

MEMORANDUM

TO: Mayor and Council

FROM: José G. Roig, Director Development Services Department 

DATE: November 17, 2023

SUBJECT: Staff Update to Resolution No. 20230504-023 - Amended Plat

This memo provides an update on [Resolution No. 20230504-023](#) which asks staff to approve a resolution relating to subdivision plat processes and fees for residential development and the creation of infill lots; and initiating amendments to City Code Title 25 to achieve an amended plat process and to increase opportunities to create infill lots for residential development.

Staff are continuing to work towards developing an amended plat process, including working across departments. Due to the number of code amendments and the limited time and resources of staff, we are asking for an extension until March 1, 2024.

Should you have any further questions please reach out to Brent Llyod, 512-974-2974 or at brent.lloyd@austintexas.gov.
