BACKGROUND:

Following City Council acceptance of the ETOD Policy Plan in March of 2023, a planning process was kicked off to support Equitable Transit-Oriented Development (ETOD) in the NLTC Station Area. This process involved three rounds of community engagement that informed the draft NLTC Station Area Vision Plan detailing the community's vision for future development in this area. This Vision Plan, which is currently available for public review, includes a proposed Future Land Use Map (FLUM) that intersects with the North Lamar Combined Neighborhood Plan (Georgian Acres NP) FLUM.

These amendments are intended to ensure that the Future Land Use Map (FLUM) included in the NLTC Station Area Vision Plan governs the properties within the station area, thereby preventing any conflicts. Should City Council take action to adopt the NLTC Station Area Vision Plan, it will be attached to the Imagine Austin Comprehensive Plan.

PUBLIC MEETINGS:

- The ordinance-required community meeting was virtually held on March 4, 2025. The recorded meeting can be found here: <https://publicinput.com/neighborhoodplanamendmentcases>.

- Approximately 1,552 community meeting notices were mailed to people who rent or own property within 500 feet of the subject tract. Seven city staff members from the Planning Department were in attendance, including Stevie Greathouse, Ana Villarreal, Tim McCarthy, Maureen Meredith, Mark Walters, Carla Burrell, and Lucy Hall.
- Below are highlights from the Planning Department's presentation:

Meeting Overview:

The community meeting for the North Lamar Station Area Vision Plan gathered residents and stakeholders to discuss key aspects of the plan aimed at supporting housing, jobs, and services, improving connectivity, promoting sustainable and equitable growth, and providing access to public transit. Staff engaged in discussions with participants about the proposed removal of certain areas from the current neighborhood plan FLUM, the application of the proposed FLUM, the implementation of the ETOD Toolkit, and concerns about displacement and increased property taxes. The meeting provided a platform for community feedback, with multiple avenues for public input and details shared on upcoming Planning Commission and City Council hearings.
