Thank you Michael.

I would like to see if you could request the postponement for the April 14th date to give us a better chance of congregating a quorum of the contact team.

Case Manager (Jonathan Tomko) needs to know whether there will be a postponement request of this case to March 24 or April 14.

I indicated to Jonathan that I thought the neighborhood wanted to postpone; but I did not want to make any representation without you directly communicating with him.

I have copied Jonathan on this email.
