

AIRPORT ADVISORY COMMISSION 20240814-010

Date: August 14, 2024

Subject: Message Board for City of Austin Boards and Commissions

Motioned By: Wendy Price Todd Seconded By: Jeff Eller

Recommendation

Develop and provide access to a message board technology for use by Boards and Commissions, enabling members to openly discuss business in between public meetings.

Research and implement modern technology solutions for the current City Council Message Board.

Description of Recommendation to Council

The Airport Advisory Commission supports the Community Technology & Telecommunications Commission Recommendation 20240710-006.

Rationale:

Please refer to Community Technology and Telecommunications Commission Recommendation.
