

36 **PART 3.** A special municipal election shall be held in the area of the City of Austin
37 commonly known as “Mooreland Addition” on May 4, 2024, to submit to the voters of
38 that area the question of whether to disannex that area from the City of Austin. A map of
39 the area is included in Exhibit A, attached and incorporated as a part of this ordinance.
40 The ballot shall be prepared to permit voting “Yes” or “No” (or “For” or “Against”) on
41 the Proposition:

42 **Proposition B:** “Shall the City disannex approximately 4 acres of land commonly
43 known as “Mooreland Addition,” located in southwestern Travis County, east of the
44 intersection of Manchaca Road and Mooreland Drive, (the Area), thereby removing the
45 Area from the full purpose city limits of Austin, resulting in the Travis County Sherriff’s
46 Office providing law enforcement, Travis County Emergency Services District No. 5
47 providing fire response, and Austin-Travis County EMS continuing to provide
48 emergency services; the City would be required to continue to impose a property tax each
49 year on the property in the Area at the same rate that is imposed on other property in the
50 City until the taxes collected from the Area equal its pro rata share of the area’s
51 indebtedness, which is \$30,146.39 and is estimated to take two years to pay off, or until
52 such time as the inhabitants of the area otherwise collectively pay the identified pro rata
53 share of the indebtedness in full with no prepayment penalty; and fees related to the
54 City’s full purpose jurisdiction would no longer be collected.”

55 **PART 4.** A special municipal election shall be held in the area of the City of Austin
56 commonly known as “Blue Goose Road” on May 4, 2024, to submit to the voters of that

60 known as “Blue Goose Road,” located in eastern Travis County, east of Blue Goose Road
61 approximately 975 feet northwest of the intersection of U.S. Highway 290 East and Blue
62 Goose Road, (the Area), thereby removing the Area from the full purpose city limits of
63 Austin, resulting in the Travis County Sherriff’s Office providing law enforcement,
64 Travis County Emergency Services District No. 12 providing fire response, and Austin-
65 Travis County EMS continuing to provide emergency services; the City would be
66 required to continue to impose a property tax each year on the property in the Area at the
67 same rate that is imposed on other property in the City until the taxes collected from the
68 Area equal its pro rata share of the area’s indebtedness, which is \$19,131.36 and is
69 estimated to take two years to pay off, or until such time as the inhabitants of the area
70 otherwise collectively pay the identified pro rata share of the indebtedness in full with no
71 prepayment penalty; and fees related to the City’s full purpose jurisdiction would no
72 longer be collected.”

73 **PART 5.** A special municipal election shall be held in the area of the City of Austin
74 commonly known as “Lennar at Malone” on May 4, 2024, to submit to the voters of that

77 ballot shall be prepared to permit voting “Yes” or “No” (or “For” or “Against”) on the
78 Proposition:

79 **Proposition D:** “Shall the City disannex approximately 40.48 acres of land commonly
80 known as “Lennar at Malone,” located in southwestern Travis County, one-half mile
81 south of the intersection of West Slaughter Lane and Slaughter Creek Drive, (the Area),
82 thereby removing the Area from the full purpose city limits of Austin, resulting in the
83 Travis County Sherriff’s Office providing law enforcement, Travis County Emergency
84 Services District No. 5 providing fire response, and Austin-Travis County EMS
85 continuing to provide emergency services; the City would be required to continue to
86 impose a property tax each year on the property in the Area at the same rate that is
87 imposed on other property in the City until the taxes collected from the Area equal its pro
88 rata share of the area’s indebtedness, which is \$518,491.74 and is estimated to take two
89 years to pay off, or until such time as the inhabitants of the area otherwise collectively
90 pay the identified pro rata share of the indebtedness in full with no prepayment penalty;
91 and fees related to the City’s full purpose jurisdiction would no longer be collected.”

92 **PART 6.** A special municipal election shall be held in the area of the City of Austin
93 commonly known as “Wildhorse/Webb Tract” on May 4, 2024, to submit to the voters of

101 full purpose city limits of Austin, resulting in the Travis County Sherriff’s Office
102 providing law enforcement, Travis County Emergency Services District No. 12
103 providing fire response, and Austin-Travis County EMS continuing to provide
104 emergency services; the City would be required to continue to impose a property tax each
105 year on the property in the Area at the same rate that is imposed on other property in the
106 City until the taxes collected from the Area equal its pro rata share of the area’s
107 indebtedness, which is \$4,076.87 and is estimated to take two years to pay off, or until
108 such time as the inhabitants of the area otherwise collectively pay the identified pro rata
109 share of the indebtedness in full with no prepayment penalty; and fees related to the
110 City’s full purpose jurisdiction would no longer be collected.”

111 **PART 7.** A special municipal election shall be held in the area of the City of Austin
112 commonly known as “River Place Outparcels” on May 4, 2024, to submit to the voters of

121 Sherriff’s Office providing law enforcement, a Travis County emergency services
122 district located in or adjacent to the area providing fire response, and Austin-Travis
123 County EMS continuing to provide emergency services; the City would be required to
124 continue to impose a property tax each year on the property in the Area at the same rate
125 that is imposed on other property in the City until the taxes collected from the Area equal
126 its pro rata share of the area’s indebtedness, which is \$37.40, or until the debt is
127 otherwise paid off in full with no prepayment penalty; and fees related to the City’s full
128 purpose jurisdiction would no longer be collected.”

129 **PART 8.** The elections shall be conducted between the hours of 7:00 a.m. and 7:00 p.m.
130 The location of the main early voting polling place, the dates and hours for early voting,
