

AISD Inter-local Agreement Montopolis Youth Sports Complex

Parks and Recreation Board | March 23, 2026

Background

- AISD is in the process of a modernization project of Travis Early College High School (TECHS)
 - located at 1211 E. Oltorf Street, Austin, Texas 78704
- Construction impedes the use of its athletic fields and the high school will receive upgrades to their athletic fields
- Estimated to complete Q3 2028
- The City and AISD share a mutual interest in the benefits that participating in team sports provide.

Contract Terms and Conditions

▪ The City shall:

- Establish one year contract term with five additional 12-month renewal options.
- Establish facility field use/times and maintenance roles and responsibilities for AISD.
- Be responsible for utilities related to the Facilities.

▪ AISD shall:

- Be responsible for providing staff supervision for students while the students are on City property.
- Will reimburse to the City the actual cost to repair any damages to the premises or equipment being provided directly caused by AISD's occupancy.
- Be responsible, at its expense, for maintenance of the infield and turf meeting APR's Standard Levels of Care for Athletic Complexes.

Board Action

Recommend that the City Council authorize the negotiation and execution of an agreement between the City of Austin and AISD and to waive utility and field use fees.

Austin City Council – March 26
