Project (#)	713 E 6 <sup>th</sup> Street (21018)
Date	02.09.2024
To	City of Austin – Historic Landmark Commission, et. al
From	Clayton Korte – Sky Currie
Regarding	Request for Certificate of Appropriateness 713 E 6 <sup>th</sup> Street, Austin, TX 78701 TBD

Proposed work:

North Elevation: (Off 6<sup>th</sup> Street) The proposed renovations to the property will maintain its use as a restaurant. The proposal suggests keeping as much historical detailing as possible while removing non-original additions. This proposal also includes repairing and repointing the existing brick wall as needed and repairing the existing entry stair. The proposed design includes replacing the existing storefront to fit within the existing masonry openings and repainting the existing gates on the front façade. No work is proposed for the back façade of 713 E 6<sup>th</sup> Street.
