

## MEMORANDUM

**TO:** Mayor and Council

**FROM:** José G. Roig, Director Development Services Department 

**DATE:** November 14, 2023

**SUBJECT:** Staff Response to Resolution No. 20230413-045– Cocktail Lounge Parking

---

This memo provides the final staff response to [Resolution No. 20230413-045](#) Cocktail Parking requirements, which directed staff to initiate code amendments to the City's Title 25 Land Development code to eliminate non-accessible parking requirements for cocktail lounge use.

The following changes were directed by council.

- Eliminate non-accessible parking requirements for cocktail lounge use.
- Carry out a stakeholder process through a relevant city commission or an independent stakeholder process.

Related minimum parking requirement code change went to the following Boards and commissions:

- Planning Commission: August 29, 2023, Briefing.
- Codes and Ordinances Joint Committee: September 20, 2023, Recommended as amended.
- Urban Transportation Commission: October 3, 2023, Recommended as amended.
- Planning Commission: October 10, 2023, Recommended as amended.

On Thursday November 2, 2023, related minimum parking requirement changes were brought to council as [agenda item 28](#) and the [ordinance adopted](#) incorporates the council direction from resolution 20230413-045.
