

The Millenium

ARCDC Board

Community Engagement Workgroup

5.3.24

Overview

- Engagement Approach | Tiger Teams
- Work Sessions
- Learnings
- Now & Next

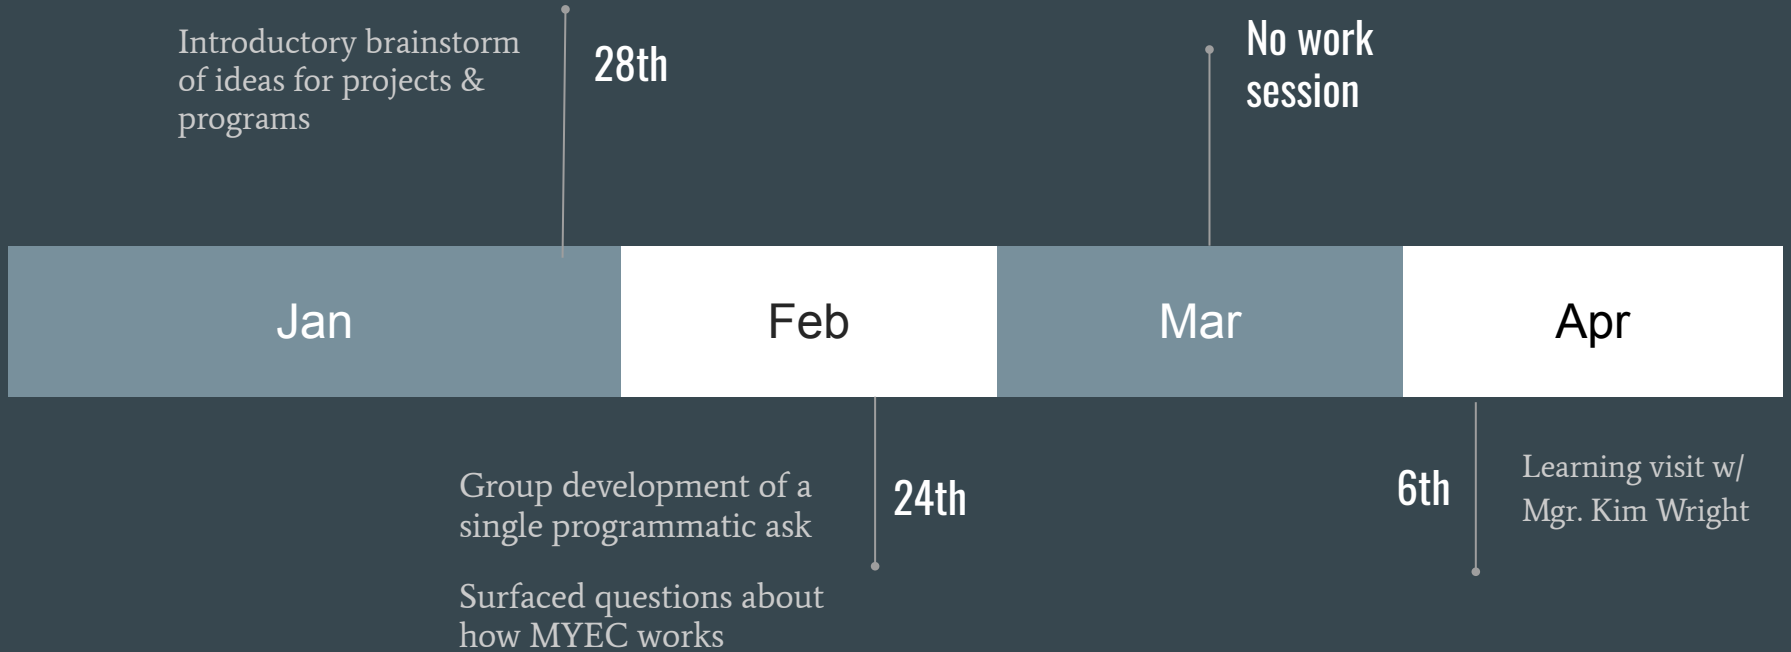

Community Micro-engagement

Approach for
sustained learning &
contributions

Tiger Teams

- Mixed skill teams mobilized to investigate specific or critical issues

Q1 Community “Tiger Team”

Community Engagement

Mobilizing invested members to
learn & explore

Feb 24th

- How does the community partner with MYEC to develop & deliver programming?
 - What perceived levers & barriers exist?
 - What network connections can community members activate to support project/program success?
 - **How does MYEC work?**
-

Community Engagement

Q1 Learnings

- Ad hoc programs, projects, events require external staffing.
 - Revenue allows for ASM Global contributions to competitive salaries.
 - Revenue impacted by closures is not recouped.
 - Additional funding is needed for competitive salaries and to expand offerings and increase impact.
-

> Millennium | Now & Next

Community Engagement

Actions to explore

- Skilled Board support for grant research & writing
 - ASM monthly reporting on reinvestment of revenue
 - Petitioning Council for community partnership funding
-
