Additional Backup Information:

Transportation and Public Works seeks to amend bicycle parking requirements as recommended by the Urban Transportation Commission in their resolution supporting an ordinance to eliminate motor vehicle parking requirements.

Section 25-6-477 (Bicycle Parking) would be modified and the following number of bicycle parking spaces would be required for all new development:

- Commercial Uses: A minimum of 2 bicycle parking spaces or 10% of the planned motor vehicle spaces, whichever is greater;

- Multi-Family Residential Uses: A minimum of 5 bicycle parking spaces or 10% of the planned motor vehicle spaces, whichever is greater;
- Single-Family or Two-Family Residential Uses: None;
- All Other Uses: A minimum of one bicycle parking space or 10% of the planned motor vehicle spaces, whichever is greater.
