

FUENTES AMENDMENT 1

I move that the Exhibit A for **Item 35** be amended as follows:

Amend *Transportation Demand Management Programming - Indicators and Targets* on p79 to read:

Increase the share of City of Austin employees who work at home instead of commuting to work

Ensure that, whenever appropriate, all new City telework and remote work policies contribute towards the goal of achieving 15% Austin residents working from home by 2039. This should include a strategy to implement a City of Austin telework policy encouraging no less than 85% of eligible City of Austin employees to participate in telework.
