

ZONING CHANGE REVIEW SHEETCASE: C14-2023-0124 (West Lynn @ 12th Street)DISTRICT: 9ADDRESS: 1101, 1113, 1115 West Lynn Street; 1102 and 1104 Eason StreetZONING FROM: CS-MU-CO-NP and SF-3-NPTO: CS-MU-CO-NP (with a change to a condition of zoning-height)SITE AREA: approximately 0.77 acres (approximately 33,541 sq. ft.)PROPERTY OWNER: Zydeco Development CorporationAGENT: Thrower Design, LLC (Ron Thrower)CASE MANAGER: Jonathan Tomko (512) 974-1057, jonathan.tomko@austintexas.govSTAFF RECOMMENDATION:

Staff recommends granting general commercial services-mixed use- conditional overlay-neighborhood plan (CS-MU-CO-NP) combining district zoning with a change to a condition of zoning – allowing a maximum height of 60 feet.

The conditional overlay would *prohibit* the following uses:

- | | |
|--|--|
| - Adult-Oriented Businesses | - Equipment Repair Services |
| - Agricultural Sales and Services | - Equipment Sales |
| - Auto Sales | - Exterminating Services |
| - Automotive Rental | - Indoor Crop Production |
| - Automotive Repair Services | - Kennels |
| - Automotive Washing – of any type | - Limited Warehousing and Distribution |
| - Bail Bonds Services | - Maintenance and Service Facilities |
| - Building Maintenance Services | - Monument Retail Services |
| - Campground | - Pawn Shop Services |
| - Commercial Blood and Plasma Center | - Research Services |
| - Construction Sales and Services | - Service Station |
| - Convenience Storage | - Vehicle Storage |
| - Drop-Off Recycling Collection Facilities | |
| - Electronic Prototype Assembly | |

See the *basis of recommendation* section below for more information.

PLANNING COMMISSION ACTION / RECOMMENDATION:

February 27, 2024: Case is scheduled to be heard by Planning Commission

CITY COUNCIL ACTION: TBD

ORDINANCE NUMBER: N/A

ISSUES: Currently the subject tract

CASE MANAGER COMMENTS:

The subject tract is a little more than 3/4 of an acre at the southeast corner of West 12th Street and West Lynn Street. It currently has commercial space, including the vacant former Nau's Drug Store, Anthony's Drycleaners, and Café Medici Coffeeshop. It also has two single family homes which were built in approximately 1946 and 1941. The applicant indicated that houses approved for demolition by the Historic Landmark Commission could be moved if an alternative site could be found.

To the north of the subject tract, across West 12th Street is Sledd's Plant Nursery, built in approximately 1948. To the east, are three single-family homes built approximately from 1940 through 1999, and one duplex built in 1938. To the south, is the Aloha Marina clothing store, in a structure built in approximately 1950 and one single-family home built in approximately 1930. To the west, is Taco Flats Restaurant in a structure built in approximately 1956, Howler Brothers Store in a structure built in approximately 1965, and Bond's Television & Electronics in a structure built in approximately 1983.

The applicant has indicated that 60 feet of height would not be right on West Lynn Street or Eason Street.

BASIS OF RECOMMENDATION:

Zoning should allow for reasonable use of the property.

The subject tract is redeveloping for the first time in more than 70 years. Given the proximity to Downtown Austin it is reasonable to expect a structure of greater density and height which could add additional dwelling units in this central part of Old West Austin. The additional housing could coexist in the very walkable area, proximate to daily needs and provide the street level retail space residents have been accustomed to. The applicant has indicated there would be upgrades to the pedestrian infrastructure, including nicer streetscapes, wider sidewalks, and street trees resulting in a decrease in impervious cover.

Zoning should not constitute a grant of special privilege to an individual owner; Granting of the request should result in an equal treatment of similarly situated properties.

There are many other CS zoned parcels within approximately 1/2 mile of Downtown Austin. While there are several conditional overlays that restrict uses, it is not common for a conditional overlay to restrict height to 40 feet instead of the 60 feet CS base zoning is usually restricted to. Considering we have seen many rezonings to CS in the past few years, all of which have not been restricted to 40 feet, it does not appear there is equal treatment of this similarly situated tract if staff were to granted other CS requests at 60 feet but deny this one and keep the CO at 40 feet. To abide by this basis of recommendation staff should approve this request.

Zoning should promote the policy of locating retail and more intensive zoning near the intersections of arterial roadways or at the intersections of arterials and major collectors.

While the intersection of West 12th Street and West Lynn Street is not substantially intense, it is more intense, relative to the Old West Austin Neighborhood as whole. It is a centrally located, signalized intersection of two ASMP level 2 corridors and thus a place where retail, mixed-use and more intensive zoning should be located.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	CS-MU-CO-NP and SF-3-NP	Vacant Commercial space (formerly Nau's Drug Store which was open since 1951), Anthony's Drycleaners, approximately 7,500 square feet, built in approximately 1951. Two single-family homes which were built in approximately 1946 and 1941. Café Medici Coffee shop built in approximately 1967.
<i>North</i>	CS-MU-CO-NP	Sledd's Plant Nursery, built in approximately 1948.
<i>South</i>	CS-MU-CO-NP and SF-3-NP	Aloha Marina clothing store, built in approximately 1950 and one single-family home built in approximately 1930.
<i>East</i>	MF-4-NP and SF-3-NP	Three single-family homes built approximately from 1940 through 1999, and one duplex built in 1938.
<i>West</i>	CS-MU-CO-NP	Taco Flats Restaurant built in approximately 1956, Howler Brothers Store built in approximately 1965, and Bond's Television & Electronics built in approximately 1983.

PARD – Planning & Design Review

PR1: Parkland dedication will be required for the new applicable uses proposed by this development, including multifamily with CS-MU-CO-NP zoning, at the time of subdivision or site plan, per City Code § 25-1- 601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-607 (B)(1) & (2).

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: thomas.rowlinson@austintexas.gov. At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

Site Plan

SP1. FYI - Site plans will be required for any new development other than single-family or duplex residential.

SP2. FYI - Any development which occurs in an SF-6 or less restrictive zoning district which is located 540- feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

SP3. FYI - Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

SP4. The site is subject to compatibility standards. Along the East and South property line, the following standards apply:

- No structure may be built within 25 feet of the property line. § 25-2-1063-B
- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line. § 25-2-1063-C-1
- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line. § 25-2-1063-C-2
- For a structure more than 100 feet but not more than 300 feet from property zoned SF-5 or more restrictive, 40 feet plus one foot for each 10 feet of distance in excess of 100 feet from the property zoned SF-5 or more restrictive. § 25-2-1063-C-3
- No parking or driveways are allowed within 25 feet of the property line. § 25-2-1067-G
- A landscape area at least 25 feet wide is required along the property line. In addition, a fence, berm, or dense vegetation must be provided to screen adjoining properties from views of parking, mechanical equipment, storage, and refuse collection.
- An intensive recreational use, including a swimming pool, tennis court, ball court, or playground, may not be constructed 50 feet or less from adjoining SF-3 property.
- A landscape area at least 15 feet in width is required along the property line if tract is zoned MF-3, MF-4, MF-5, MH, NO, or LO.
- A landscape area at least 25 feet in width is required along the property line if the tract is zoned LR, GO, GR, L, CS, CS-1, or CH.
- Additional design regulations will be enforced at the time a site plan is submitted.

Transportation and Public Works Department – Engineering Review

ATD 1. Assessment of required transportation mitigation, including the potential dedication of right of way and easements and participation in roadway and other multi-modal improvements, will occur at the time of site plan application. The traffic impact analysis for this site is not required, the traffic generated by the proposal does not exceed the thresholds established in the City of Austin Land Development Code. [LDC 25-6-113]

ATD 2. A Neighborhood Traffic Analysis shall be required at the time of site plan, if triggered, when land uses and intensities will be known. LDC 25-6-114. ATD

3. The Austin Strategic Mobility Plan (ASMP) calls for 72 feet of right-of-way for WEST LYNN ST. It is recommended that 36 feet of right-of-way from the existing centerline should be dedicated for WEST LYNN ST according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

ATD 4. The Austin Strategic Mobility Plan (ASMP) calls for 84 feet of right-of-way for W 12TH ST. It is recommended that 42 feet of right-of-way from the existing centerline should be dedicated for W 12TH ST according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

ATD 5. The Austin Strategic Mobility Plan (ASMP) calls for 58 feet of right-of-way for EASON ST. It is recommended that 29 feet of right-of-way from the existing centerline should be dedicated for EASON ST according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

EXISTING STREET CHARACTERISTICS:

Name	ASMP Classification	ASMP Required ROW	Existing ROW	Existing Pavement	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
West Lynn Street	Local Mobility – Level 2	72 feet	50 feet	24 feet	Existing 5 feet sidewalks (along the façade)	Shared lane (on-street)	Yes
West 12 th Street	Local Mobility – Level 2	84 feet	64 feet	27 feet	Existing 5 feet sidewalks (along the façade)	Shared lane (on-street)	Yes
Eason Street	Local Mobility – Level 1	58 feet	41 feet	24 feet	No	No	Yes

TIA: A traffic impact analysis is NOT required at time of zoning. The traffic generated by the proposal does not exceed the threshold established in the Land Development Code.

Austin Water Utility

AW1. No comments on zoning change.

FYI: The landowner intends to serve the site with existing City of Austin water utilities.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. For more information pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at ser@austintexas.gov.

Re: Rezoning Application – West Lynn @ 12th Street

Dear Mrs. Middleton-Pratt:

On behalf of the Owner(s) of the property referenced above, we respectfully submit the enclosed rezoning application. The area of rezoning consists of four TCAD Parcels addressed and with the following legal descriptions:

1113 & 1115 West Lynn Street - LOT 19&20 LESS NW TRI BLK 6 OLT 4 DIV Z SHELLEY HEIGHTS 2
1101 West Lynn Street - LOT 16-A SHELLEY HEIGHTS 2 AMENDED PLAT LTS 16-17 BLK 6 OLT
1102 Eason Street - LOT 17-A SHELLEY HEIGHTS 2 AMENDED PLAT LTS 16-17 BLK 6 OLT 4 DIV Z
1104 Eason Street - LOT 18 BLK 6 OLT 4 DIV Z SHELLEY HEIGHTS 2

The subject tracts are located within the Old West Austin Neighborhood Planning Area and are also in the West Line National Register Historic District and Council District 9, represented by Zo Qadri.

The current zoning and uses apply today:

1113 & 1115 West Lynn Street – CS-MU-CO-NP -Pharmacy, Restaurant, Dry Cleaning
1101 West Lynn Street – CS-MU-CO-NP – Coffee Shop
1102 Eason Street – CS-MU-CO-NP & SF-3-NP – Single Family Residential & On-site Commercial Parking
1104 Eason Street - CS-MU-CO-NP & SF-3-NP – Single Family Residential & On-site Commercial Parking

The Conditional Overlay (CO) that currently applies consists of a 40ft building height restriction as well as various conditional and prohibited uses.

The request of this rezoning application is to amend the CO of the CS-MU-CO-NP zoned lands to remove the 40ft height restriction but leave the conditional and prohibited uses in-tact. The portions of lands that are zoned SF-3-NP are requested to be upzoned to CS-MU-CO-NP with a CO that matches the same conditional and prohibited uses that are applicable to the lands currently zoned CS-MU-CO-NP.

For clarity, the Conditional Overlay (CO) that is request for the entirety of the rezoning area is as follows:

1) Conditional Uses:

- a) Automotive rentals
- b) Auto Sales
- c) Auto Repair
- d) Auto washing
- e) Commercial blood plasma center
- f) Construction sales & Service
- g) Convenience storage
- h) Equipment sales
- i) Laundry services
- j) Residential treatment
- k) Equipment repair services
- l) Guidance services
- m) Maintenance & service facilities
- n) Service station

2) Prohibited Uses:

- a) Drop-off recycling collection facilities
- b) Kennels
- c) Limited warehousing & distribution
- d) Exterminating services
- e) Adult oriented businesses
- f) Vehicle storage

The properties are at a commercial corner that is a hub of activity in the Clarksville Neighborhood. The rezoning will allow for a vertical mixed-use project that will marry preservation efforts of the beloved Nau's Pharmacy building with new development that will continue to serve local residents and will enhance the street scape.

We respectfully request support for the requests made. Please contact our office should you have need for additional information. Thank you for your time and attention to this application.

Kind regards,

Victoria Haase

Re: Rezoning Application – West Lynn @ 12th Street - C14-2023-0124

Dear Mr. Tomko,

On behalf of the Owner(s) of the property referenced above, and after coordination with Old West Austin Neighborhood Association, we respectfully submit the following update to the Conditional Overlay that is requested with this rezoning.

There is no longer a request for any Conditional Uses as those uses originally requested to be “conditional” are now requested to be prohibited. The following is an updated and complete list of the **Prohibited Uses**:

Adult-Oriented Business	Equipment Repair Services
Agricultural Sales and Services	Equipment Sales
Auto Sales	Exterminating Services
Automotive Rental	
Automotive Repair Services	Indoor Crop Production
Automotive Washing—of any type	Kennels
Bail Bond Services	Limited Warehousing and Distribution
Building Maintenance Services	Maintenance & Service Facilities
Campground	Monument Retail Services
Commercial Blood & Plasma Center	Pawn Shop Services
Construction Sales and Services	Research Services
Convenience storage	
Custom Manufacturing	Service Station
Drop-Off Recycling Collection Facilities	Vehicle Storage
Electronic Prototype Assembly	

Kind regards,

A handwritten signature in black ink, appearing to read "Victoria Haase".

11.06.2023 3:28PM

Hello Joi,

Thank you for sending the Proposed Zoning Change for Case # C14-2023-0124

I strongly protest the removal of the 40' height restriction.

This will totally change the character of our historic neighborhood. And set a precedent for future changes to the other three corners at West Lynn and 12th.

I have lived at 1607 Waterston Avenue since the summer of 1988, and the owner since 1989.

Thank you Joi for your assistance in blocking this change and working to maintain our historic neighborhood's character and community.

Sincerely,
Steve Amos

I live just west of West Lynn in the Clarksville neighborhood and have resided in my home for 35 years. Until recently, I owned other property in Clarksville. Also, I am president of the Clarksville Community Development Corporation (CCDC), the neighborhood organization for Clarksville.

West Lynn between West 10th and West 14th is our neighborhood downtown; it's walkable and lined with businesses that cater to residents of Clarksville and the rest of Old West Austin, but attract residents from other parts of town in some cases. The buildings along West Lynn are low in scale and modest in their design -- understated.

I am therefore very concerned about the proposed project. My biggest concern right now is the request to remove the 40' height restriction. I strongly oppose doing so. Allowing the developer to build up would set a horrible precedent for future development along West Lynn; impact the character of our historic neighborhood; and possibly jeopardize the neighborhood-friendly ambiance of the street. I also have concerns regarding the impact of a larger scale development on traffic and safety along West Lynn and on Clarksville's narrow streets. And finally, removing the 40' height restriction would have a negative impact on nearby residents.

Thank you for considering my concerns.

Mary Reed

11.08.2023 12:22PM

Hi Jonathan—

My name is J.B. Raftus and I've lived in Clarksville at 1802 Waterston with my wife and children since 2006. I'm writing you to express deep concern over the potential redevelopment of 12th and West Lynn and the accompanying properties on Eason.

That corner is considered this neighborhood's "downtown" and the now defunct Nau's was our community center. Given the importance of this intersection to the character of the neighborhood, I strongly urge you to deny the removal of the 40' height restriction. This would fundamentally change the character of arguably one of Austin's most unique and beloved neighborhoods as well as present a safety hazard due to increased traffic (despite speed bumps cars already speed on West Lynn and this will only make it worse). Our streets are narrow and often filled with pedestrians.

Thank you for your consideration to this matter.

I have been told that there is a zoning change request in play for this parcel.

I am vehemently opposed to such a change.

Allowing greater height and development of this property would harm the street and neighborhood. I believe the zoning in place to be reasonable. bigger is NOT better

To: Jonathan Tomko
11.08.2023 1:31PM

Hello,

I am a long-time Clarksville resident and my daughter went to Mathews Elementary. I wanted to express that I share the same concerns about the proposed development along West Lynn that Mary describes below. The neighborhood has already been so overrun with new development from absentee landlords and absentee developers that have no connection to the land. There have been 7 giant houses continually under construction on the single city block where I live just off of west Lynn for the past 2-3 years and it's already treacherous for cars and people just to try to drive in and out of my home. Foot and vehicle traffic associated with the restaurants already along west Lynn often entirely blocks off my street when my daughter and I are trying to come and go from work. On normal days there are so many cars parked along both sides of my street that a 2 way road is reduced to a single lane. Construction vehicles block my driveway or even blatantly park in my driveway without my consent, the people who work at the restaurants along west Lynn have also parked in my driveway or illegally next to my driveway on the corner without my consent. There are often so many cars parked around my driveway that I have even hit another car just trying to get out. I've complained to the city and no action has been taken. The large delivery trucks for Jeffrey's and taco flats bring food and alcohol daily and just park right in the middle of the street, blocking access to west Lynn and making it dangerous for people turning right or left onto 12th from west Lynn. They use my street for their valet service. There are no sidewalks so you will often find people and dogs in the middle of the street traversing along with the cars. The extra cars bring a lot of unwanted loiterers in my street outside my house late at night especially on weekends, and all the extra cars have attracted a lot more petty crime. We already have what seems like a coordinated team of thieves who sweep through our cars (or even steal cars) and backyards almost every weekend. The absentee landlords have also brought a lot more short term rentals to our neighborhood, with guests who are not invested in preserving the neighborhood.

The surface of 12th street is already in terrible condition and can't support the existing traffic that flows through there, I can't imagine how it could support an influx of even more cars.

I'm all for revitalizing the buildings in the area proposed for development, but not for one that brings a lot more people and chain business and traffic to historic Clarksville. It will lose its charm and devalues the property for residents. It's already bad enough with the development the past few years, please don't make it any worse.

Thank you for your consideration,

Kimberly Lewis, PhD, RN, CGNC
Nurse Scientist

Hi Jonathan,

I am writing to inquire about the above-referenced rezoning case and the proposed project plans that would necessitate the zoning change. I am a former land use lawyer (now I practice commercial real estate transactions and finance, mostly), and a homeowner in Clarksville (1809 W. 11th). I do have some concerns about too big/too tall/too intensive of a project on our little local thoroughfare West Lynn. I have two tiny children and we walk and bike around the area daily for groceries, coffee, breakfast/lunch/dinner. Anything you're able to share about the proposed project would be greatly appreciated.

Thank you!

Hi Joi,

We live at 1618 Waterston Ave and have concerns about the request for the new development on West Lynn to go above the 40' height limit. People love this neighborhood for its character and charm. I've lived in multiple cities and seen commercial streets make smart decisions that augment the neighborhood, and ones that turn it into cookie-cutter streets that you could find anywhere.

I'm all for increased high quality and non-chain commercial/retail spaces and understand the inevitability of increased population density. But these decisions will make a major impact on the neighborhood quality of living, home values, traffic, parking, views, and culture.

Do you have any other information on the proposed project that you're able to share?

Thank you!

Michael Berl & Nathan Winkel

Hello,

My husband and I live on Maufrais St., not far from the east side of West Lynn. I just learned that a large development is planned for West Lynn and part of Eason.

This is a small residential neighborhood with lots of foot traffic and pretty streets. The streets of our neighborhood are narrow and not meant for high traffic.

This development would definitely impact the culture of this neighborhood and of historic Clarksville.

Please consider the impact to the residents of our neighborhood when you review this case.

Thank you,

Judy Shipway
1008 Maufrais St.

Good morning, Joi,

We live at 1612 West 11th Street. Our home is within 500 feet of the application for a zoning variance for the 1100 block of West Lynn Street and the 1100 block of Eason Street. We received yesterday a notice of application for rezoning for the West Lynn and Eason blocks within 500 feet of us and our neighbors.

The application asks that the City remove the land's current 40 foot height restriction that exists for building on this plot, and to rezone the land entirely for commercial or mixed use.

We have no general objection to redevelopment in character with the existing commercial and residential use of the land (and with the homes and businesses surrounding it), but the developer's request here contemplates a much larger vertical development. Such a development would not be in character with the surrounding uses of the land—residential homes and small businesses in one or two story storefronts— or with the existing use of the land that the developer asks for a variance for (currently one-story).

Removal of the height restriction would permit a large building not in character with the generally residential area of the Old West Austin neighborhood. The very limited commercial uses near the requested variance are within the height restriction. A tall building on this plot would not be and would not match either the existing character of this neighborhood or the existing use of this land.

We respectfully request that the City deny the developer's request to remove the existing height restriction, and to otherwise ensure that any development is in keeping with the surrounding homes and small businesses of our neighborhood.

Thank you very much for your consideration of our objection.

Sincerely yours,

Doug and Jane Bland
