

Recommendation for Action

File #: 23-3453, **Agenda Item #:** 29.

12/14/2023

Posting Language

Authorize execution of a contract for concrete materials to be used on City volumetric trucks with Schuler Contracting, LLC, for a term of five years in an amount not to exceed \$2,354,000.

[Note: This solicitation was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9A (Minority Owned and Women Owned Business Enterprise Procurement Program). For the goods required for this solicitation, there were no subcontracting opportunities; therefore, no subcontracting goals were established].

Lead Department

Financial Services Department.

Client Department(s)

All City Departments.

Fiscal Note

Funding in the \$393,000 is available in the Fiscal Year 2023-2024 Operating Budget of various City Departments.

Funding for the remaining contract term is contingent upon available funding in future budgets.

Purchasing Language:

The Financial Services Department issued an Invitation for Bids (IFB) 5000 KMF1010REBID for these goods. The solicitation was issued on July 3, 2023, and closed on August 24, 2023. Of the two offers received, the recommended contractor submitted the only responsive offer. A complete solicitation package, including a tabulation of the bid received, is available for viewing on the City's Financial Services website, Austin Finance Online. This information is currently found at https://financeonline.austintexas.gov/afo/account_services/solicitation/solicitation_details.cfm?sid=139135.

For More Information:

Direct questions regarding this Recommendation for Council Action to the Financial Services Department - Central Procurement at: FSDCentralProcurementRCAs@austintexas.gov or 512-974-2500. Respondents to the solicitation and their Agents should direct all questions to the Authorized Contact Person identified in the solicitation.

Additional Backup Information:

This contract will provide concrete materials for preventative maintenance for city streets and small projects. The aggregate will produce concrete materials in the City's volumetric site mixer concrete trucks.

The contract replaces a contract which expires on January 1, 2024. The requested authorization is based on historical spending and departmental estimates of future needs. The recommended contractor is not the current provider of these concrete materials. The recommended contractor is Women/Disadvantaged Owned

Business certificated by the City.

A delay in executing this contract could impact City departments' abilities access to the materials needed to maintain a reliable, safe, and well-maintained transportation network.
