FYI, I wanted to update you with one change to the below: The 2 week postponement on Parcel B-G DB90 cases, and Parcel D Public RCT, is going to be APPLICANT postponement, rather than NEIGHBORHOOD postponement.

Hi Marcelle:

I wanted to followup our discussion last week to let you know that I understand the North Loop N.A. will be submitting a support letter for the Parcel A DB90 zoning case (recall this one has related VMU2/DB90 site plan under review). They will also be requesting 2 week postponement of the remaining cases that are located south of 56th St (Parcel B-G DB90 zoning cases, and Parcel D Public RCT). Applicant is not opposed to this two week postponement request.

Once the 3/11/25 PC agenda is posted late tomorrow and we have the agenda item #s for the various cases, the neighborhood will send you their support letter and also their notice of their two week postponement request and I'll let you know that I'm not opposed to their 2 week postponement request. I mostly wanted to give you a heads up at this point and in my view nothing needed from you at this juncture about this, but please let me know if you want to discuss I'm fairly open.

David
