Members of the Planning Commission:

AFSCME Local 1624 is proud to support item 31 posted on the agenda for the Planning Commission meeting scheduled for Tuesday, October 24, 2023. It is imperative that these amendments are included in the Imagine Austin Comprehensive Plan. As we work through Imagine Austin, Austin Strategic Mobility, and the Austin Equity Climate Plans, we must ensure any telework policy being developed reinforces the goals identified in these plans. Expanding telework opportunities will help us meet our goals faster and demonstrate our dedication to meeting the community's demands on mobility and climate action.

Thank you for your service.

In Solidarity,
