

RESOLUTION NO. 20240502-090

WHEREAS, the State and Local Cybersecurity Grant Program is administered by the Office of the Governor's Public Safety Office (PSO), with funding from the Cybersecurity and Infrastructure Security Administration, an agency of the U.S. Department of Homeland Security; and

WHEREAS, the City's Information Security Office has submitted a grant proposal to the PSO for the project period October 1, 2024, through August 31, 2025, and seeks Council's ratification of the proposal as allowed by the PSO; and

WHEREAS, if funds are awarded, the funding, including the City's required matching funds, will be included in the Information Security Office's proposed Fiscal Year 2025 Operating Budget; **NOW, THEREFORE,**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

Council authorizes and ratifies the City Manager's submission of a grant proposal totaling \$846,337 to the State of Texas, Office of the Governor, Public Safety Office, State and Local Cybersecurity Grants Program. The proposal is for the Network Threat Management project, a project to fortify citywide network infrastructure through implementing robust network detection and response capabilities.

BE IT FURTHER RESOLVED:

Council authorizes and ratifies a commitment to provide the grant proposal's ten percent funding match required of the City as well as an assurance that all funds will be returned to the PSO in the event of loss or misuse of grant funds.

BE IT FURTHER RESOLVED:

Council designates the Chief Information Security Officer as the authorized official to apply for, accept, reject, alter, or terminate this grant.
