

## ANIMAL ADVISORY COMMISSION RECOMMENDATION 20250210-005

Date: February 10, 2025

Subject: Animal Services Office Strategic Plan 2025-2030

Motioned By: Commissioner Nilson

Seconded By: Vice Chair Linder

### **Recommendation**

The Animal Advisory Commission recommends the Animal Services Office Strategic Plan 2025-2030 as written, with the following modifications passed by the Commission:

#### Spay Neuter (Page 13)

- Goal 2: Add language to Strategy A as noted in underlined terms so that sentence is: “Partner with volunteers and organizations that support community cats to identify opportunities to enhance, reduce barriers to, and maximize the impact of trap-neuter-return programs.

#### Open Intake (Page 14)

- Goal 1: Add Strategy C as follows: “C. Develop methods to identify and implement policies to prioritize emergency cases and most at-risk animals for immediate intake.”

#### Open Intake (Page 15):

- Goal 3: Remove “Get” in title.
- Add language to Strategy A as noted in underlined terms so that sentence is: “Review, research, and provide recommendations on policies, regulations, processes, and programs that advance pet-friendly policies (e.g., restrictions on pet rent, pet deposits, breed restrictions, and weight limits), seeking review and/or approval from governing bodies as applicable.

#### Live Release (Page 16):

- Goal 1: Add Strategy G as follows: “G. Develop and implement plan to foster media partnerships in English and Spanish and increase opportunities for media coverage.”

#### Live Release (Page 17):

- Goal 2: Add Strategy E as follows: “E. Analyze and explore opportunities for fixed satellite adoption centers in high-traffic locations.”

#### Open Intake (Page 26):

- Goal 1, Measures 1 and 2: Request that those measurements be categorized for strays and owner surrenders and listed by the number of animals in each category as well.
