Future Phases

Plaza, NY, NY, Image: NYC DOT

Plaza, Los Angeles, Image: LADOT

Lance Armstrong Bikeway, Austin, TX
Image: City of Austin

- Work in partnership with the community and stakeholders to create a temporary plaza design as well as plan for a long-term permanent plaza.
- The plans will consider physical design, funding, and programming.
- RFP for qualified licensed professionals to provide all necessary planning, design, cost estimating and engineering services necessary to refine conceptual design through PS&E services.

Next Steps

- Outreach to key stakeholders and groups
 - Waterloo Greenway, DAA, Souly Austin, Central Health, UT
- Steering committee kick-off meeting

Request

- Your input and participation
