runways, taxiways, aprons, public streets, parking lots, and walkways. The airfield markings are repainted year-round with frequencies ranging from every six weeks to annually. The Austin-Bergstrom International Airport is a Federal Aviation Regulation Part 139 Certified airport and is subject to the requirements and minimum standards set forth by the Federal Aviation Association. Among such standards are airfield markings to increase airfield safety and enhance runway and taxiway visibility to those that need them, such as pilots and others who operate on the airfield surfaces.

This contract will replace the current contract which expired February 7, 2025. Estimates are based on historical usage and planned development. The recommended contractor is not the current provider for these goods.

If the contract is not approved, the Department of Aviation may not meet Federal Aviation Administration requirements and minimum standards.
