

ZONING CHANGE REVIEW SHEETCASE: C14-00-2195(RCT) WaterlineDISTRICT: 9ADDRESS: 92 Red River StreetZONING FROM: CBD-CURETO: Amendment to Restrictive CovenantSITE AREA: approximately 3.26 acres (approximately 142,005 sq. ft.)PROPERTY OWNER: Waller Creek Owner, LLCAGENT: Armbrust & Brown, PLLC (Richard Suttle, Jr.)CASE MANAGER: Jonathan Tomko (512) 974-1057, jonathan.tomko@austintexas.govSTAFF RECOMMENDATION:**Staff recommends granting the amendment to the restrictive covenant.**PLANNING COMMISSION ACTION / RECOMMENDATION:

November 14, 2023: Case is scheduled to be heard by Planning Commission

CITY COUNCIL ACTION: TBDORDINANCE NUMBER: N/AISSUES: N/ADEPARTMENT COMMENTS:

The applicant is requesting to remove an item pertaining to outdoor amplified music within a restrictive covenant recorded in 2000 (please see Applicant's Request Letter in *Exhibit C*). This covenant places restrictions on the hours in which outdoor amplified music can (please see the Draft Redlined Public Restrictive Covenant in *Exhibit D*). If this restriction is removed outdoor amplified music will be regulated under chapter 9-2 the City Code: *Noise and Amplified Sound*. The standard allowances for amplified sound at this property would be Sunday through Wednesday 10:00 am through 10:30 pm; Thursday 10:00 am through 11:00 pm; Friday and Saturday 10:00 am through midnight.

The staff recommends the applicant's request to delete the conditions of this public restrictive covenant. Since this restrictive covenant was executed and recorded in 2000, the area the property in question is in has changed substantially and has become a thriving entertainment district within Downtown Austin. Staff supports the deletion of this public restrictive covenant because items listed in this public restrictive covenant will now be regulated under chapter 9-2 of the City Code: *Noise and Amplified Sound*.

The applicant agrees with the staff's recommendation.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	CBD-CURE	An approximately 1,000-foot-tall skyscraper, The Waterline, is currently under development that will include retail, hotel, multifamily and office.
<i>North</i>	CBD	Iron Works BBQ an approximately 3,000 sqft restaurant built in 1935 and the Austin Convention Center
<i>South</i>	CBD	The Travis an approximately 50 story high-rise multifamily building with approximately 414 units is currently under development.
<i>East</i>	CBD and CBD-CURE	The Quincy a 30-story residential building with approximately 350 multifamily units and an approximately 1.08-acre surface parking lot
<i>West</i>	CBD and CS (across Waller Creek)	Lakeside Apartments (HACA) with approximately 164 affordable residential units, built in 1967, and an approximately 15,000 sqft vacant industrial building built in 1970.

Re: Restrictive Covenant Amendment Application C14-00-2195 (the “Application”)

Dear Mrs. Middleton-Pratt:

This Application is submitted to amend the restrictive covenant recorded in Document No. 2001007406 (the “Covenant”) of the Official Public Records of Travis County, Texas and associated with zoning case C14-00-2195.

The Covenant encumbers approximately 3.26 acres of land located at 92 Red River Street in Austin, Travis County, Texas (the “Property”). A site plan has been approved for the Property under City of Austin (the “City”) Case No. SP-2013-0449C(R1) for the construction of a mixed use project with outdoor pedestrian space (the “Project”). In 2001 when the Covenant was recorded the Rainey Street area, where the Property is located, was vastly different consisting of single-family homes and few high-rise developments. Over the course of 22 years those same single-family homes have been converted to bars and restaurants, or otherwise replaced with high-rise mixed use towers transiting the area into a robust outdoor entertainment district.

The purpose of this Application is to remove Item 1. which sets forth a limitation on outdoor amplified music. In lieu of the prescribed limitation set forth by the Covenant the Property will adhere to the Title 9 of the City Code regarding the use of outdoor amplified sound.

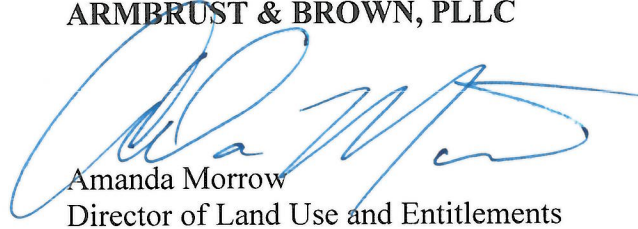

A redline of the changes proposed to the Covenant as well as the required application material is included with this Application.

OWNERS:

Waller Creek Owner LLC, a Delaware limited liability company~~RED RIVER ONE, LTD., a Texas limited partnership~~~~LORENZCO, INC., a Texas corporation~~~~RICK TRIPLETT, Trustee of the Lorenz Family Trust~~

ADDRESS:

**2000 McKinney Ave Suite 1000 Dallas,
Dallas County, Texas 75201-2027**

CONSIDERATION: Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the City of Austin to the Owner, the receipt and sufficiency of which is acknowledged.

PROPERTY:

Waller Park Place, Block A, Lots 1-3, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Document 201500087~~Lots 1 & 2, J. Lucas Resubdivision, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 26, Page 19, of the Plat Records of Travis County, Texas; and~~~~The northwest 172 x 98 feet of Lot 3, J. Lucas Resubdivision, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 26, Page 19, of the Plat Records of Travis County, Texas, and~~~~A portion of Lots 4 and 5, Block 4, Driskill and Rainey's Subdivision, of part of Outlots 72-73, Division E, in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 1, Page 22, of the Plat Records of Travis County, Texas.~~

WHEREAS, the Owner of the Property and the City of Austin have agreed that the Property should be impressed with certain covenants and restrictions;

NOW, THEREFORE, it is declared that the Owner of the Property, for the consideration, shall hold, sell and convey the Property, subject to the following covenants and restrictions impressed upon the Property by this restrictive covenant. These covenants and restrictions shall run with the land, and shall be binding on the Owner of the Property, its heirs, successors, and assigns.

- ~~1. Outdoor amplified music is prohibited between 11:00p m. and 9:00a m. on Fridays and Saturdays and between 10:00p.m. and 9:00a m. on Sunday through Thursday.~~
- ~~1. 2.~~ Prior to the issuance of a building permit, the Owner shall apply for a license agreement with the City of Austin to provide streetscape enhancements for those portions of the Red River and Cesar Chavez street frontages. These enhancements could include special paving, lighting, benches and landscaping. The City is under no obligation to approve such application.
- ~~2. 3.~~ Prior to site plan approval Owner shall dedicate easements for pedestrian access to Waller Creek and bicycle and pedestrian easements along both sides of Waller Creek with access from Red River at Cesar Chavez. Under the easements, the City of Austin may construct hike and bike trails for public use along the bank of Waller Creek. The hike and bike trails shall be no less than 10 feet in width and no more than 20 feet in width and shall be located entirely within the 100 year floodplain.
- ~~3. 4.~~ The Owner shall maintain the Waller Creek greenway adjacent to the Property generally in accordance with the trail management and maintenance provisions in Exhibit A.
- ~~4. 5.~~ On completion of permanent improvements shown on the site plan for the Setback Area described in Exhibit B, Owner shall establish a public pedestrian easement on the Setback Area. Owner is responsible for construction, repair, replacement and maintenance of the permanent improvements.
- ~~5. 6.~~ At the request of the City of Austin, the Owner shall dedicate an easement to the City to construct a pedestrian crossing bridge within the 100 year floodplain of Waller Creek in accordance with sound engineering practices and in a location that does not unreasonably interfere with permanent improvements or uses on adjacent tracts.
- ~~6. 7.~~ Owner shall install and maintain 20 four inch caliber trees in the Setback Area upon completion of the permanent improvements constructed in the Setback Area.
- ~~7. 8.~~ Parked vehicles within a garage structure may not be visible from Waller Creek,
- ~~8. 9.~~ Except for aerial passageways and pedestrian bridges, a 60-foot wide setback is required on both sides of Waller Creek measured from the center of the Waller Creek channel so that an open space of 120 feet between buildings is maintained.
- ~~9. 10.~~ If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.

~~10. 11.~~ If any part of this agreement or covenant is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full effect.

~~11. 12.~~ If at any time the City of Austin fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.

~~12. 13.~~ This agreement may be modified, amended or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, and (b) by the owner(s) of the Property subject to the modification, amendment or termination at the time of such modification, amendment or termination.

When the context requires, singular nouns and pronouns include the plural.

EXECUTED this the 15th day of December, 2000.

Trail Management and Maintenance

The DAA and the Austin Parks and Recreation Department should develop a specific action plan for maintenance and management of the Waller Creek Greenway corridor. The primary objective of this maintenance and management plan would be to assure that the public's health and safety are protected during normal use of the facility. The greenway should be formally maintained in a clean, safe, and usable condition like all other parks and greenways in the City. Greenway lands should be maintained in a natural condition to the largest extent possible, so that they may fulfill multiple functions — passive recreation, alternative transportation, stormwater management and wildlife habitat. Vegetation management will require close coordination with public and private utility companies which hold leases over the corridor for the maintenance of telephone, power, water, sewer, stormwater and natural gas lines.

Routine maintenance should include the removal of debris, trash, litter, incompatible human-made structures, and other foreign matter. Removal of native vegetation should be done with discretion; removal of exotic species should be accomplished in a systematic and thorough manner. The objective in controlling the growth of vegetation should be to maintain clear and open lines of sight along the edge of the trail, and eliminate over hanging vegetation that could occur due to natural growth, severe weather or other unacceptable conditions.

All vegetation should be clear cut a minimum distance of three (3) feet from each edge of the trail. Selective clearing of vegetation should be conducted within a zone that is defined as being between three (3) to ten (10) feet from each edge of the trail. At any point

along the trail, a user should have a clear, unobstructed view, along the centerline of the trail, 200 feet ahead and behind his/her position. The only exception to this policy should be where terrain or curves in the trail serve as the limiting factor. Appropriate agencies should be responsible for the cutting and removal of vegetation. Removal of vegetation by individuals other than those persons employed by designated agencies should be deemed unlawful and subject to fines and/or prosecution.

Trail surfaces should be maintained in a safe and usable manner at all times. Rough edges, severe bumps or depressions, cracked or uneven pavement, and vegetation occurring in the tread of the trail should be removed and replaced in such a manner that the trail surface is maintained as a continuous, even, and clean surface. The City should strive to minimize the number of areas where ponding water occurs, however, the City should not be held liable for public use through areas of casual or ponded water.
