BACKGROUND:

Following City Council acceptance of the ETOD Policy Plan in March of 2023, a planning process was kicked off to support Equitable Transit-Oriented Development (ETOD) in the SCTC Station Area. This process involved three rounds of community engagement that informed the draft SCTC Station Area Vision Plan detailing the community's vision for future development in this area. This Vision Plan, which is currently available for public review, includes a proposed Future Land Use Map (FLUM) that intersects with the Dawson Neighborhood Plan FLUM.

These amendments are intended to ensure that the Future Land Use Map (FLUM) included in the SCTC Station Area Vision Plan governs the properties within the station area, thereby preventing any conflicts. Should City Council take action to adopt the SCTC Station Area Vision Plan, it will be attached to the Imagine Austin Comprehensive Plan.

PUBLIC MEETINGS:

- The ordinance-required community meeting was virtually held on March 5, 2025. The recorded meeting can be found here: <https://publicinput.com/neighborhoodplanamendmentcases>.

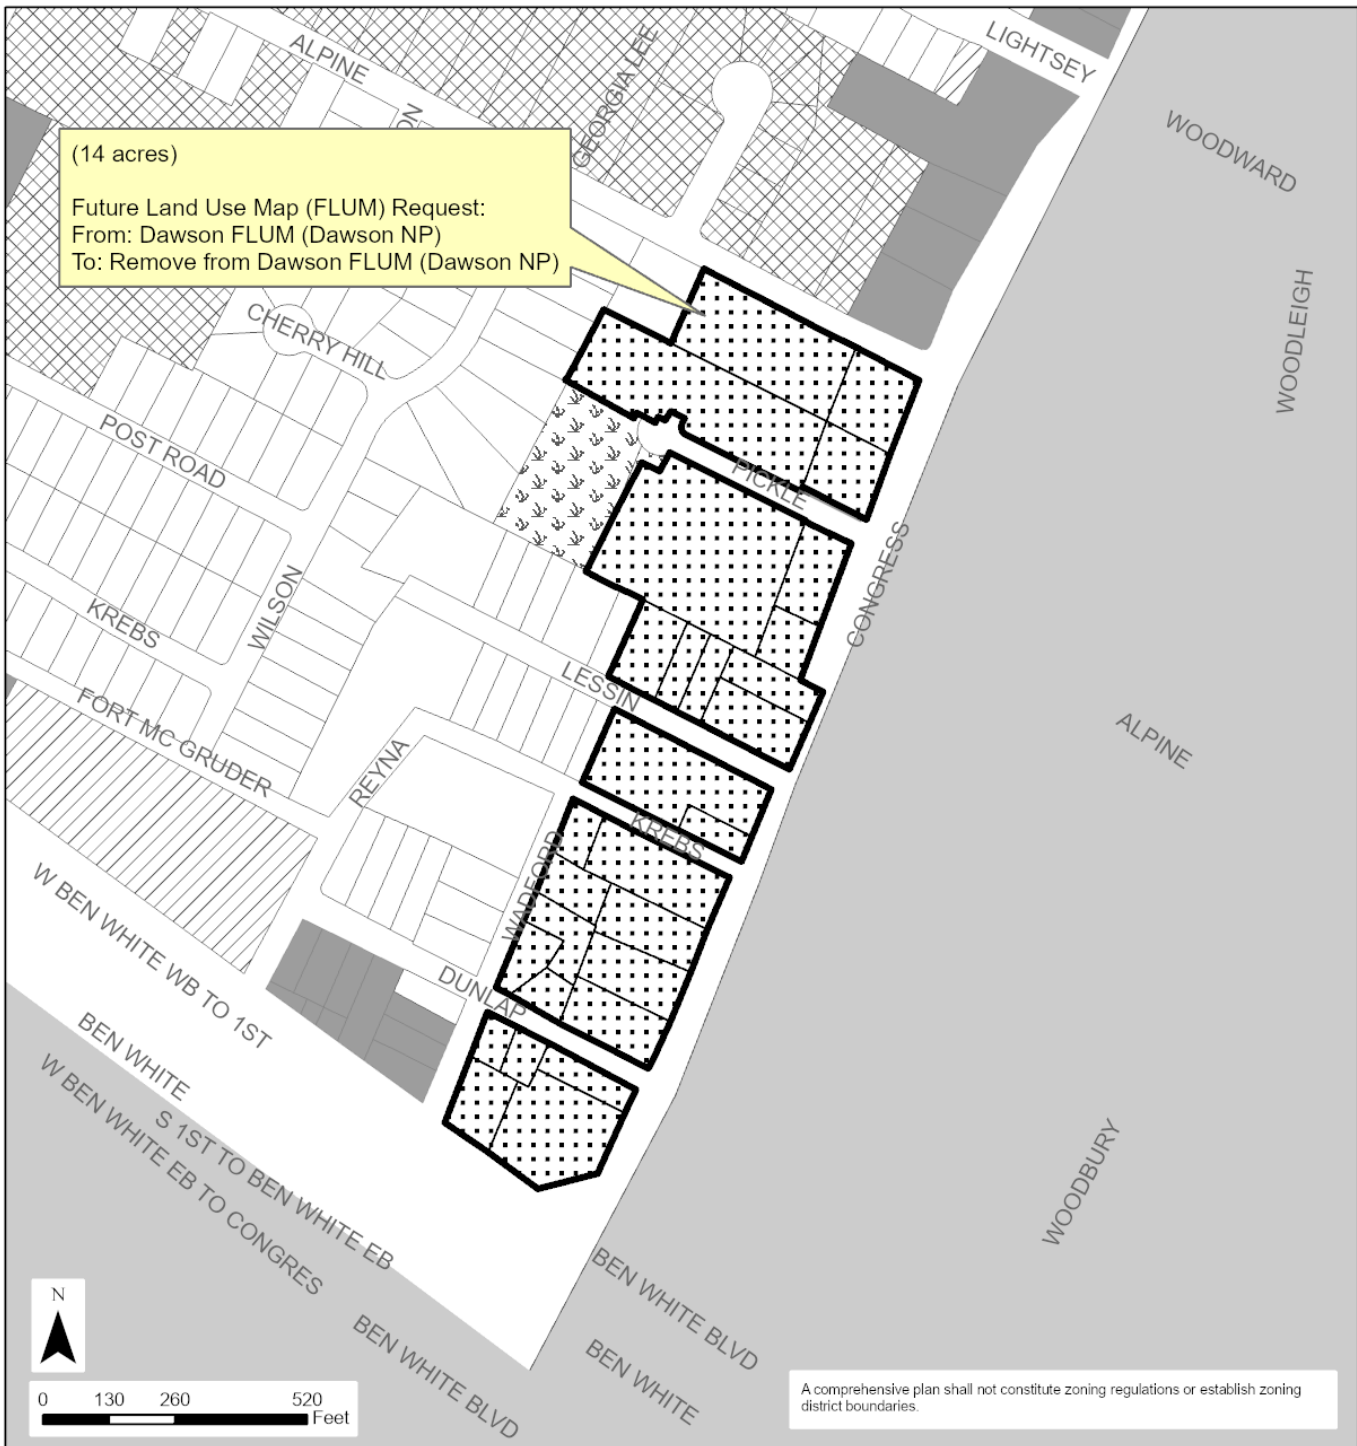

- Approximately 845 community meeting notices were mailed to people who rent or own property within 500 feet of the subject tract. Five city staff members from the Planning Department were in attendance, including Stevie Greathouse, Ana Villarreal, Tim McCarthy, Maureen Meredith, and Mark Walters.
