To whom it may concern,

I am writing this letter in enthusiastic support of the complete demolition of the current home of Meghan Hughes at 4200 Wilshire Pkwy and the subsequent build by emadi architects.

I have been Meghan's neighbor for over a decade and I am aware of the problems the current aging home poses to her comfort, lifestyle and finances. I know that she will proceed with the new building plans with integrity and care for the property and her neighbors, bringing value and beauty to our neighborhood.

Please feel free to reach out to me if you have any questions or concerns.

Thank you,
