Re: Requesting an Amendment to Application for Rezoning, C14-2024-0108; 0.908 acres, located at NE Intersection of Decker Lake Rd and N FM 973 (the "Property")

Dear Mrs. Pratt:

As representatives of the owner of the above stated Property we respectfully request to amend the Application for Rezoning previously submitted, Case Number C14-2024-0108. The Property consists of 0.908 acres of existing undeveloped land and a telecommunication tower (see Aerial and Zoning Exhibit attached) that is currently zoned Limited Industrial Services Conditional Overlay (LI-CO) and Multifamily—Medium Density (MF-3). We are requesting an amendment to rezone the Property to Community Commercial - Mixed Use Combining District - Conditional Overlay (GR-MU-CO) instead of General Commercial Services - Mixed Use Combining District - Conditional Overlay (CS-MU-CO) per City Staff's direction. We are also amending the CO that is intended to prohibit the following uses that were previously prohibited on the Property:

Alternative Financial Services	Exterminating Services
Automotive Rentals	Funeral Services
Automotive Repair Services	Pawn Shop Services
Automotive Sales	Vehicle Storage
Drop-Off Recycling Collection Facility	

If you have any questions about this request for amendment to the Application for Rezoning or need additional information, please do not hesitate to contact me at your convenience. Thank you for your time and attention to this project.

Very truly yours,
