The Contractor agrees that the Contract shall be governed by the following terms and conditions.

1 GENERAL

1.1 TERM OF CONTRACT:

- A. The Contract shall commence upon execution unless otherwise specified and shall continue in effect until all obligations are performed in accordance with the Contract. Upon written notice to the Contractor from the City's Purchasing Officer or designee, unless specified otherwise in the Scope of Work, the Contract may be extended beyond the initial term at the City's sole option unless the Contractor is notified 30 days prior to the expiration. If the City exercises any extension option, all terms, conditions, and provisions of the Contract shall remain in effect for that extension period, subject only to any economic price adjustment otherwise allowed under the Contract.
- B. Upon expiration of the initial term or any period of extension, the Contractor agrees to holdover under the terms and conditions of this Contract for such a period as is reasonably necessary for the City to re-solicit and/or complete the Deliverables due under this Contract. Any holdover period will not exceed 180 calendar days unless mutually agreed on by both parties in writing.

1.2 INDEFINITE QUANTITY:

The quantities and/or services listed herein are estimates of the goods and services needed by the City for the period of the Contract. The City reserves the right to purchase more or less of these quantities and/or services as may be required during the Contract term. Quantities and/or services will be as needed and specified by the City for each order. Unless specified in the Contract, there are no minimum order quantities.

1.3 INVOICES:

- A. The Contractor shall submit separate Invoices for each Order after each delivery or on the schedule provided in the Contract. If partial shipments or deliveries are authorized by the City, a separate Invoice must be sent for each shipment or delivery made.
- B. Invoices shall be sent to the address on the Purchase Order of Delivery Order in the section entitled, "BILL TO". Proper Invoices must include a unique Invoice number, the purchase Order or delivery Order number, the master agreement number (if applicable), the Department's Name, and the name of the point of contact for the Department. Invoices shall be itemized according to pricing structure in the Contract. A copy of the bill of lading and the freight waybill, when applicable, shall be attached to the Invoice. The Contractor's name and, if applicable, the tax identification number on the Invoice must exactly match the information in the Vendor's registration with the City. Unless otherwise instructed in writing, the City may rely on the remittance address specified on the Contractor's Invoice. Invoices received without all required information cannot be processed and will be returned to the vendor.
- C. Invoices for labor shall include a tabulation of work-hours at the appropriate rates and grouped by work Order number. Time billed for labor shall be limited to hours actually worked.
- D. **Unless otherwise expressly authorized in the Contract, the Contractor shall pass through all Subcontracting and other authorized expenses at actual cost without markup.**
- E. Federal excise taxes, State taxes, or City sales taxes must not be included in the Invoiced amount. The City will furnish a tax exemption certificate upon request.

**CITY OF AUSTIN
STANDARD TERMS AND CONDITIONS
EXHIBIT A**

- B. If payment is not timely made, (per Paragraph A), interest shall accrue on the unpaid balance at the lesser of the rate specified in Texas Government Code §2251.025 or the maximum lawful rate; except, if payment is not timely made for a reason for which the City may withhold payment hereunder, interest shall not accrue until 10 calendar days after the grounds for withholding payment have been resolved.
- C. If partial shipments or deliveries are authorized by the City, the Contractor will be paid for the partial shipment or delivery, as stated above, provided that the Invoice matches the shipment or delivery.

The Contractor shall factor the cost of processing credit card payments into the Offer. There shall be no additional charges, surcharges, or penalties to the City for payments made by credit card.
- G. The awarding or continuation of this Contract is dependent upon the availability of funding. The City's payment obligations are payable only and solely from funds appropriated and available for this Contract. The absence of appropriated or other lawfully available funds shall render the Contract null and void to the extent funds are not appropriated or available and any Deliverables delivered but unpaid shall be returned to the Contractor. The City shall provide the Contractor written notice of the failure of the City to make an adequate appropriation for any fiscal year to pay the amounts due under the Contract, or the reduction of any appropriation to an amount insufficient to permit the City to pay its obligations under the Contract. In the event of inadequate appropriation of funds, there will be no penalty nor removal fees charged to the City. The City shall pay the Contractor, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of notice of non-appropriation.

- B. Records Retention:
 - i. Contractor is subject to City Code Chapter 2-11 (Records Management), and as it may subsequently be amended.

The City may request and review financial information as the City requires to determine the credit worthiness of the Contractor, including but not limited to, annual reports, audited financial Statements and reports, bank letters of credit or other credit instruments. Failure of the Contractor to comply with this requirement shall be grounds for terminating the Contract.

1.9 RIGHT TO ASSURANCE:

Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. If no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

1.10 STOP WORK NOTICE:

The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. 1.12 TERMINATION FOR CAUSE:

In the event of a default by either party, the non-defaulting party shall have the right to terminate the Contract for cause, by written notice effective ten 10 calendar days, unless otherwise specified, after the date of such notice, unless the defaulting party, within such 10 day period, cures such default, or provides evidence sufficient to prove to the non-defaulting party's reasonable satisfaction that such default does not, in fact, exist. Additionally, the City shall have the right to act in accordance with the terms defined by "City of Austin Purchasing Office Probation, Suspension and Debarment Rules for Vendors." In addition to any other remedy available under law or in equity, either party shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the party as a result of the Contractor's default, including, without limitation, cost of cover, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. All rights and remedies under the Contract are cumulative and not exclusive of any other right or remedy provided by law. In the event of termination of the Contract under this Section, the Contractor shall handover all complete and partially complete Work Products and Documentation developed under this Contract.

1.13 ATTORNEY'S FEES:

In consideration of the award and execution of this Contract and in consideration of the City's waiver of its right to attorney's fees, the Contractor knowingly and intentionally waives its right to attorney's fees under §271.153, Texas Local Government Code, in any administrative proceeding, alternative dispute resolution proceeding, or litigation arising out of or connected to this Contract.

The Contractor must assert its right to an adjustment within 30 calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution Clause. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

1.17 FORCE MAJEURE:

Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, the City may terminate an order under the Contract if it is determined by the City that the Contractor will not be able to deliver goods or services in a timely manner to meet the business needs of the City.

1.29 WAIVER:

The claim or right arising out of a breach of the Contract cannot be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

1.30 MODIFICATIONS:

The Contract can be modified or amended only in writing and signed by both parties. No pre-printed or similar terms on any Contractor Invoice, Order, clickwrap agreement or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

1.31 INTERPRETATION:

The Contract is intended by the parties as a final, complete and exclusive Statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

1.32 DISPUTE RESOLUTION:

- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this Section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to consider qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a Contract interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of

participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

1.33 JURISDICTION AND VENUE:

The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another State or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

1.34 INVALIDITY:

The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

1.35 HOLIDAYS:

Dates for the holidays observed by the City can be found here <https://www.austintexas.gov/department/official-city-holidays>

If a Legal Holiday falls on Saturday, it will be observed on the preceding Friday. If a Legal Holiday falls on Sunday, it will be observed on the following Monday.

1.36 SURVIVABILITY OF OBLIGATIONS:

All provisions of the Contract that impose continuing obligations on the parties, including but not limited to the warranty, indemnity, and confidentiality obligations of the parties, shall survive the expiration or termination of the Contract.

1.37 COOPERATIVE CONTRACT:

- A. The City has entered into Interlocal Purchasing Agreements with other governmental entities, for the purpose of accessing their cooperative contracts and making available our cooperative contracts, pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code. The Contractor agrees to offer the same prices and terms and conditions of this cooperative contract to other eligible governmental agencies that have entered into an interlocal agreement with the City for the purpose of accessing the City's cooperative contracts.
- B. The City does not accept any responsibility or liability for the purchases by other governmental entities made under a separate contract based on this cooperative contract.

1.38 EQUAL OPPORTUNITY:

- A. **Equal Employment Opportunity:** No Contractor, or Contractor's agent, shall engage in any discriminatory employment practice as defined in Chapter 5-4 of the City Code. No Offer submitted to the City shall be considered, nor any Purchase Order issued, or any Contract awarded by the City unless the Offeror has executed and filed with the City Purchasing Office a current Non-Discrimination

- B. **Non-Retaliation:** The Contractor agrees to prohibit retaliation, discharge or otherwise discrimination against any employee or applicant for employment who has inquired about, discussed or disclosed their compensation.
- C. **Americans with Disabilities Act (ADA) Compliance:** No Contractor, or Contractor's agent, shall engage in any discriminatory practice against individuals with disabilities as defined in the ADA, including but not limited to: employment, accessibility to goods and services, reasonable accommodations, and effective communications.

The Contractor shall pay all claims, costs, losses and damages attributable to the City's evaluation of and determination to accept such defective or non-conforming Deliverables or Services. If any such acceptance occurs prior to final payment, the City may deduct such amounts as are necessary to compensate the City for the diminished value of the defective or non-conforming Deliverables or Services. If the acceptance occurs after final payment, such amount will be refunded to the City by the Contractor within 30 calendar days of notification provided by the City.

2.3 GUARANTEE – SERVICES:

The Contractor warrants and represents that all services to be provided to the City under the Contract will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices following the terms, conditions, and covenants of the Contract, and all applicable Federal, State and local laws, rules or regulations.

All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within 30 calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this Section.

- C. If the Contractor is unable or unwilling to perform its services in accordance with the above standard as required by the City, then in addition to any other available remedy, the City may reduce the amount of services it may be required to purchase under the Contract from the Contractor and purchase conforming services from other sources. Optional Products & Services

<i>Deliverable</i>	<i>Price</i>
--------------------	--------------

Expedited Delivery

Standard Delivery is 20 business days from Client's approval of the final script, assuming all client milestones are met. Expedited Delivery is designed to tailor a production schedule to meet any deadline for which Standard Delivery will not be possible. A delivery commitment will be made upon execution of this SOW.

Hands On Production Process

This process includes the addition of a virtual meeting between Client and copywriter, a virtual meeting between Client and artist and/or creative director, and regularly scheduled Client check-in meetings with the project's producer. The Hands On Production process also includes an additional major review round for the sketches.

Agency Revision Plan

When working with an Agency and their client, it is expected that this additional layer will necessitate additional revision rounds over working directly with the client during the drawing phase of the project. This line item will provide revisions to the drawings for the Agency approvals on an as-needed basis.

Imagery Development Call

Conduct a virtual meeting between Client and artist and/or creative director in order for the artist and/or creative director to discuss any visual suggestions that the Client may have before the first drawings are prepared. In our experience, keeping the client suggestions as high level as possible allows the artist to take your suggestions into account while using their skill and experience to freely create imagery that enhances your message.

Script Writing

TruScribe will deliver a script written in accordance with target word count and messaging goals. The scriptwriting process will commence with a

creative discussion between Client and copywriter. The Client will be encouraged to pass on relevant assets and content from Client's existing materials as applicable. Next, the copywriter will produce a thorough Script Outline, subject to one round of review by Client. After the Client has had the opportunity to provide feedback, the Script Outline will be developed into a Draft Script, subject to one round of review by Client via Workshare comments and/or telephone. Feedback given by the Client after receipt of the Draft Script will be incorporated into a Final Draft. Upon approval of the Final Draft, the script will be sent to the voice talent and creative team for production. Additional review rounds are optional at \$100 per review round.

Script Assistance

TruScribe will be responsible for editing the script supplied by the Client. The process will include a creative kick-off call with the copywriter. The TruScribe copywriter will use this information to produce Script Version 2. Client will then provide feedback to Script Version 2 which will be used by the TruScribe copywriter to produce the Finalized Script. Additional edit rounds are available at \$100 per revision round.

Script Translation

TruScribe will consult with a professional translation service to translate the Approved Script to the desired language in a format needed for voice over recording. Client will review the translated script and incorporate any desired revisions into an approved translated script. This approved translation will be used to record the target language voice over.

Editing and Rendering Micro Videos

This editing fee applies whenever a single video is divided into multiple additional videos. The fee is charged for each video created, e.g. if one video is edited and rendered out into three videos then 3 editing fees will apply.

Professional Voice Over

Based on Client responses to an audio questionnaire, TruScribe will present a comprehensive list of professional voice talent samples from which Client may select the voice to narrate their video. TruScribe will be responsible for scheduling a recording session to produce the audio track. Client can choose to attend the recording session via telephone to provide direction to their chosen voice talent. There are no provisions for revising audio once the recording session has concluded.

Paid fees reflect a full buyout for web use in perpetuity excluding paid web placement and pre-roll. All non-paid, non-broadcast web usage rights are hereby transferred to Client upon receipt of payment. Not to be used in paid advertising or for broadcast.

Voice Over for Paid Web or Paid Broadcasting

Based on Client responses to an audio questionnaire, TruScribe will present a comprehensive list of professional voice talent samples from which Client may select the voice to narrate their video. TruScribe will be responsible for scheduling a recording session to produce the audio track. Client can choose to attend the recording session via telephone to provide direction to their chosen voice talent. There are no provisions for revising audio once

the recording session has concluded. Paid fees reflect a full buyout for web use in perpetuity. A special quote is needed for paid web usage rights or for broadcast use based upon placement and duration.

Audio Track Editing

TruScribe will take the original video and resynchronize it with a new audio track. This Deliverable is used most often to produce the base video in a new language. This Deliverable does not include changing any on-screen visuals or on-screen text.

Audio Pickup Line

Up to 40 words of audio recorded independently by voice talent to accommodate small changes and includes the time for our editing team to substitute this new audio into the existing video. This does not include a collaborative recording session.

Music and Sound Effects Editing Fee

TruScribe will select from a perpetually licensed music library, and/or sound effects, at Client's request. TruScribe will edit these audio effects per Client direction, with one revision round to ensure they are synchronized appropriately with images and voiceover.

Client Branded Marker

Your Video will be filmed using a black marker branded with your logo. Please note that accent color markers may contain branding from the marker manufacturer.

TruScribe Branded Marker

Your Video will be filmed using a black marker branded with the TruScribe logo. Please note that accent color markers may contain branding from the marker manufacturer.

Digital Accent Color

TruScribe will digitally apply the Client's specified Pantone number as the accent color.

Digital Primary Color

TruScribe will digitally apply the Client specified Pantone number as the primary color in lieu of black.

Multi-Language Initial Filming

TruScribe will use a proprietary filming technique to facilitate transforming on-screen text into any target language without refilming the entire video. This means that all onscreen imagery will remain the same as the original base language version for each new target language version. This Deliverable includes the filming of the base language. Each target language requires an On-Screen Text Refilm

On-Screen Text Refilm

TruScribe will film the On-Screen text in a new target language (text only-imagery to remain the same). This Deliverable requires that the base video

be filmed with the Multi-Language Initial Filming option. This Deliverable also includes a new set of intro/outro screens.

Video Refilm

The purpose of this Deliverable is to provide a new version of the base video. The new video is based upon the imagery from the final layout of the base video. Any new concepts require a separate quote. Two common examples of where this Deliverable is applied include changing the on-screen text from on language to another or rebranding and product updates.

Subtitles

TruScribe will enter the audio track as subtitles and synchronize the subtitles with the video. The subtitles are encapsulated within the Video in order to simplify distribution and hosting of the video when subtitles are included.

Closed Captions

TruScribe will provide an industry standard file with a transcript of audio track in same language. New videos can be designed in a manner that the imagery does not conflict with where the Closed Captions are displayed. Adding this Closed Captions to videos that have already been filmed will likely have the Closed Captions covering some of the imagery.

Closed Captions - Alternate Language

TruScribe will provide an industry standard file with a transcript of audio track in a different language. New videos can be designed in a manner that the imagery does not conflict with where the Closed Captions are displayed. Adding this Closed Captions to videos that have already been filmed will likely have the Closed Captions covering some of the imagery. This does not include translation services.

Client Supplied Media Insertion

TruScribe will apply dynamic editing and specialty techniques to Client supplied media clips so they are able to be embedded as a part of Client's scribe video. These media clips must be discussed and approved in advance of sketch concepting. Client should provide instructions as to specific purpose of provided clips.

Green Screen Insert

Using The Hand to introduce each insertion of an alternative medium like video, image or graphic.

High Resolution Drawing

If Client would like to extract specific images from Client's video to use across other materials, TruScribe will provide high resolution image files of individual images upon Client request.

Full Video Vectorized Images

A TruScribe artist will prepare each scene of your scribe video as a separate (download individually) high-resolution, vectorized image suitable for printing or web use.

Poster

TruScribe will transform Client video sketches into a high resolution downloadable 8.5" by 11" infographic, suitable for printing as a poster, brochure, handout, or for web posting.

New Intro/Outro Screen

Each intro and outro screen is custom designed as per Client direction. If necessary, multiple intro and outro screens can be created in order to designate the video for a variety of applications. TruScribe will provide intro and outro screen templates; Client may provide assets such as logos, URLs, and/or slogans to use within these templates.

Single Scene Refilm

TruScribe will accommodate revision requests after the final video has been reviewed. Each slide is considered a scene. This would apply to single scene refilms necessary in order to update a video due to calendar year, rebranding, or repurposing.

Single Scene Reconcepting

TruScribe will revise video scenes at request. This deliverable includes new drawings of a scene to be edited into an original video. Client receives 2 rounds of revision per scene reconcept. This deliverable must be accompanied by a single scene refilm, or an entire video refilm.

Out of Scope Sketch Revisions

TruScribe will collaborate with Client for additional time above and beyond agreed upon sketch revision rounds.

Allowance for Non-Video Deliverables

In the event the scope of Client's project is uncertain, Client can add an Allowance amount as suggested by TruScribe to cover the costs for the Deliverables that are required to complete the individual projects.

Video Plan Editing Fee

This editing fee applies whenever a single video plan is divided into multiple videos. The fee is charged for each video created, e.g. if a bulk order is broken into three videos then 3 editing fees will apply.

Years of Media Archive Service

TruScribe will retain the work product, creative assets and media collateral associated with your video in near on-line storage for the number of years stated in the quantity on this line item. In addition, these files will be backed up to the cloud for disaster recovery purposes. This will allow TruScribe to make edits to the video during the time your video files are being retained.

InfoGraphic

Infographics are highly versatile, consumable ways of sharing complex information. TruScribe infographics apply our Scribology method to create attention grabbing infographics that your audience will remember. You choose the style of infographic from Blocked, Mapped or Scenic, then

choose the features you want to incorporate, and we will design the right visuals for your audience.

TruScribe Graphic Recording - Idea Boarding

EXPERIENCES THAT LAST BEYOND YOUR MEETING.

It's imperative that Client's team clearly communicate ideas that can get lost amidst many strong voices over a multi-day meeting. During a meeting, at the spark of an idea, words fail to convey them clearly. Idea Boarding allows us to interpret words and refine ideas so everyone sees the same picture before moving forward.

The session fee includes qty (1) one TruScribe artist trained in Graphic Recording and all drawing supplies for the duration of the meeting and is a daily fee. Client is to provide drawing medium/paper to be determined during kick-off.

Travel expenses will be billed as incurred plus a 10% administrative fee.

General Notes:

1. All costs expressed in this agreement are US Dollars and payment is to be made to TruScribe in US Dollars.
2. TruScribe uses word count of the script to control scope . Word count variance for each individual video (either over or under) will be rounded up to the next quarter minute increment and will result in a reasonable increase or decrease to the amounts found within this SOW.
3. Purchaser shall pay all taxes, such as sales or import taxes and duties, based on or in any way measured by this Agreement, excluding taxes based on TruScribe's net income, but including any personal property taxes. Each party shall protect, defend, and indemnify the other from any and all costs, losses, and liability arising from failure or refusal to report and discharge any taxes or to satisfy their respective obligations for taxes.
4. A 50% non-refundable deposit is due upon acceptance of this SOW, with the remainder due prior to delivery of the Video.
5. Expected delivery for each video is 20 business days from receipt of formal sign-off on finalized script. A milestone schedule will be delivered to Client after the Project Kick-off call has occurred.
