Hello Landmark Commission People,  
Happy December!

Please consider being a vote for the preservation of a piece of the best of Austin. Remarkable old homes is one feature of Austin's best.

I support granting historic status to 701 Sparks Ave. Austin, TX It is a wonderful example of Spanish Colonial Revival architecture, and meets the required age and architectural design criteria for historic designation. Its demolition would be a significant loss to Sparks Ave, the neighborhood and for our city, architecturally and historically. It deserves to be preserved and enjoyed by future Austin generations.

I consider a vote for preserving this home as a vote for people over profits.  
Make this week a good one for you!
