MY ATX WATER

Austin's Smart Metering System

Austin
WATER

Citywide Implementation

- 100% Data Collection Units installed & operational
- 210,558 of 250,000 meters exchanged

Quality Assurance & Meter to Bill Process

- Quality control is integral to project success.
 - Each meter is tested by manufacturer for accuracy before delivery.
 - Austin Water conducts additional tests on representative sample to validate accurate registered readings.
- Each meter undergoes 10-step certification process after installation.
- Manual and electronic reads are conducted simultaneously through two billing cycles before switching to fully electronic reads.

A photograph of two men in work attire working on a water meter outdoors. The man on the right, wearing a grey shirt and blue jeans, is kneeling and using a purple-gloved hand to hold a brass water meter. The man on the left, wearing a light blue shirt and blue jeans, is kneeling and looking at the meter. They are surrounded by green grass and foliage. The text "COMMUNICATIONS, CUSTOMER INTERACTIONS AND BENEFITS" is overlaid in large white letters across the center of the image.

COMMUNICATIONS, CUSTOMER INTERACTIONS AND BENEFITS

Communications

- Since launching in 2020, AWW has sent **over 4.5M portal communications**
 - drought and water conservation education, water quality report, emergency and planned shutouts, potential water pressure changes, customer surveys, and more.
- Weekly install and portal recruitment **email open rate at ~70%** (above industry average).
- Proactive communication with Downtown customers to encourage them to schedule install appointments
- Upcoming communications on the horizon are the Water Quality Report, water conservation including encouragement to customize their home water profile, budget, and rates.

Customer Interactions

- 💧 **123,599 Bill Forecast Notifications**

- In the past 12 months, nearly 40% billed at or lower volume than forecast, resulting in an estimated 32MG of water savings

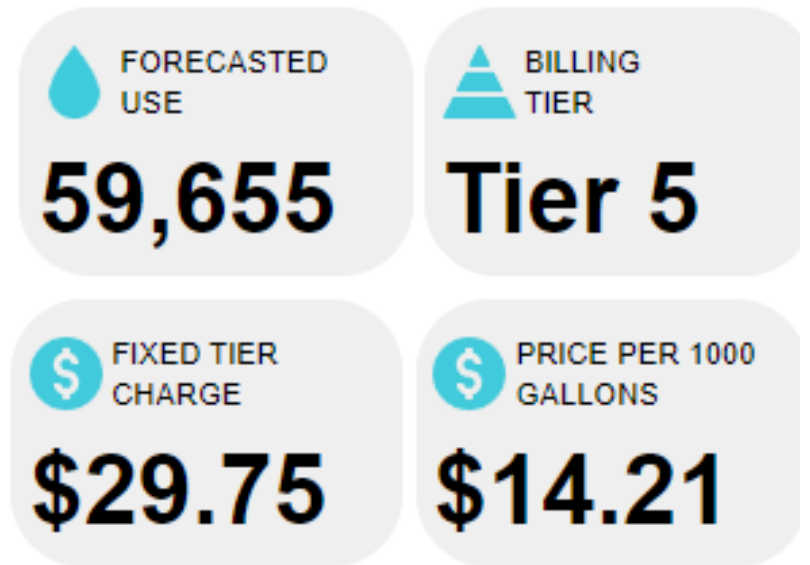

- 💧 **159,576 Continuous Usage Alerts**

- 💧 **19,185 customer conversations since 2021**

Main topics are:

- identifying leaks/response to continuous usage alerts
- Interpreting consumption data

- 💧 **AW and COA Utilities have not experienced an increase in billing complaints and no backlog of open billing cases**

**720
Million
Gallons**
estimated water
savings through

1

Locate your account number.

You can find this either on your utilities bill or call COA Utilities Customer Care 512-494-9400

Utility News

Bill Cycle 06

Read Dates

Next meter read date will be on or about 11/5/2019.

Keep water use low this fall/winter & save year-round! Your wastewater averaging period is (12-05-2019 to 03-05-2020) and sets a cap on the volume of wastewater you will be billed each month for the next year. Visit AustinWater.org for more info.

Receiving benefits from a government assistance program? You may qualify for utility bill payment assistance. Call 512-494-9400.

Do you have too many recyclables and very little trash? Did you know you can request an additional recycling cart at no cost and downsize your trash cart to save money? Call 512-494-9400 to request carts.

The City of Austin is now in Conservation Stage water restrictions. This means more flexibility in watering schedules and car washing at home. To find your watering day and get all the facts on Conservation Stage, visit WaterWiseAustin.org.

Outstanding utility bill balance? Set up monthly payment arrangements to keep your account in good standing. Call 512-494-9400 and a Customer Service Representative will assist you.

2

Type your **account number**
and **zip code** into this website:
austintx.watersmart.com

The screenshot shows the 'My ATX Water' website interface. At the top, there is a logo for 'My ATX Water' and a language selector set to 'English'. A 'Log in' button is located in the top right corner. The main content area has a dark blue background. On the left, a white box contains the text 'Welcome' and 'Look up your account to explore your water use. It's free, and it only takes a minute.' On the right, there are two input fields labeled 'Account number' and 'Zip code'. Below these is a blue button labeled 'Find my account'. Underneath that is the text 'OR' and another 'Log in' button. At the bottom of the page, there is a section titled 'I want to...' with a button that has a credit card icon and the text 'Pay my bill'.

As a master plumber I didn't know what to think about the new electronic meters. Y'all alerted me this morning that I had a leak at my house. I went out and sure enough my irrigation box is full of water. That usually could've gone on for months. Y'all have a real winner with that system.
