

MEMORANDUM

TO: Zoning and Platting Commission Members

FROM: Beverly Villela
Planning Department

DATE: January 15, 2025

RE: (C14-2024-0006) Greater Walnut Area Centralized Odor Control Facility
Project - Loyola Facility

The case above was originally scheduled for the January 21, 2025, however due to inclement weather and cancellation of the Zoning and Platting Commission hearing, is rescheduled for the February 06, 2025 Zoning and Platting Commission hearing. The applicant would like to request an indefinite postponement of the above-mentioned case to continue the review of this case.

The postponement request was made in a timely manner and meets the Zoning and Platting Commission policy,
