ELLIS MOTION SHEET 2

I motion to amend the 2023 Urban Trails Plan to change the YBC Trail portion of the Barton Corridor from Tier 2 to Tier 1, thereby restoring the Tier 1 prioritization the YBC Trail has had since the 2014 Urban Trails Plan and maximally leveraging the investment of voter-approved 2016 Mobility Bond dollars the City has already made in completing the Preliminary Engineering Report (2017) and reaching 30% design of the YBC Trail.
