Additional Backup Information:

Various structures along the existing circuits 926, 927, 987, and 988 require relocation to accommodate the Texas Department of Transportation (TxDOT) expansion of Interstate Highway 35 (I-35) as part of its I-35 Capital Express program. TxDOT's I-35 Capital Express South project runs along I-35 from State Highway 71 south to State Highway 45.

The relocation of the circuit adjacent to the properties located at 6900 and 6940 South I-35 requires the City to purchase an electric easement across Lots 1, 2, 5, and 6 of the South Bend Subdivision, a Subdivision recorded November 13, 2001, in Document No. 200100339, Official Public Records, Travis County, Texas.

The City has attempted to purchase the needed properties at 8515 South I-35, Austin, Texas. The City and property owner have been unable to agree on the value of the needed acquisition. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City, and to authorize the City to pay for the property interest in an amount determined by the appraisal, updated appraisal(s), or a Special Commissioners' award.
