# **Federal Grants:**

## Planning & Reporting Programs & Activities

The **U.S. Department of Housing and Urban Development (HUD)** allocates entitlement funding to municipalities and state governments.

The City of Austin applies for what in recent years has been approximately \$14 million in annual grant entitlements across four grants for affordable housing, community development, economic development, and public services.

Each year, we plan and evaluate the programs funded by the HUD grants.

# Housing Opportunities for Persons with AIDS (HOPWA) FY22-23

---

# HOPWA

---

## WHAT IS HOPWA?

- The Housing Opportunities for Persons With AIDS (HOPWA) Program is the only Federal program dedicated to the housing needs of people living with HIV/AIDS.
- Under the HOPWA Program, HUD makes grants to local communities, States, and nonprofit organizations for projects that benefit low-income persons living with HIV/AIDS and their families.
- Transitional Grant Area (TGA) – Bastrop, Caldwell, Hays, Travis and Williamson counties

## HOPWA SERVICES IN AUSTIN TGA AREA IN FY22-23

- Short Term Supportive Housing - Hotel/Motel Assistance
- Housing Case Management
- Permanent Housing Placement
- Short Term Rental, Mortgage, & Utilities
- Tenant Based Rental Assistance
- Facility Based Housing

# Services in the Austin TGA Area in FY22-23

---

## **Tenant Based Rental Assistance (TBRA)**

- TBRA provides rent, mortgage, utility assistance, and assistance with shared housing arrangements to meet the urgent needs of eligible persons with HIV/AIDS and their families. The goal is to prevent homelessness and to support independent living of persons living with HIV/AIDS who access the program through HIV case management.

## **Facility Based Housing - Operations(FBH)**

- Facility Base Transitional Housing provides eligible households with housing and supportive services to maintain stability and receive appropriate levels of care.

## **Short Term Rental, Mortgage, & Utilities (STRMU)**

- STRMU provides short-term housing assistance to prevent homelessness of the renters or homeowners. It helps maintain a stable living environment for households who experience financial crisis and possible loss of their housing arrangement.

# Services in the Austin TGA Area in FY22-23

---

## **Short Term Supportive Housing- Hotel/Motel Assistance (STSH)**

- Hotel/Motel Assistance provides assistance with keeping vulnerable clients experiencing homelessness out of the street and help transition them to permanent housing.

## **Housing Case Management (HCM) / Supportive Services**

- Housing Case Management assists eligible individuals in securing stabilize housing, long-term, permanent, and stable housing. Clients receive case management for clients and their families in long term need for stable secure permanent housing.

## **Permanent Housing Placement (PHP)**

- PHP helps prevent homelessness by supporting independent living of persons with HIV/AIDS. Persons can access the program through HIV case management. PHP assists eligible clients by helping to establish a new residence where on-going occupancy is expected to continue. Assistance is provided to eligible clients and their families with payment of first month's rent to secure permanent housing and will complement other forms of HOPWA housing assistance.

# CDBG Special Needs Assistance : Child Care

## FY 22-23 Highlights

- 126 children served across all 3 programs

---

- **Child, Inc. – Early Head Start** – Provides affordable quality early childhood education to children up to three years of age.
  - Services were expanded through one additional classrooms at Overton Elementary School.
  - Hired a curriculum specialist to ensure instructional consistency between classrooms.
- **AISD – Teen Parent Child Care** – Provides affordable quality early childhood education to children up to five years of age so parents can attend middle or high school.
  - 83% of parenting students were academically successful.
  - Homebound Services Program added additional teachers to serve students with 6 weeks of at home instruction after child birth.
- **YWCA - Bridge Child Care Voucher** – Provides affordable accessible child care to children up to age 12.
  - Applicants were able to achieve long-term sustainable child care solutions where often few to no other options were available.

# CDBG Special Needs Assistance : Mental Health Services

## Integral Care - CDBG Youth Services:

---

- Program is designed to enhance the quality of life for youth ages 0-21 by offering intensive wrap-around services and increasing their participation in educational and cultural activities. Services include:
  - Assessments –psychological, psychiatric, speech/audiology, occupational, physical, functional/behavioral, and more
  - Treatments linked to assessments above; medication management, nursing, substance abuse counseling, psychosocial skills training
  - Self-sufficiency supports
  - Enrichment services – camp, after school program, skill development, tutoring, vocational training, life skills programs
  - Parental support and education
- Youth reside in Austin Full Purpose Jurisdiction, with income (or their families' income) at or below 200% FPL

# CDBG Special Needs Assistance : Mental Health Services (continued)

## FY 22-23 Highlights

---

- 154 clients served
- Families in Care Coordination are truly receiving a rich variety of traditional and non-traditional support services, such as EMDR and trauma-informed therapy, crisis prevention and intervention, access to recreational and enriching activities for youth and their families, assistance with the legalization process, and many connections between families and accessible community resources and support.

# CDBG Special Needs Assistance : Senior Services

## Family Eldercare - CDBG Financial & Housing Stability:

- 191 clients served in FY22-23
- Serves people 55 years of age or older who have low income and live within Austin Full Purpose Jurisdiction
- Provides financial and housing-focused services that promote aging in place and prevent abuse, neglect, and exploitation of seniors.
  - case management
  - bill payer services
  - general public benefits enrollment assistance or specialized assistance for SSI/SSDI income
  - housing stabilization services including rapid re-housing, homelessness prevention, and housing retention.

# CDBG-CV Special Needs Assistance : Childcare for Essential Workers

## Service Provider – Workforce Solutions

---

Program pays for emergency childcare for essential workers with low to moderate income and provides information to families on licensed childcare providers.

Services include weekday, overnight and weekend childcare for children ages 0-13, or older children with special needs.

## FY 22-23 Highlights

- 281 clients served
- The CDBG-CV maximum income limit of 80% MFI is higher than the limits set by Texas Workforce Commission's Childcare and Development Fund (CCDF), which enabled the CDBG-CV program to serve 59 returning clients and 12 new clients within Austin Full Purpose Jurisdiction who may not have otherwise qualified for childcare assistance.
- 163 clients were rolled over to a more financially stable Childcare Development Fund scholarship program ensuring the essential worker's vital work within the community could continue.

# CDBG Special Needs Assistance : Senior Services (continued)

## FY 22-23 Highlights

---

- 288 clients served
- Family Eldercare core financial and housing stability program nearly doubled the number of clients enrolled from the previous contract year, increasing the benefits enrollment and case management services to low-income older adults in the Austin area.
- Housing instability among local older adults and persons with disabilities has exponentially increased, and Family Eldercare's staff have been working strategically to accommodate the increased need through allocating more staff with specialized training.

## CDBG & CDBG-CV Public Services Program Budget and Spending

---

- FY22-23 CDBG budget was \$824,398 with \$201,497 remaining in childcare. Unspent funds in childcare were due to low staffing at agencies and one underperforming agency who is not continuing in FY23-24. FY23-24 funds will be spent between AISD and Child Inc.
- FY22-23 CDBG-CV budget was underspent due to a delay in contract implementation and low staffing. Despite the delay, contract met all performance goals and is expected to expend all ongoing funds in future budgets.
