climate Pollution Reduction Grants

The Climate Pollution Reduction Grants (CPRG) program provides \$5 billion in grants to states, local governments, tribes, and territories to develop and implement ambitious plans for reducing greenhouse gas emissions and other harmful air pollution. Authorized under Section 60114 of the Inflation Reduction Act, this two-phase program provides \$250 million for noncompetitive planning grants, and approximately \$4.6 billion for competitive implementation grants.

**Announcements**

On September 20, 2023, EPA announced two competitions for \$4.6 billion in implementation grants under the Climate Pollution Reduction Grants program. Visit the CPRG implementation grants webpage <<https://epa.gov/inflation-reduction-act/cprg-implementation-grants>> for more information and for the latest Questions and Answers about the competitions.

**Phase 1: Plan**

This program is designed to provide flexible support to states, local governments, tribes, and territories regardless of where they are in their climate planning and implementation process.
