International Society of Arboriculture Member

**Re: Development related pruning affidavit**

This letter is to show pruning requirements of the trees at 4601 Chiapperro Dr. Austin TX 78731 for plans shown to Heritage Tree Care 01/11/2022. Any cuts needed to build the proposed structure **WILL NOT** remove more than 25% of overall canopies. The maximum number of cuts are marked on the images above and below. Red marks are live wood cuts and will contribute to the overall percentage of canopy removed.
