Expanding Opportunity Focus Area

December Update

The work of the Planning Team, CAN Board and CAN Executive Committee narrowed the consideration of topics relating to "ensuring an equitable economic recovery" to the following topics:

- **Address Affordability Pressures for Individuals Participating in Workforce Training Opportunities (housing, childcare; healthcare; transportation; food); &**
- **Promote & Support Workforce Development Opportunities Aimed at Upskilling, including Apprenticeships and other Earn & Learn Opportunities.**

The Expanding Opportunity Planning Team will help identify the proper role for CAN in advancing the selected strategies and in planning for the CAN regional summit.
