External Email - Exercise Caution

Kalan,

As a longtime Austinite and former president of Preservation Austin, I ask that the Historic Landmark Commission NOT release a demolition permit for 2307 Windsor Road #2 (Case No. GF-24-030562). Instead, it would be desirable to initiate historic zoning or invoke a 180-day demolition delay to allow for further research or for potential purchase by a sympathetic buyer.

This house is a contributing structure to the Old West Austin National Register Historic District, is original to the lot, and is a unique example of Mid-Century Modern architecture, the only one of its kind listed in the Old West Austin National Register Historic District.

Please allow Austinites the opportunity to celebrate their heritage by preserving this structure.

With gratitude for your consideration,

Courtney Read Hoffman
