

Austin-Travis County Food Plan

ATCFPB January 2024 – Staff Update

City of Austin Food Plan Updates

Response to Council IFC

- City Staff lead by Office of Sustainability
 - developing asset map of physical infrastructure in the food system
 - collaborating with the Central Texas Food Bank to develop social network analysis of stakeholder groups
 - identifying strategies within the Plan that can be led by City Departments
 - Identifying strategies that can be led by external organizations
 - Identifying funding needs to move Strategies forward, both internal City Department need and external organization needs
 - developing an on-line dashboard to track progress on all 61 Food Plan Strategies

Implementation Coalition

- City and County staff are exploring a funding opportunity to support a Food Plan implementation coalition (Strategy 9.1)
- Staff are scoping and negotiating specifics and hope to have an Inter Local Agreement complete in spring 2025
- RFP for support of an implementation coalition will be released in mid-2025

A vertical decorative bar on the left side of the slide, featuring a light green background with white line-art illustrations of various botanical items including a pumpkin, a chili pepper, a slice of citrus, a large leaf, a strawberry, a pomegranate, a sprig of rosemary, a pea pod, a slice of citrus, a round fruit, and a corn cob.

Report back to Council in Spring 2025

- City staff will provide a Memo to Council in spring 2025
 - Updates on Strategy progress including defined leadership roles and responsibilities for implementation of the various strategies within the Plan
 - Funding needs in the Fiscal Year 2025-2026 budget for investment in and implementation of the Plan **and** to identify strategy priorities to be included as part of the next bond package
