With respect to Commercial Paper Notes registered in the name of DTC or its nominee, neither the City nor the Issuing and Paying Agent shall have any responsibility or obligation to any DTC Participant or to any person on whose behalf a DTC Participant holds an interest in the Commercial Paper Notes. Without limiting the immediately preceding sentence, neither the City nor the Issuing and Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or any DTC Participant with respect to any ownership interest in the Commercial Paper Notes, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown on the Registration Books, of any notice with respect to the Commercial Paper Notes, and (iii) the payment to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown in the Registration Books, of any amount with respect to principal of or interest on the Commercial Paper Notes.

Whenever, during the term of the Commercial Paper Notes, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in the Ordinance of holding, registering, delivering, exchanging, or transferring the Commercial Paper Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to holding, registering, delivering, exchanging, or transferring the book-entry to produce the same effect.

The City or DTC each may determine to discontinue the book-entry only system and, unless a new book-entry only system is put in place, physical certificates in the form set forth in **Exhibit A** shall be provided to the beneficial owners of the Commercial Paper Notes.

500 If at any time, DTC ceases to hold the Commercial Paper Notes, all references  
501 to DTC in the Ordinance shall be of no further force or effect.

502 Whenever the beneficial ownership of the Commercial Paper Notes is  
503 determined by a book-entry at DTC, delivery of Commercial Paper Notes for  
504 payment at maturity shall be made pursuant to DTC's payment procedures as are in  
505 effect from time to time and the DTC Participants shall transmit payment to  
506 beneficial owners whose Commercial Paper Notes have matured. The City and  
507 each of the Issuing and Paying Agent, the Bank and the Dealer are not responsible  
508 for transfer of payment to the DTC Participants or beneficial owners.

531 Notes occur, the City agrees to promptly cause a written notice to be sent to the  
532 Bank by United States mail, first-class postage prepaid. The notice shall give the  
533 address of the successor Note Paying Agent. Council may not appoint a successor  
534 Note Paying Agent without the consent of the Bank.

535 The Direct Purchase Notes shall be issued to the Bank in registered form,  
536 without coupons. The principal of and interest on the Direct Purchase Notes shall  
537 be payable in lawful money of the United States of America, without exchange or

collection charges to the Holder of the Direct Purchase Note; principal is to be payable upon presentation and surrender of the Direct Purchase Note at the Designated Office and interest is to be payable to the registered owner thereof either (i) by check sent by United States mail, first-class postage prepaid, to the address of the registered owner appearing on the Registration Books of the City maintained by the Note Paying Agent or (ii) by any other method, acceptable to the Note Paying Agent, requested by the Holder.

A copy of the Registration Books shall be provided to the City by the Note Paying Agent, by means of telecommunications equipment or other means as are mutually agreed to, within two Business Days of either the opening of the Registration Books or any change in the Registration Books.

The City and the Note Paying Agent may treat the registered payee as the absolute owner of any Direct Purchase Note for the purpose of receiving payment and for all purposes, and the City and the Note Paying Agent shall not be affected by any notice or knowledge to the contrary. Direct Purchase Notes will not be issued in book-entry form.

854 of the Holder of the Program Note, shall execute and deliver a new Program Note  
855 of like tenor and number in exchange and substitution for the Program Note so  
856 mutilated, but only upon surrender to the City of the Program Note so mutilated. If  
857 any Program Note shall be lost, destroyed or stolen, evidence of the loss,

862 the Paying Agent/Registrar, in the case of a Commercial Paper Note, or the Note  
863 Paying Agent, in the case of a Direct Purchase Note, shall be required to treat both  
864 the original Program Note and any duplicate Program Note as being outstanding

Any Commercial Paper Note may, in accordance with its terms and the terms of the Ordinance, be transferred or exchanged for Commercial Paper Notes of like tenor and character and in Authorized Denominations upon the Registration Books by the Holder in person or by its duly authorized agent, upon surrender of the Commercial Paper Note to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by its duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Commercial Paper Note at the Designated Office of the Registrar, the Registrar shall register and deliver, in the name of each designated transferee (or to bearer, as appropriate), one or more new Commercial Paper Notes executed on behalf of, and furnished by, the City of like tenor and character and in Authorized Denominations and having the same maturity, bearing interest at the same rate or rates and of a like aggregate principal amount as the Commercial Paper Note or Commercial Paper Notes surrendered for transfer.

The Registrar or the City may also require payment from the Holder of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. These charges and expenses shall be paid before a new Commercial Paper Note shall be delivered.

New Commercial Paper Notes delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Commercial Paper Notes surrendered, shall be secured by the Ordinance and shall be entitled to all of the security and benefits of the Ordinance to the same extent as the Commercial Paper Notes surrendered.

The City reserves the right to change the registration and transferability provisions of the Commercial Paper Notes at any time on or prior to the delivery of Commercial Paper Notes in order to comply with applicable laws and regulations of the United States in effect at the time of their issuance.

Additionally all proceeds of Advances shall be deposited into the Note Payment Fund and used to pay the principal of and interest on the Commercial Paper Notes.

Pending the expenditure of moneys in the Note Payment Fund for authorized purposes, moneys deposited therein may be invested at the direction of the City Treasurer or the designee thereof in Eligible Investments; provided, that moneys received by the City under the terms of the Revolving Credit Agreement and moneys received in connection with a rollover of Commercial Paper Notes shall remain uninvested.

1004 and pending their expenditure, moneys therein may be invested at the direction of  
1005 the City Treasurer of the City or her designee in Eligible Investments. Any  
1006 investment income received (except as otherwise required to be rebated to the  
1007 United States of America in accordance with the provisions of **Section 29**) shall be  
1008 deposited, as received, into the Electric Fund or the Water and Sewer Fund  
1009 established by ordinances authorizing the issuance of the Subordinate Lien Bonds  
1010 and shall not be considered an amount held in the Note Construction Account.

1011 Amounts on deposit in the Note Construction Account funded with proceeds  
1012 of Commercial Paper Notes and designated by an Authorized Representative as  
1013 eligible to pay interest during construction and up to one year after construction is  
1014 completed may be transferred from time to time at the direction of an Authorized  
1015 Representative to the credit of the Note Payment Fund for use in accordance with  
1016 the terms of **Section 16**. Any amounts that were funded with the proceeds of  
1017 Commercial Paper Notes remaining in the Note Construction Account after the  
1018 payment of all Project Costs shall be paid into the Note Payment Fund and used  
1019 either for the payment of the maturities of the Commercial Paper Notes coming  
1020 due as may be selected by an Authorized Representative or for the payment of  
1021 Advances or other amounts owing under the Agreement. In the event no  
1022 Commercial Paper Notes are Outstanding and there are no outstanding Advances  
1023 or other amounts owing under the Agreement, any amounts in the Note  
1024 Construction Account that were originally provided from the proceeds of  
1025 Commercial Paper Notes not anticipated to be needed to pay Project Costs shall be

1026 transferred to the debt service fund established for the payment of the Bonds, when  
1027 issued.

1028 Amounts on deposit in the Note Construction Account funded with proceeds  
1029 of Direct Purchase Notes and designated by an Authorized Representative as eligible  
1030 to pay interest during construction and up to one year after construction is completed  
1031 may be transferred from time to time at the direction of an Authorized  
1032 Representative to the credit of the Direct Purchase Payment Fund for use in  
1033 accordance with the terms of **Section 17**. Any amounts that were funded with the  
1034 proceeds of Direct Purchase Notes remaining in the Note Construction Account after  
1035 the payment of all Project Costs shall be paid into the Direct Purchase Payment Fund  
1036 and used for the payment of the maturities of the Direct Purchase Notes coming due  
1037 as may be selected by an Authorized Representative. In the event no Direct  
1038 Purchase Notes are Outstanding, any amounts in the Note Construction Account that  
1039 were originally funded from the proceeds of Direct Purchase Notes not anticipated to  
1040 be needed to pay Project Costs shall be transferred to the debt service fund  
1041 established for the payment of the Bonds, when issued.

1042  
1043 **SECTION 19: PLEDGE; PAYMENTS.** The Program Notes and any  
1044 obligations of the City to the Bank under the Revolving Credit Agreement (including  
1045 the Bank Note), the Note Purchase Agreement and the Fee Letter are obligations of  
1046 the City payable from and secured solely by the pledged funds pursuant to the  
1047 Ordinance. The City agrees to make payments into the Note Payment Fund and the  
1048 Direct Purchase Payment Fund at the times and in the amounts as are necessary to  
1049 provide for the full payment of the principal of and the interest on the Commercial  
1050 Paper Notes and the Direct Purchase Notes, as the case may be, when due, and the  
1051 repayment of Advances made under and pursuant to the Revolving Credit  
1052 Agreement and any obligations of the City to the Bank under the Revolving Credit  
1053 Agreement, the Note Purchase Agreement and the Fee Letter.

1054  
1055 To provide security for the payment of the principal of and interest on the  
1056 Commercial Paper Notes as the same shall become due and payable, the City grants  
1057 a lien on, charge and pledge of, subject only to the provisions of the Ordinance  
1058 permitting the application of the sources listed for purposes and on the terms and  
1059 conditions set forth in the Ordinance, (i) the proceeds from (a) the sale of bonds  
1060 issued and to be used to pay outstanding Commercial Paper Notes and (b) the sale of  
1061 Commercial Paper Notes issued pursuant to the Ordinance and to be used to refund  
1062 outstanding Commercial Paper Notes, (ii) Advances, (iii) the amounts held in the  
1063 Note Payment Fund until those amounts are used for authorized purposes, (iv) the  
1064 Pledged Revenues of the Systems, however, (a) on a parity with the lien and pledge  
1065 securing the payment of the Direct Purchase Notes, the Taxable Program Notes and  
1066 the Taxable Advances and the lien and pledge securing the payment of Advances

1067 made under and pursuant to the Revolving Credit Agreement and all other amounts  
1068 payable by the City under the Revolving Credit Agreement (including the Bank  
1069 Note), and (b) subordinate to the lien on and pledge securing the payment of Priority  
1070 Lien Obligations, and (v) the amounts remaining on deposit in the Note Construction  
1071 Account after the payment of all Project Costs. Council declares that the principal  
1072 of and interest on the Commercial Paper Notes, the Bank Note and any other  
1073 amounts due under the Revolving Credit Agreement shall be and are hereby equally  
1074 and ratably secured by and payable from a lien on, charge and pledge of the sources  
1075 identified in clauses (i), (ii), (iii), (iv) and (v) subject and subordinate only to the  
1076 exceptions noted above.

1077  
1078 To provide security for the payment of the principal of and interest on  
1079 Advances and any other amounts payable under the Revolving Credit Agreement  
1080 and the Fee Letter as the same shall become due and payable, the City grants a lien  
1081 on, charge and pledge of the Pledged Revenues, subject only to the provisions of  
1082 the Ordinance permitting the application of Pledged Revenues for purposes and on  
1083 the terms and conditions set forth in the Ordinance; however, this lien on and  
1084 pledge of the Pledged Revenues, and the lien and pledge securing the Program  
1085 Notes, the Taxable Program Notes and the Taxable Advances is subordinate only  
1086 to the lien on and pledge of the Pledged Revenues securing the payment of Priority  
1087 Lien Obligations and the debt service and reserve funds relating to the Priority  
1088 Lien Obligations, and being on a parity and of equal dignity with the lien and  
1089 pledge securing the payment of the Program Notes, the Taxable Program Notes  
1090 and the Taxable Advances. It is ordained that the payment obligations under the  
1091 Bank Note are secured by a lien on, charge and pledge of Pledged Revenues, and  
1092 as provided in Chapter 1208, Texas Government Code, the lien is valid, binding  
1093 and fully perfected on the passage of the Ordinance without physical delivery or  
1094 transfer of control of the Pledged Revenues, the filing of the Ordinance or any  
1095 other act.

1096  
1097 To provide security for the payment of the principal of and interest on the  
1098 Direct Purchase Notes as the same shall become due and payable, the City grants a  
1099 lien on, charge and pledge of, subject only to the provisions of the Ordinance  
1100 permitting the application of the sources listed for purposes and on the terms and  
1101 conditions set forth in the Ordinance, (i) the proceeds from (a) the sale of bonds  
1102 issued and to be used to pay outstanding Direct Purchase Notes and (b) the sale of  
1103 Direct Purchase Notes issued pursuant to the Ordinance and to be used to refund  
1104 outstanding Direct Purchase Notes, (ii) the amounts held in the Direct Purchase  
1105 Payment Fund until those amounts are used for authorized purposes, (iii) the  
1106 Pledged Revenues of the Systems, however, (a) on a parity with the lien and  
1107 pledge securing the payment of the Commercial Paper Notes, the Taxable Program  
1108 Notes and the Taxable Advances and the lien and pledge securing the payment of

Advances made under and pursuant to the Revolving Credit Agreement and all other amounts payable by the City under the Revolving Credit Agreement, and (b) subordinate to the lien on and pledge securing the payment of Priority Lien Obligations, and (iv) the amounts remaining on deposit in the Note Construction Account after the payment of all Project Costs. Council declares that the principal of and interest on the Direct Purchase Notes shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the sources identified in clauses (i), (ii), (iii) and (iv) subject and subordinate only to the exceptions noted above.

Consistent with the provisions of **Section 27**, the City intends to refinance Program Notes issued from time to time pursuant to the terms of the Ordinance through the issuance of refunding bonds issued under authority of Chapter 1207, Texas Government Code, and the Program Notes so refunded shall be treated as having the intended terms and payment schedule of the refunding bonds issued under Chapter 1207, Texas Government Code, as provided in Section 1371.057(c), Texas Government Code.

Chapter 1208, Texas Government Code, applies to the issuance of the Program Notes and the pledge of the Pledged Revenues granted by the City, and the pledge is valid, effective and perfected. If Texas law is amended at any time while the Program Notes or the Bank Note are outstanding or any amount is owing under the Revolving Credit Agreement, the Note Purchase Agreement or the Fee Letter such that the pledge of the Pledged Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then to preserve to the Noteholders and the Bank the perfection of the security interest in the pledge, the City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in the pledge to occur.

**SECTION 20: FUNDS SECURED.** Moneys in all funds and accounts, to the extent not invested, shall be secured in the manner prescribed by law for securing moneys of the City.

**SECTION 21: REVOLVING CREDIT AGREEMENT.** The Revolving Credit Agreement and the Fee Letter, substantially in the forms on file with the City, are approved, and shall be entered into with the Bank. Upon the approval by the City Attorney, evidenced by executing the Revolving Credit Agreement, the City Manager is authorized to execute and deliver the Revolving Credit Agreement, the Fee Letter and the Related Documents (as defined in the Revolving

Credit Agreement), and the City Clerk or Deputy City Clerk is authorized to place the City seal on these instruments.

The City reserves the right to issue Commercial Paper Notes without credit or liquidity support, as provided in **Section 22(b)**.

**SECTION 22: MAINTENANCE OF AVAILABLE CREDIT AND LIQUIDITY FACILITIES REQUIREMENT.** (a) Except as provided in **Section 22(b)**, the City covenants that at all times up to and including the Maximum Maturity Date, unless the Commercial Paper Notes are no longer outstanding, it will maintain credit or liquidity facilities with banks, assuming that all then outstanding Commercial Paper Notes were to become due and payable immediately, in amounts available for borrowing under the credit or liquidity facilities sufficient at that time to pay principal of and interest on all Commercial Paper Notes, as and when due. No Commercial Paper Note shall be issued if after giving effect to its issuance and, if applicable, the immediate application of its proceeds to retire other Commercial Paper Notes secured by the credit or liquidity facility, the aggregate principal amount of all Commercial Paper Notes secured by the credit or liquidity facility would exceed the amount of the Commitment under the related credit or liquidity facility. The availability for borrowing of amounts under the credit or liquidity facilities may be subject to reasonable conditions precedent, including, but not limited to, bankruptcy of the City. In furtherance of this covenant, the City agrees that it will not issue any Commercial Paper Notes or make any borrowings which will result in a violation of the covenant, will not amend the Revolving Credit Agreement in a manner which will cause a violation of this covenant and, if and to the extent necessary to maintain compliance with this covenant, will arrange for new credit or liquidity facilities.

(b) The provisions of **Section 22(a)** notwithstanding, council may amend the Ordinance, in accordance with the provisions of **Section 37**, to provide that Commercial Paper Notes issued under authority of the Ordinance may be issued without support of liquidity and/or credit facilities. To exercise the authority reserved by this **Section 22(b)**, the City shall provide written notice to the Dealer, the Issuing and Paying Agent and the Rating Agencies (as defined in the Issuing and Paying Agent Agreement) of council's determination to amend the Ordinance to permit Commercial Paper Notes to be issued without liquidity and/or credit support. This notice shall be provided no later than ninety (90) days prior to the proposed date council is to consider for adoption an ordinance amending the Ordinance for the purpose described in this **Section 22(b)**. The City shall cause written notice to be provided to the Noteholders no less than fifteen (15) days prior to the date council enacts the amendatory ordinance. No amendatory ordinance shall be adopted if, on or before the date council considers the amendatory

ordinance, the ratings to be assigned to the Commercial Paper Notes not being supported by a liquidity and/or credit facility are lower than A-1 or its equivalent. Commercial Paper Notes issued under the Ordinance with liquidity and/or credit facility support shall be retired in full either through the issuance of Bonds or with the proceeds of Commercial Paper Notes issued without the support of a liquidity and/or credit facility.

**SECTION 23: EQUAL SECURITY.** The pledge made in the Ordinance by the City and the covenants and agreements set forth in the Ordinance to be performed by the City shall be for the equal and proportionate benefit, security and protection of all Holders of the Program Notes and the Bank (with respect to the Bank Note), without preference, priority or distinction as to security or otherwise of any of the Program Notes or the Bank Note authorized by the Ordinance over any of the others by reason of time of issuance, sale or maturity or otherwise for any cause, except as expressly provided in or permitted by the Ordinance or, with respect to Advances, the Revolving Credit Agreement.

**SECTION 24: APPLICATION OF PRIOR COVENANTS.** The covenants and agreements (to the extent the same do not conflict with the covenants and agreements in the Ordinance) contained in the ordinances authorizing the issuance of the Priority Lien Obligations are incorporated by reference into the Ordinance and are for the benefit and protection of the Bank and its rights under and pursuant to the Revolving Credit Agreement and the Note Purchase Agreement in like manner as applicable to the Priority Lien Obligations; provided, however, in the event of any conflict between the terms, covenants and agreements contained in the Ordinance and the terms, covenants and agreements contained in the ordinances authorizing the issuance of the Priority Lien Obligations, the provisions of the ordinances authorizing the issuance of the Priority Lien Obligations shall control.

**SECTION 25: RATES AND CHARGES.** The City hereby agrees and reaffirms its covenants to the holders of the Priority Lien Obligations and covenants to the Bank that it will at all times maintain rates and charges for the services furnished, provided, and supplied by the Electric Light and Power System and the Waterworks and Sewer System which shall comply with the provisions of ordinances authorizing the issuance of the Priority Lien Obligations, be reasonable and non-discriminatory and produce Gross Revenues in each Fiscal Year from each of the Systems sufficient:

- (1) To pay the respective system's Maintenance and Operating Expenses,

1231           (2) To produce Net Revenues of the Systems, collectively or individually,  
1232 as the case may be, sufficient (i) to pay the amounts required to be deposited in any  
1233 reserve or contingency fund and interest and sinking fund maintained for the  
1234 payment and security of the Priority Lien Obligations and (ii) to satisfy any annual  
1235 debt service coverage requirement specified in the ordinances authorizing the  
1236 issuance of Priority Lien Obligations.

1237  
1238           (3) To comply with any provisions contained in the Revolving Credit  
1239 Agreement and the Note Purchase Agreement and to the extent the same are  
1240 incurred or reasonably anticipated to be paid with Pledged Revenues, to pay the  
1241 interest on and principal of the Similarly Secured Notes or the repayment of  
1242 Advances or the Bank Note or the Direct Purchase Notes and any other amounts  
1243 payable to the Bank under the Revolving Credit Agreement, the Note Purchase  
1244 Agreement and the Fee Letter, as and when the same shall become due; and

1245  
1246           (4) any other legal debt or obligation of the Systems, either or both, as  
1247 and when the same shall become due.

1248           **SECTION 26: SYSTEM FUNDS.** The City reaffirms its covenants to the  
1249 holders of the Priority Lien Obligations, and covenants to the Holders of the  
1250 Program Notes and to the Bank, as follows:

1251  
1252           (a) Gross Revenues of the Electric Light and Power System shall be, as  
1253 collected, deposited into a separate account maintained with a depository bank of  
1254 the City and known as the "Electric Light and Power System Fund" (Electric Fund)  
1255 and Gross Revenues of the Electric Light and Power System shall be kept separate  
1256 and apart from all other funds of the City. All revenues deposited in the Electric  
1257 Fund shall be pledged and appropriated to the extent required for the following  
1258 uses and order of priority:

1259  
1260           **FIRST:** To the payment of all necessary and reasonable Maintenance and  
1261 Operating Expenses of the Electric Light and Power System, and expenses  
1262 required by statute to be a first charge on and claim against its Gross Revenues.

1263  
1264           **SECOND:** To the payment of the amounts required to be deposited in the  
1265 special funds or accounts created for the payment and security of the Priority Lien  
1266 Obligations in accordance with the provisions of the ordinances authorizing the  
1267 issuance of the Priority Lien Obligations.

1268  
1269           **THIRD:** On a pro rata basis, to the payment of the amounts required to be  
1270 deposited in the Note Payment Fund, the Direct Purchase Payment Fund, and the  
1271 debt service payment funds established for the Taxable Program Notes, to the

1272 extent the principal of and interest on the Commercial Paper Notes, as the same  
1273 becomes due and payable, are not paid with Advances, and for the payment of the  
1274 principal of and interest on Advances, if any.

1275  
1276 (b) Gross Revenues of the Waterworks and Sewer System shall be, as  
1277 collected, deposited into a separate account maintained with a depository bank of  
1278 the City and known as the "Water and Sewer System Fund" (Water and Sewer  
1279 Fund) and Gross Revenues of the Waterworks and Sewer System shall be kept  
1280 separate and apart from all other funds of the City. All revenues deposited in the  
1281 Water and Sewer Fund shall be pledged and appropriated to the extent required for  
1282 the following uses and order of priority:

1283  
1284 FIRST: To the payment of all necessary and reasonable Maintenance and  
1285 Operating Expenses of the Waterworks and Sewer System, and expenses required  
1286 by statute to be a first charge on and claim against its Gross Revenues.

1287  
1288 SECOND: To the payment of the amounts required to be deposited in the  
1289 special funds or accounts created for the payment and security of the Priority Lien  
1290 Obligations in accordance with the provisions of the ordinances authorizing the  
1291 issuance of the Priority Lien Obligations.

1292  
1293 THIRD: On a pro rata basis, to the payment of the amounts required to be  
1294 deposited in the Note Payment Fund, the Direct Purchase Payment Fund, and the  
1295 debt service payment funds established for the Taxable Program Notes, to the  
1296 extent, with respect to amounts required to be deposited in the Note Payment Fund,  
1297 the principal of and interest on the Commercial Paper Notes, as the same becomes  
1298 due and payable, are not paid with Advances, and for the payment of the principal  
1299 of and interest on Advances, if any.

1300  
1301 (c) Any Net Revenues remaining in the Electric Fund or the Water and  
1302 Sewer Fund after satisfying the priority payments, or making adequate and  
1303 sufficient provision for their payment, and after paying all other amounts due under  
1304 the Revolving Credit Agreement, the Note Purchase Agreement and the Fee Letter,  
1305 may be appropriated and used for any other City purpose permitted by law.

1306  
1307 SECTION 27: **BONDS.** The City hereby acknowledges that the Program  
1308 Notes are being issued as bond anticipation notes, and the City in good faith shall  
1309 endeavor to sell a sufficient principal amount of Bonds in order to have funds  
1310 available, together with other available moneys, to pay the principal and interest on  
1311 the Program Notes, or any renewals of the Program Notes (including the Bank  
1312 Note), as the same shall become due, and any other amounts due under the  
1313 Agreement, the Note Purchase Agreement and the Fee Letter. The City does not

reasonably expect to pay the principal and interest on the Program Notes (including the Bank Note) with Pledged Revenues.

**SECTION 28: COMPLIANCE WITH PRIORITY LIEN OBLIGATION ORDINANCES AND OTHER DOCUMENTS.** The City will comply with the terms and provisions of the ordinances authorizing the Priority Lien Obligations, and any other ordinance or contract to which the City is a party, the non-compliance with which would materially adversely affect the ability of the City to make payments on the Program Notes and the Bank Note when due.

**SECTION 29: PROGRAM NOTES TO REMAIN TAX EXEMPT.** The City covenants to take any action to assure, or refrain from any action which would adversely affect, the treatment of the Program Notes as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation if the Program Notes are designated by the City as "tax exempt", and further covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Program Notes or the projects financed with these proceeds (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether received by the City, with respect to the private business use, do not, under the terms of the Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Program Notes, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) exceeds 5 percent of the proceeds of the Program Notes or the projects financed with these proceeds (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Program Notes (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Program Notes being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Program Notes being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any proceeds of the Program Notes, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire "investment property" (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Program Notes, other than investment property acquired with --

(1) proceeds of Program Notes invested for a reasonable temporary period until the proceeds are needed for the purpose for which the obligations are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent the amounts do not exceed 10 percent of the proceeds of the Program Notes;

(g) to otherwise restrict the use of the proceeds of the Program Notes or amounts treated as proceeds of the Program Notes, as may be necessary, so that the Program Notes do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Program Notes) an amount that is at least equal to 90 percent of the "Excess Earnings", within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Program Notes have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(i) to refrain from using the proceeds of the Program Notes or the proceeds of any prior obligations to pay debt service on another issue more than ninety (90) days after the issuance of the Program Notes in contravention of section 149(d) of the Code (relating to advance refundings); and

1396  
1397 (j) to timely file the information required by section 149(e) of the Code  
1398 with the Secretary of the Treasury on the forms, at the places and in the manner as  
1399 may be prescribed by law.

1400  
1401 The City represents and covenants that it will not expend, or permit to be  
1402 expended, the proceeds of any Program Notes in any manner inconsistent with its  
1403 reasonable expectations as certified in a federal tax certificate to be executed from  
1404 time to time with respect to the Program Notes; provided, however, that the City  
1405 may expend Program Note proceeds in any manner if the City first obtains an  
1406 unqualified opinion of Bond Counsel that the expenditure will not impair the  
1407 exemption from federal income taxation of interest paid on the Program Notes.  
1408 The City represents that it has not been notified of any listing or proposed listing  
1409 by the Internal Revenue Service to the effect that it is an issuer whose arbitrage  
1410 certifications may not be relied upon.

1411  
1412 The City understands that the term "proceeds" includes "disposition  
1413 proceeds" as defined in the Regulations and, in the case of a refunding bond,  
1414 transferred proceeds (if any) and proceeds of the refunded bonds expended prior to  
1415 the date of the issuance of the Program Notes. It is the understanding of the City  
1416 that the covenants contained in this Section are intended to assure compliance with  
1417 the Code and any regulations or rulings promulgated by the U.S. Department of the  
1418 Treasury pursuant to the Code. In the event that regulations or rulings are  
1419 promulgated which modify or expand provisions of the Code, as applicable to the  
1420 Program Notes, the City will not be required to comply with any covenant  
1421 contained in this Section to the extent that a failure to comply, in the opinion of  
1422 Bond Counsel, will not adversely affect the exemption from federal income  
1423 taxation of interest on the Program Notes under section 103 of the Code. In the  
1424 event that regulations or rulings are promulgated which impose additional  
1425 requirements applicable to the Program Notes, the City agrees to comply with the  
1426 additional requirements to the extent necessary, in the opinion of Bond Counsel, to  
1427 preserve the exemption from federal income taxation of interest on the Program  
1428 Notes under section 103 of the Code. Council hereby authorizes the Mayor, the  
1429 City Manager, the Chief Financial Officer of the City and the City Treasurer to  
1430 execute any documents, certificates or reports required by the Code, and to make  
1431 elections on behalf of the City which may be permitted by the Code as are  
1432 consistent with the purpose for the issuance of the Program Notes.

1433  
1434 In order to facilitate compliance with the above clause (h), a "Rebate Fund"  
1435 is established by the City for the sole benefit of the United States of America, and  
1436 the Rebate Fund shall not be subject to the claim of any other person, including

without limitation the Holders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

**SECTION 30: ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR ELIGIBLE PROJECTS.** The City covenants to account for on its books and records the expenditure of proceeds from the sale of the Program Notes and any investment earnings earned by the investment of the proceeds to be used for Eligible Projects by allocating proceeds to expenditures within eighteen (18) months of the later of the date that (a) the expenditure on a Eligible Project is made or (b) each Eligible Project is completed. The foregoing notwithstanding, the City shall not expend proceeds or investment earnings more than sixty (60) days after the later of (a) the fifth anniversary of the date of delivery of the Program Notes or (b) the date the Program Notes are retired, unless the City obtains an opinion of Bond Counsel substantially to the effect that the expenditure will not adversely affect the tax-exempt status of the Program Notes. The City shall not be obligated to comply with this covenant if it obtains an opinion of Bond Counsel to the effect that a failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**SECTION 31: DISPOSITION OF ELIGIBLE PROJECTS.** The City covenants that the property constituting an Eligible Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of Bond Counsel substantially to the effect that the sale or other disposition will not adversely affect the tax-exempt status of the Program Notes. Personal property disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of Bond Counsel to the effect that a failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**SECTION 32: ONGOING CONTINUING DISCLOSURE COVENANT.** To the extent required by the provisions of Rule 15c2-12 (Rule) promulgated by the U.S. Securities and Exchange Commission, the City agrees to enter into an agreement to file financial information and operating data with respect to the Commercial Paper Notes with the Electronic Municipal Marketplace Access (EMMA) system administered by the MSRB. The City agrees to provide the Bank a written copy of the City's continuing disclosure undertaking filings in connection with its Separate Lien Obligations that it files with the MSRB.

**SECTION 33: EVENTS OF DEFAULT.** If one or more of the following events shall occur:

1483  
1484 (b) an “Event of Default” shall have occurred and be continuing under the  
1485 Revolving Credit Agreement;

1486  
1487 (c) (i) an “Event of Default” as defined in the Taxable Agreement shall  
1488 have occurred and be continuing under the Taxable Agreement; or (ii) an “Event of  
1489 Default” as defined in the Taxable Note Purchase Agreement shall have occurred  
1490 and be continuing under the Taxable Note Purchase Agreement;

1491  
1492 (d) an “Event of Default” shall have occurred and be continuing under the  
1493 Note Purchase Agreement and notice, if required under the terms of the Note  
1494 Purchase Agreement, of the event shall have been furnished to the City by the  
1495 Bank;

1496  
1497 (e) if default by the City in the performance or observance of any other of  
1498 the covenants, agreements or conditions on its part in the Ordinance or in the  
1499 Commercial Paper Notes occurs, and the default shall continue for a period of sixty  
1500 (60) days after written notice has been received by the City from the Bank, a  
1501 Holder of the Program Notes, the Dealer or the Issuing and Paying Agent;  
1502 provided, however, if the default cannot be cured within the sixty (60) day period  
1503 but corrective action to cure the default is commenced and diligently pursued by  
1504 the City until the default is corrected, the default shall not be an Event of Default;  
1505 and provided, further, that so long as the Agreement is in effect and the Bank has

1507 under the Agreement, no Event of Default shall be deemed to have occurred under  
1508 this clause (d) unless the notice provided above to the City has been consented to  
1509 in writing by the Bank;

1510  
1511 (f) if there shall occur the dissolution (without a successor being named  
1512 to assume the rights and obligations) or liquidation of the City or the filing by the  
1513 City of a voluntary petition in bankruptcy, or adjudication of the City as a  
1514 bankrupt, or assignment by the City for the benefit of its creditors, or the entry by  
1515 the City into an agreement of composition with its creditors, or the approval by a  
1516 court of competent jurisdiction of a petition applicable to the City in any  
1517 proceeding for the adjustment of its debts instituted under the provisions of the  
1518 Bankruptcy Code, as amended, or under any similar act in any jurisdiction which  
1519 may is in effect or enacted; or

(g) if an order or decree shall be entered, with the consent or acquiescence of the City, appointing a receiver or receivers of the Systems, or any part of the Systems, or of the rents, fees, charges or other revenues of the Systems, or if an order or decree, having been entered without the consent or acquiescence of the City shall not be vacated or discharged or stayed within ninety (90) days of its entry;

then any event described above is an "Event of Default" under the Ordinance.

**SECTION 34: SUITS AT LAW OR IN EQUITY AND MANDAMUS.**

In case any Event of Default occurs, then the Bank and the Holder of any Program Note at the time outstanding, is entitled to proceed to protect and enforce its rights by appropriate judicial proceeding as the Holder or the Bank, respectively, determines most effectual to protect and enforce its rights, either by suit in equity or by action at law, whether for the specific performance of any covenant or agreement contained in the Ordinance, or in aid of the exercise of any power granted in the Ordinance, or to enforce any other legal or equitable right vested in the Holders of any Program Notes by the Ordinance or the Program Notes or by law. 1609 conditions with respect to their payment;  
1610

1612 less than all of the outstanding Program Notes; or  
1613
- 1614 (F) Reduce or restrict the pledge made pursuant to **Section 19** for  
1615 payment of the Program Notes or the Bank Note;  
1616

1617 and provided, further, that no change, modification or amendment shall be made in  
1618 the Ordinance or become valid and effective (i) without the approval of the change,  
1619 modification or amendment by the Attorney General of the State of Texas, to the  
1620 extent required by the Act, and (ii) without the prior written consent of the Bank  
1621 (which, in the case of an amendment authorizing an increase in the principal  
1622 amount of Program Notes at any one time outstanding, shall mean the written  
1623 consent of the Bank providing, as of the effective date of the authority to issue  
1624 additional Program Notes in excess of the maximum principal amount of Program  
1625 Notes then authorized at any one time to be outstanding, the liquidity or credit
