

**CITY OF AUSTIN
CITIZEN PARTICIPATION PLAN**

A. PURPOSE

Participating Jurisdictions (PJs) that receive U.S. Department of Housing and Urban Development (HUD) entitlement grant funds must develop a Citizen Participation Plan (CPP). The CPP describes efforts that will be undertaken to encourage community members to participate in the development of the City’s federal reports: Assessment of Fair Housing (AFH), Consolidated Plan, Annual Action Plan, and the Consolidated Annual Performance and Evaluation Report (CAPER).

The CPP is designed to encourage the participation of city residents in the development of the federal reports listed above, particularly those residents who are predominantly low- and moderate-income. For purposes of CDBG funding, a resident is considered to be low-income if their family income equals 50% or less of median family income (MFI), as estimated by HUD. A person is considered to be moderate-income if their family income is between 50% and 80% of MFI. Predominately low-to moderate-income neighborhoods are defined as any neighborhood where at least 51% of the residents have incomes equal to or below 80% of the MFI for any given year. The determination of whether a neighborhood meets the low-to moderate income definition is made by the City at the time a project of area-wide benefit is funded based on current data provided by HUD. The CPP also encourages local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations) to participate in the process of developing and implementing the Consolidated Plan and related reports. The City takes appropriate actions to encourage the participation of persons of minority backgrounds, persons with limited-English proficiency, and persons with disabilities.

It is important to note that HUD’s use of the statutory term “citizen participation” does not in any way limit engagement and consultation with community members based on legal status or country of origin. Any person that resides in the Austin metro area is encouraged to provide input about the federal reporting process as outlined in this CPP.

The City of Austin is committed to compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, as amended. Reasonable modifications and equal access to communications will be provided upon request. The City of Austin does not discriminate on the basis of disability in the admission or access to, or treatment or employment in its programs and activities.

The City of Austin considers it the right of all Austin’s residents to have the opportunity to provide input and comment on the use of public funds and the community’s needs related to affordable housing and community and economic development.

The CPP applies to six areas of planning for the use of affordable housing, community and economic development made possible through HUD funding:

- 1) Assessment of Fair Housing (AFH);
- 2) The Consolidated Plan;
- 3) The Annual Action Plan;
- 4) The Consolidated Annual Performance and Evaluation Report (CAPER);
- 5) Substantial amendments to a Consolidated Plan and/or Annual Action Plan; and
- 6) Amendments to the CPP.

The City of Austin's program/fiscal year begins October 1 and ends September 30. In order to receive entitlement grant funding, HUD requires jurisdictions to submit a Consolidated Plan every five years. This plan is a comprehensive strategic plan for community planning and development activities. The Annual Action Plan serves as the City's application for these HUD grant programs. Federal law also requires that community members have opportunities to review and comment on the local jurisdiction's plans to allocate these funds.

The purpose of programs that are covered by this CPP is to improve the Austin community by providing: decent housing, a suitable living environment, and growing economic opportunities – all principally for low- and moderate- income households (as defined in Section A).

This document outlines how members of the Austin community may participate in the six planning areas listed above. General requirements for all or most activities are described in detail in Section E of the CPP.

B. HUD PROGRAMS

The City of Austin receives four entitlement grants from HUD, to help address the City's affordable housing, community and economic development needs. The four grant programs are described below:

1. ***Community Development Block Grant Program (CDBG)***: Title I of the Housing and Community Development Act of 1974 (PL 93-383) created the CDBG program. It was reauthorized in 1990 as part of the Cranston-Gonzalez National Affordable Housing Act. The primary objective of the CDBG program is to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic development opportunities for persons of low- and moderate income. The City develops locally defined programs and funding priorities for CDBG, but activities must address one or more of the national objectives of the CDBG program. The three national objectives are: (1) to benefit low- and moderate- income persons; (2) to aid in the prevention or elimination of slums or blight; and/or (3) to meet other urgent community development needs. The City of Austin's

CDBG program emphasizes activities that directly benefit low-and moderate-income persons.

2. **HOME Investment Partnerships Program (HOME):** HOME was introduced in the Cranston-Gonzalez National Affordable Housing Act of 1990 and provides funding for housing rehabilitation, new housing construction, acquisition of affordable housing, and tenant-based rental assistance. A portion of the funds (15 percent) must be set aside for community housing development organizations (CHDOs) that are certified by the City of Austin.
3. **Emergency Solutions Grant (ESG):** The ESG Program is authorized by the Steward B. McKinney Homeless Assistance Act of 1987 and was amended by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009. ESG has six objectives: 1) Engage homeless individuals and families living on the street; 2) Improve the number and quality of emergency shelters for homeless individuals and families; 3) Help operate these shelters; 4) Provide essential services to shelter residents; 5) Rapidly re-house homeless individuals and families; and 6) Prevent families and individuals from becoming homeless.
4. **Housing Opportunities for Persons with AIDS (HOPWA):** HOPWA funds may be used to assist housing designed to meet the needs of persons with HIV/AIDS, including the prevention of homelessness. Supportive services may also be included. HOPWA grants are allocated to Eligible Metropolitan Statistical Areas (EMSAs) with a high incidence of HIV/AIDS. The City of Austin receives a HOPWA grant on behalf of a five-county EMSA (Bastrop, Hays, Travis, Williamson, and Caldwell Counties).

C. LEAD and RESPONSIBLE AGENCIES

The Housing Department is designated by the Austin City Council as the single point of contact for HUD, and is the lead agency for CDBG, HOME, HOPWA, and ESG grant programs. The Housing Department administers the CDBG affordable housing and community development programs and the HOME programs; Austin Public Health (APH) administers the CDBG Public Services, HOPWA, and ESG programs; and the Economic Development Department (EDD) administers the CDBG economic development programs and the Section 108 Family Business Loan Program (FBLP).

As the lead agency, the Housing Department is responsible for developing the Consolidated, Annual Action Plans, and the Consolidated Annual Performance and Evaluation Report (CAPER). The Housing Department coordinates with APH, EDD, boards and commissions, and other community agencies to develop these documents. Needs and priorities for funding for the ESG and HOPWA grants are developed by APH in consultation with community agencies.

D. PLANNING ACTIVITIES SUBJECT TO CITIZEN PARTICIPATION PLAN

ACTIVITY 1 – ASSESSMENT OF FAIR HOUSING. The Assessment of Fair Housing (AFH) is a planning document prepared in accordance with HUD regulations at 24 CFR 91.105 and 24 CFR 5.150 through 5.166, which became effective June 30, 2015. This AFH includes an analysis of fair housing data, assesses fair housing issues and contributing factors, and identifies the City’s fair housing priorities and goals for affirmatively furthering fair housing.

1. **Stakeholder Consultation and Outreach.** In the development of the AFH, the City will consult with other public and private agencies including, but not limited to, the following:
 - Local public housing authorities
 - Other assisted housing providers
 - Social service providers including those focusing on services to minorities, families with children, the elderly, persons with disabilities, persons with HIV/AIDS and their families, homeless persons, and other protected classes
 - Community-based and regionally based organizations that represent protected class members and organizations that enforce fair housing laws
 - Regional government agencies involved in metropolitan-wide planning and transportation responsibilities
 - Financial and lending sector partners
 - Businesses or organizations that specialize in broadband access, especially for low-to moderate-income households
 - Organizations that specialize in resilience and disaster recovery
 - Individual contributors

A variety of mechanisms may be utilized to solicit input from these entities. These could include telephone or personal interviews, mail surveys, internet-based feedback and surveys, focus groups, and/or consultation workshops.

2. **Publishing Data.** City staff shall make any proposed analysis and the relevant documents, including the HUD-provided data and any other data to be included in the AFH, available to the public in a manner that affords diverse residents and others the opportunity to examine the content.
3. **Public Hearing.** To obtain the views of the general public on AFH-related data and affirmatively furthering fair housing in the City’s housing and community development programs, the City will conduct at least one public hearing before the Community Development Commission (CDC) during the development of the AFH.
4. **Public Display and Comment Period.** The draft AFH will be placed on display in physical and online form for a period of no less than 30 calendar days to encourage public review and comment. The public notice shall include a brief summary of the content and purpose of the draft AFH, the dates of the public display and comment period, the locations where copies of the proposed document can be examined, how comments will be accepted, and the anticipated submission date to HUD. The draft AFH will be made available at public libraries, public housing

authorities, neighborhood centers, at Housing's office, and on the Housing web site (www.austintexas.gov/housing). In addition, upon request, federal reports will be provided in a form accessible to persons with disabilities.

5. **Comments Received on the Draft Assessment of Fair Housing.** Comments will be accepted by the City contact person, or a designee, during the 30-day public comment period. The City will consider any comments or views received in writing, or orally during public hearings. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons why, will be attached to the final AFH for submission to HUD.
6. **Submission to HUD.** All written or oral testimony will be considered in preparation of the final AFH. The AFH will be submitted to HUD 270 days before the Consolidated Plan is due.
7. **Revisions to AFH.** A HUD-accepted AFH must be revised and submitted to HUD for review when either of the following situations occurs:
 - a. A material change occurs. A material change is one that both;
 - i) impacts the circumstances in the City which may include natural disasters, significant demographic changes, new significant contributing factors, and civil rights findings and,
 - ii) causes alterations to the AFH's analyses, contributing factors, priorities, and/or goals.
 - b. The City receives a written notification from HUD specifying a material change.

Whenever a revision to the Assessment of Fair Housing is proposed, the revision will be available for public comment for a period of thirty (30) days before submission to HUD. A revision to the Assessment of Fair Housing will not be implemented until the conclusion of the 30-day public comment period. A summary of all comments or views received in writing, or orally during the comment period will be attached to the revision upon submission to HUD.

ACTIVITY 2 – CONSOLIDATED PLAN. The City of Austin's Consolidated Plan is developed through a collaborative process whereby the community establishes a unified vision for Austin's affordable housing, and community and economic development initiatives.

Community member participation is an essential component in the development of the Consolidated Plan, including amending the plan as well as reporting on program performance. Consultations, public hearings, community meetings, surveys and opportunities to provide written comment are all a part of the strategy to obtain community member input. The City will make special efforts to solicit the views of community members who reside in the designated CDBG-priority neighborhoods of Austin, and to encourage the participation of all community members including minorities, the non-English speaking population, and persons with disabilities. Actions for public participation in the Consolidated Plan follow:

1. **Consultations with Other Community Institutions.** In developing the Consolidated Plan, the City will consult with public and private agencies, both for-profit and non-profits that either provide or have direct impact on the broad range of housing, health, and social services needed by Austin residents. Consultations may take place through meetings, task forces or committees, or other means with which to coordinate information and facilitate communication. The purpose of these meetings is to gather information and data on the community and economic development needs of the community. The City will seek specific input to identify the needs of persons experiencing

homelessness, persons living with HIV/AIDS and their families, persons with disabilities and other special populations.

2. **Utilize Quantitative and Qualitative Data on Community Needs.** City staff shall review relevant data and conduct necessary evaluation and analysis to provide an accurate assessment of community needs and priorities on which to base strategic recommendations.
3. **Initial Public Hearings.** There will be a minimum of two public hearings at the beginning stages of the development of the Consolidated Plan before the Community Development Commission (CDC) in order to gather information on community needs from community members. The CDC are policy advisers to the City who are either appointed by the City Council or elected at the neighborhood-level to represent low-income households. There will be two more hearings sponsored by organizations working with low- and moderate-income populations. An additional hearing will be held before the City Council. Based on public testimony received, the CDC will make recommendations to City Council on the community needs.
4. **Written Comments.** Based on public input and quantitative analysis, City staff will prepare a draft Consolidated Plan, which includes proposed allocations of first-year funding. A period of 30 calendar days will be provided to receive written comments on the draft Consolidated Plan. The draft plan will be made available at public libraries, public housing authorities, neighborhood centers, at the Housing Department's office, and on the Housing Department web site (www.austintexas.gov/housing). In addition, upon request, federal reports will be provided in a form accessible to persons with disabilities.
5. **Draft Consolidated Plan Public Hearings.** There will be a public hearing held before the City Council to receive oral public comments on the draft. An additional hearing will be held before the Community Development Commission (CDC). These hearings will be scheduled during the 30- day written comment period on the draft plan. The CDC will be given the opportunity to make recommendations to Council on the draft Consolidated Plan/Action Plan.
6. **Final Action on the Consolidated Plan.** All written or oral testimony provided will be considered in preparing the final Consolidated Plan. A summary of testimony received, and the City's reasons for accepting or not accepting the comments must be included in the final document. The City Council will consider these comments, CDC recommendations, and the recommendations of the City Manager before taking final action on the Consolidated Plan. Final action by the City Council will occur no sooner than fifteen calendar days following the second City Council public hearing on the draft plan. When approved by City Council, the Consolidated Plan will be submitted to HUD by no later than August 15 each year.

ACTIVITY 3 – ONE-YEAR ACTION PLAN. Each year the City must submit an annual Action Plan to HUD, reporting on how that year’s funding allocation for the four HUD entitlement grants will be used to achieve the goals outlined in the Consolidated Plan.

1. City staff will gather input from community members and from community consultations to prepare the draft Action Plan and report progress on the Fair Housing Action Plan. There shall be two public hearings: one before the Community Development Commission (CDC) and one before the City Council to receive community member input on the community needs, including funding allocations.
2. City staff will gather public input and statistical data to prepare the draft Action Plan. A draft Action Plan will be available for 30 days for public comment after reasonable notice to the public is given.
3. During this comment period, the CDC and the City Council shall conduct two additional public hearings to receive public comments on the draft Action Plan and Consolidated Plan, if it is during a Consolidated Planning year.
4. The CDC will be given the opportunity to make recommendations to the City Council prior to its final action.
5. Final action by the City Council will occur no sooner than fifteen calendar days following the second Council public hearing on the draft Action Plan.
6. When approved by City Council, the Action Plan will be submitted to HUD.

ACTIVITY 4 – SUBSTANTIAL AMENDMENTS TO CONSOLIDATED/ACTION PLAN. Recognizing that changes during the year may be necessary to the Consolidated Plan and Annual Action Plan after approval, the Citizen Participation Plan allows for “substantial amendments” to plans. These “substantial amendments” apply only to changes in CDBG funding allocations. Changes in funding allocation for other HUD grant programs received by the City of Austin – HOME, ESG, and HOPWA – are not required to secure public review and comment. The CPP defines a substantial amendment as:

- A proposed use of CDBG funds that does not address a need identified in the governing Consolidated Plan or annual Action Plan; or
- A change in the use of CDBG funds from one eligible program to another. The eligible programs defined in the City of Austin’s investment plan either fall into the category of “Housing” or “Community Development.”
- A cumulative change in the use of CDBG funds from an eligible activity to another eligible activity that decreases an activity’s funding by 20% or more OR increases an activity’s funding by 20% or more during fiscal year. An activity is defined as a high priority need identified in the Consolidated Plan that is eligible for funding in the Action Plan.

In the event that there are substantial amendments to the governing Consolidated Plan or annual Action Plan:

1. The City will draft the amendment and publish a brief summary of the proposed substantial amendment(s) and identify where the amendment(s) may be viewed
2. After reasonable notice, there will be a 30-day written public comment period
3. During the 30-day comment period, the City Council shall receive oral comments in public hearings.
4. The CDC will be given the opportunity to make recommendations to City Council prior to its final action.
5. Upon approval by Council, the substantial amendment will be posted in the official City Council minutes and available online and in the City Clerk's office. Final action by the City Council will occur no sooner than fifteen calendar days next following the second Council public hearing on the draft plan.

Disaster Response and Recovery Funds

In the event of a declared city-wide, state-wide or national emergency (as proclaimed by the Mayor, Governor, or President of the United States), it may be necessary for the City to apply for new emergency grant funding from HUD, such as CDBG-Disaster Recovery grants, or any other grants issued to jurisdictions in the event of a disaster which requires an urgent response to address the needs of the community. In order to expedite the distribution of emergency funding during a disaster response situation the City Council, City Manager, or HUD may determine it is necessary to waive certain substantial amendment provisions described in Section D, Activity 4 or certain General Requirements Provisions described in Section E. Any such waiver is subject to the requirements of the respective emergency funding appropriation.

HUD's criteria used to qualify local "urgent needs" e.g., events of "particular urgency" because existing conditions pose a serious and immediate threat to the health or welfare of the community for which other funding is not available can be found at 24 CFR 570.483(d). To comply with the national objective of meeting community development needs having a particular urgency, and that a project will alleviate existing conditions which:

1. Pose a serious and immediate threat to the health and welfare of the community;
2. Are of recent origin or recently became critical within 18 months preceding the certification by the grantee;
3. Are unable to be financed by the City on its own; and
4. Other funding resources are not available to completely carry out the activity.

In the event of a disaster that requires a response to address local urgent needs, the City will:

1. Notify HUD at least five (5) days before implementing changes or amendments to the Consolidated Plan and/or Action Plan; and
2. Make reasonable efforts to provide the public opportunity to comment on changes and amendments to the Consolidated Plan and/or Action Plan.

These actions do not require the City to comply with all of the substantial amendment provisions related to the citizen participation requirements described in Section D, Activity 4 or all of the General Requirements Provisions described in Section E.

HUD Waiver Process

Upon determination of good cause, HUD has the authority to waive certain regulatory provisions of the CDBG, HOME, ESG, and HOPWA programs subject to statutory limits. The City reserves the right to submit waiver notifications to HUD when expedited assistance is offered through programs covered by the Consolidated Plan. Following completion of a waiver process as determined by HUD, the City may carry through actions as prescribed by the approved waiver determinations authorized by HUD.

ACTIVITY 5 – CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER).

The City is required to submit annually by December 30 a CAPER to HUD that describes the City's progress in meeting the goals in the Consolidated Plan.

1. City staff prepares the draft CAPER.
2. After reasonable notice is provided, the CAPER is available for 15 days for written public comment.
3. The final CAPER and public comments will be submitted to HUD.
4. The CAPER and public comments will be presented at a CDC meeting.

ACTIVITY 6 – AMENDMENTS TO CITIZEN PARTICIPATION PLAN. The City will review the Citizen Participation Plan (CPP) at least every 5 years for potential enhancement or modification; this review will occur as a component of the Consolidated Planning process. In the event that changes to the CPP are necessary, City staff shall draft them.

1. After reasonable notice, these will be available to the public for 15 days for written comment.
2. The CDC and City Council shall each hold a public hearing to receive oral public comments on the proposed change.
3. The CDC will be given the opportunity to make recommendations to City Council prior to its final action.
4. Upon approval by City Council, the substantial amendment will be posted in the official City Council minutes and available online on the Housing Department web _ site (www.austintexas.gov/housing) and in the City Clerk's office.

5. **Technical Assistance.** The City will provide technical assistance upon request and to the extent resources are available to groups or individuals that need assistance in preparing funding proposals, provided that the level of technical assistance does not constitute a violation of federal or local rules or regulations. The provision of technical assistance does not involve re-assignment of City staff to the proposed project or group, or the use of City equipment, nor does technical assistance guarantee an award of funds.
