

December 6, 2023

Dear Waller Creek Local Government Corporation Board of Directors,

I am writing to inform you of my resignation as Treasurer to the Board and as a Director of the Waller Creek Local Government Corporation (LGC), effective January 1, 2024.

I was appointed as a director to the LGC by the City Manager on August 11, 2021. During the two years that I have served as Treasurer, I have had the opportunity to witness the rising popularity of Waterloo Park and the Creek Show, as well as the beginning of construction of the Confluence Project. I am deeply grateful that I could be a part of the team that is building a flagship park district in the heart of downtown Austin, a project that is consistent with our shared values of ecological preservation and sustainability, and that serves to bring our vibrant community together. I look forward to seeing the plans on paper continue to come to life.

My term expired on August 11, 2023, but I agreed to stay on until a successor was identified. It appears that Kimberly Olivares will serve in the role of Treasurer beginning on January 1, 2024.

Thank you for this opportunity.

Sincerely,

Anupa Gharpurey
