In addition to any other rights of termination or suspension set forth herein, Central Health shall have the right to immediately suspend the Agreement, upon written notice to City, if City fails to cooperate with this audit provision. City shall retain all such records for a period of five years after the expiration or early termination of this Agreement or until all audit and litigation matters that Central Health has brought to the attention of City are resolved, whichever is longer. City agrees to refund to Central Health any overpayments disclosed by any such audit.

SECTION 5. TERMINATION

5.1 **Right To Assurance.** Whenever one party to the Agreement in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. If no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Agreement.

5.2 **Default.** The parties shall be in default under the Agreement if either party (a) fails to fully, timely and faithfully perform any of its material obligations under the Agreement, (b) fails to provide adequate assurance of performance under the "Right to Assurance" paragraph herein, (c) becomes insolvent or seeks relief under the bankruptcy laws of the United States or (d) makes a material misrepresentation in any report or deliverable required to be submitted under the terms of this Agreement.

5.3 **Termination For Cause.** In the event of a default by either party, the non-defaulting party shall have the right to terminate the Agreement for cause, by written notice effective 10 calendar days, unless otherwise specified, after the date of such notice, unless the defaulting party, within such 10 day period, cures such default, or provides evidence sufficient to prove to the other party's reasonable satisfaction that such default does not, in fact, exist. In addition to any other remedy available under law or in equity, either party shall be entitled to recover all actual damages, costs, losses and expenses, incurred by them as a result of the other party's default, including, without limitation, cost of cover, reasonable attorneys' fees, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. All rights and remedies under the Agreement are cumulative and are not exclusive of any other right or remedy provided by law.

5.4 **Termination Without Cause.** Either party shall have the right to terminate the Agreement, in whole or in part, without cause any time upon 30 calendar-days prior written notice. Upon receipt of a notice of termination, City shall inform McKinsey & Company, Inc. Washington D.C. to promptly cease all further work pursuant to the Agreement, with such exceptions, if any, specified in the notice of termination. Central Health shall pay City, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof. In the event of termination of the Agreement under this Section, the City shall provide Central Health with all complete and partially complete Work Products and Documentation developed under this Agreement.

SECTION 6. LIMITATIONS

6.1 **Current Revenue Funds.** Central Health shall make payments for services provided under this Agreement from current revenue funds available to Central Health and set aside for this purpose. The payment will be in an amount that fairly compensates City for the governmental services or functions performed under this Agreement.

6.2 **Immunity or Defense.** It is expressly understood and agreed by all parties that neither the execution of this Agreement nor any conduct of any representative of City or Central Health relating to this Agreement shall be considered to waive, nor shall it be deemed to have waived, any immunity or defense that would otherwise be available to that entity against claims arising in the exercise of its governmental powers and functions, nor shall it be considered a waiver of sovereign immunity to suit. It is understood and agreed that a decision by one Party to waive immunity or to compensate a claim for which immunity would have been a defense and would have operated to prevent payment does not operate as a waiver or decision to compensate by the other Party; nor will such action by one Party operate to incur any expense or charge to the other Party.

SECTION 7. MISCELLANEOUS

7.1 **Notices.** Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Agreement shall be in writing and shall be deemed delivered three business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, email, or other commercially accepted means. Notices to the City and the Central Health shall be addressed as follows:

7.2 **Confidentiality.** Confidential Information includes inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which either party considers confidential. Each party acknowledges and agrees that the Confidential Information is the valuable property of each respective party and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the affected party. Each party (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the party disclosing the Confidential Information promptly notifies the other party before disclosing it so as to permit the other party reasonable time to seek an appropriate protective order. The parties agree to use protective measures no less stringent than each party uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

7.2.1 The Parties agree: (i) not to use Confidential Information for any reason other than for the purpose of providing or receiving the services described in Exhibit A. Scope of Work for Homelessness Comprehensive Review, (ii) not to disclose Confidential Information to any third party other than to its employees who have a need to know the Confidential Information for furtherance of providing the services described in Exhibit A. Scope of Work for Homelessness Comprehensive Review, and (iii) to promptly notify the disclosing Party of any request for Confidential Information to be disclosed under any law or order of any court or other governmental authority with proper jurisdiction, so as to permit disclosing Party reasonable time to seek an appropriate protective order.

- 7.2.2 All Confidential Information and derivations thereof shall remain the sole and exclusive property of disclosing Party, and no license or other right to the Confidential Information or intellectual property is granted or implied hereby. Upon the written request of disclosing Party, the receiving Party shall promptly return to disclosing Party all tangible items of Confidential Information furnished by disclosing Party and all copies thereof or certify in writing that all Confidential Information, including all copies, has been destroyed.
- 7.2.3 No expiration or termination of the Agreement shall affect either Party's rights or obligations with respect to Confidential Information.
- 7.2.4 The Parties acknowledge and agree that any breach or threatened breach of the Agreement could cause harm for which money damages may not provide an adequate remedy.
- 7.2.5 The parties agree that in the event of such a breach or threatened breach of the Agreement, in addition to any other available remedies, the Party that owns the Confidential Information may seek temporary and permanent injunctive relief restraining the other Party from disclosing or using, in whole or in part, any Confidential Information.

7.3 **No Contingent Fees.** Central Health warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by Central Health for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Agreement without liability and to deduct from any amounts owed to Central Health, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

7.4 **Gratuities.** The City may, by written notice to Central Health, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by Central Health or any agent or representative of Central Health to any officer or employee of the City with a view toward securing the Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Central Health in providing such gratuities.

7.5 **Prohibition Against Personal Interest in Agreements.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this Section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Central Health shall render the Agreement voidable by the City.

7.6 **Independent Contractor.** The Agreement shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. City's provision of services shall be those of an independent contractor. Central Health agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City.

7.7 **Assignment-Delegation.** The Agreement shall be binding upon and inure to the benefit of the City and Central Health and their respective successors and assigns, provided however, that no right or interest in the Agreement shall be assigned and no obligation shall be delegated by either party without the prior written consent of the City. Any attempted assignment or delegation by either party shall be void unless made in conformity with this paragraph. The Agreement is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third-party beneficiaries to the Agreement.

7.8 **Waiver.** No claim or right arising out of a breach of the Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either Central Health or City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Agreement, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.9 **Modifications.** The Agreement can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any document shall have any force or effect to change the terms, covenants, and conditions of the Agreement.

7.10 **Interpretation.** The Agreement is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

7.11 **Dispute Resolution.**

7.11.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.11.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, both parties agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or an Agreement interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. Both parties will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.12 **Force Majeure.**

7.12.1 Each party to this Agreement agrees to excuse the failure of another party to perform its obligations under this Agreement to the extent, and for a period of time during which, the failure is caused by an event of Force Majeure. An event of Force Majeure is any event or circumstance which prevents or delays performance of any obligation arising under this Agreement, but only if and to the extent the event or circumstance is not within the control of the party seeking to have its performance obligation excused thereby and which the party was unable by the exercise of due diligence to avoid or prevent. Events of Force Majeure include acts of God, riots, sabotage, civil disturbances, epidemics, pandemics, public health emergencies, acts of domestic or foreign terrorism, lightning, earthquakes, fires, storms, floods, and landslides. Events of Force Majeure do not include economic or market conditions which affect a party's cost but not its ability to perform.

7.12.2 The party invoking Force Majeure shall give timely and adequate notice to the other party, by e-mail or telephone confirmed promptly in writing, and shall use due diligence to remedy the effects of an event of Force Majeure, as soon as reasonably possible. In the event a party's performance of an obligation under this Agreement is delayed due to a Force Majeure event, then the time for completion of the party's obligation will be extended day-for-day, provided that an event of Force Majeure shall not extend the time for performance beyond December 1, 2024. If an event of Force Majeure affecting performance continues for more than 30 days, the other party shall have the right to terminate this Agreement upon written notice to performing party delivered prior to the date that the performing party resumes performance.

7.13 **Jurisdiction and Venue.** The Agreement is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Agreement shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.14 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent this entire Agreement from being void should a provision which is the essence of the Agreement be determined to be void.

7.15 **Holidays.** The following holidays are observed by the City:

7.17 **Non-Suspension or Debarment Certification.** The City is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from federal, state, or City Agreements. By accepting an Agreement with the City, Central Health certifies that its firm and its principals are not currently suspended or debarred from doing business with the Federal Government, as indicated by the Exclusions records at SAM.gov, the State of Texas, or the City of Austin.

7.18 **Public Information Act.** Both parties are required to comply with Chapter 552 of the Texas Government Code (Public Information Act). Under the Public Information Act, this Agreement and all related information within each party's possession or to which each party has access are presumed to be public and will be released unless the information is subject to an exception described in the Public Information Act.

7.19 **HIPAA Standards.** As applicable, each party is required to develop and maintain administrative safeguards to ensure the confidentiality of all protected health information within its possession, for both electronic and non-electronic records, as established in the Health Insurance Portability and Accountability

Act (HIPAA) Standards CFR 160 and 164, and to comply with all other applicable federal, state, and local laws and policies applicable to the confidentiality of protected client information.

7.20 **Political and Sectarian Activity.** No portion of the funds received by City under this Agreement will be used for any political activity (including, but not limited to, any activity to further the election or defeat of any candidate for public office) or any activity undertaken to influence the passage, defeat, or final content of legislation; or for any sectarian or religious purposes.

7.21 **Entire Agreement.** This Agreement, together with the below Exhibits, and any addenda and amendments thereto, constitute the entire agreement between the parties, and this Agreement shall not be modified, amended, altered, or changed except with the written consent of the parties.

7.22 **Authority.** Each party warrants and represents to the other that the person signing this Agreement on its behalf is authorized to do so, that it has taken all action necessary to approve this Agreement, and that this Agreement is a lawful and binding obligation of the party.

Bus. & Com. Code Ann. § 322.001 et seq.) as amended from time to time. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. The parties agree that execution of this Agreement by industry standard electronic signature software and or by exchanging PDF signatures shall have the same legal force and effect as the exchange of original signatures, and that in any proceeding arising under or relating to this Agreement, each party hereby waives any right to raise any defense or waiver based upon execution of this Agreement by means of such electronic signatures or maintenance of the executed agreement electronically.

7.24 **Publications.** All published material and written reports submitted under the Agreement must be originally developed material unless otherwise specifically provided in the Agreement. When material not originally developed is included in a report in any form, the source shall be identified.
