

Year 10 Report Update Log

10/10/2023

- Corrected table of contents
- Aligned Year 10 Report with the Executive Summary and corrected corresponding language to ensure consistency between both documents.
- Pg. 1.
 - Revised Vision statement to match with one provided in Imagine Austin
- Pg. 2.
 - Inserted “in” between “investing” and “Project Connect.”
 - *Unprecedented events:*
 - Added language to say, “Despite this, Austin is still moving forward.”
 - Re-organized and clarified sentence, rewriting to sentence to say, “The past several years have been shaped by multiple unprecedented events, including a worldwide pandemic and resulting business closures, evictions, and mass unemployment nationwide; protests over systemic racism across the US; and increasing evidence of the impacts of climate change.”
- Pg. 6
 - Replaced map with updated version provided by city demographer.
- Pg. 10
 - Updated graphic to say “Revise Development Regulations” to be consistent with the priority program in Imagine Austin.
- Pg. 19
 - Fixed page break below “Game Changer” section.
- Pg. 46
 - Revised text to say “Revise Development Regulations” to be consistent with the priority program in Imagine Austin.
- Pg. 54
 - Added “Edwards Aquifer Recharge and Contributing Zones” to worsening conditions listed in first paragraph.
- Pg. 55
 - First bullet point: included “and inequitable distribution of housing”.
- Pg. 56
 - Rearranged and synthesized items to be included in Imagine Austin update, including removal of the first bullet point found on original document related to an “equity assessment”.
 - Subsection a: Included “Imagine Austin amendments.”
 - Subsection b: Removed “starting with areas that do not already have a FLUM” from first sentence.

- Subsection c.iv: included “access to high opportunity areas”.
- Pg. 57
 - Subsection a: Revised sentence to say “Evaluate key land development regulations to determine whether the standards and process requirements have disparate impacts on disproportionately impacted Austinites (e.g. low-income, people of color) and lead to inequitable outcomes based on the regulations for areas of historical exclusion. Identify options to modify regulations to achieve the City’s policy goals equitably.”
