External Email - Exercise Caution

Hi Jonathan,

Per our phone call and my email sent to you earlier this morning, we're choosing to postpone the hearing and come to an agreement with AFD before we go to ZAP.

I conferred with Greg, our CEO, and he agrees with you and I that choosing the hearing date of 01/21/25 is the best option for us. This will give us more time to come eye-to-eye with AFD.

Thank you for the helpful phone call and feel free to reach me at 512.469.1705 or 832.332.6478 should there be anything else that's pressing.
