

**HISPANIC/LATINO QUALITY OF LIFE RESOURCE ADVISORY COMMISSION  
RECOMMENDATION 20240326-10  
Family Stabilization Program as a Mechanism for Promoting Housing Stability**

Date: March 26, 2024

Subject: FY25 Budget Recommendations

Motioned By:      Seconded By:

We continue to hear from the community concerns regarding underfunding of immigration legal services. Only a small number of individuals are served with the current funding. There are very few organizations in Austin that have the ability to provide legal services to our immigrant communities pro bono. One of the service providers is American Gateways. They are currently only able to meet 25% of the need. The need for legal services continues to expand due to the complicated immigration legal system.

WHEREAS, we continue to hear from the community that legal services funding is crucial; and

WHEREAS, there are immigrants who need access to counsel, and cannot afford attorneys. This is especially so for immigrants facing removal proceedings; and

WHEREAS, in a time of changes in immigration policy, people have more need for legal representation, as it has become very complicated; and

WHEREAS, it is essential that immigrant communities obtain accurate advice and assistance; and

WHEREAS, the people most impacted by the complicated changes in immigration policy are low-income immigrants; and

WHEREAS, the City of Austin funds legal services for low income immigrants who are Austin residents, and there is still unmet need;

NOW, THEREFORE, BE IT RESOLVED that the Hispanic Latino Quality of Life recommends that the \$490,000 allocated in FY 2023-2024 for immigration legal services become a permanent budget allocation in FY 2024-2025 and beyond.
