RE: 1403 W. 10th Street - Maufrais House

Dear Chair Heimsath and Historic Landmark Commissioners,

OWANA enthusiastically supports the re-zoning application of Maufrais House for historic designation. It is a delightful example of Bungalow architecture with a rich family legacy history.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Hurst", written over a horizontal line.

Christopher Hurst, AIA
OWANA Steering Committee Chair
