To whom it may concern,

My name is Fallon Allison and I am the homeowner of [4002 Bradwood Road](#), just down the street from Meghan Hughes at 4200 Whilshire Parkway (Austin, Tx 78722).

My husband and I fully support Meghan with her home tear down and re-build. She has been fully transparent with the neighborhood about her plan and vision which is very much appreciated. She also has plans to keep with the feel of the neighborhood and repurpose the original limestone.

We are very excited for this long time, well known resident to bring new life to her home as it is well deserved and very much needed.

Thank you

Fallon Allison
