

MACC Pocket Park Project Update

- Location is now being referred to as MACC Pocket Park. [MACC Pocket Park | AustinTexas.gov](https://www.austintexas.gov/maacc-pocket-park)
- Temporary park improvements have been installed as of June 2024. The temporary activation features furniture donated by **CANVUS**. The furniture will be decorated with murals by ESB-MACC Caminos students in the fall of 2024.
- Temporary sign with a description of the future work will be installed soon.
- PARD Planning began the formal process of an alley vacation for the area between 64 Rainey and the ESB-MACC parking lot. The item is scheduled to go to Council at the July 18 meeting.
- AIPP approved re-creation of historic mural by Raul Valdez from MACC Phase 2 AIPP funds.
- City Council approved a contract with artist Raul Valdez to re-create his historic mural that was destroyed when the Juarez-Lincoln University was demolished. The mural will be featured full-scale in the park at 64 Rainey Street.
- No funds have been expended from Rainey Street Heritage fund.
