

APL Innovate

An overview

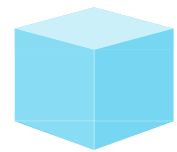

Welcome!

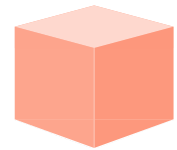

I'm Will.

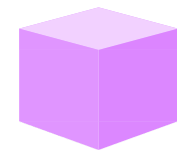

Today I'll review:

- Who is APL Innovate?

- Who do we serve?

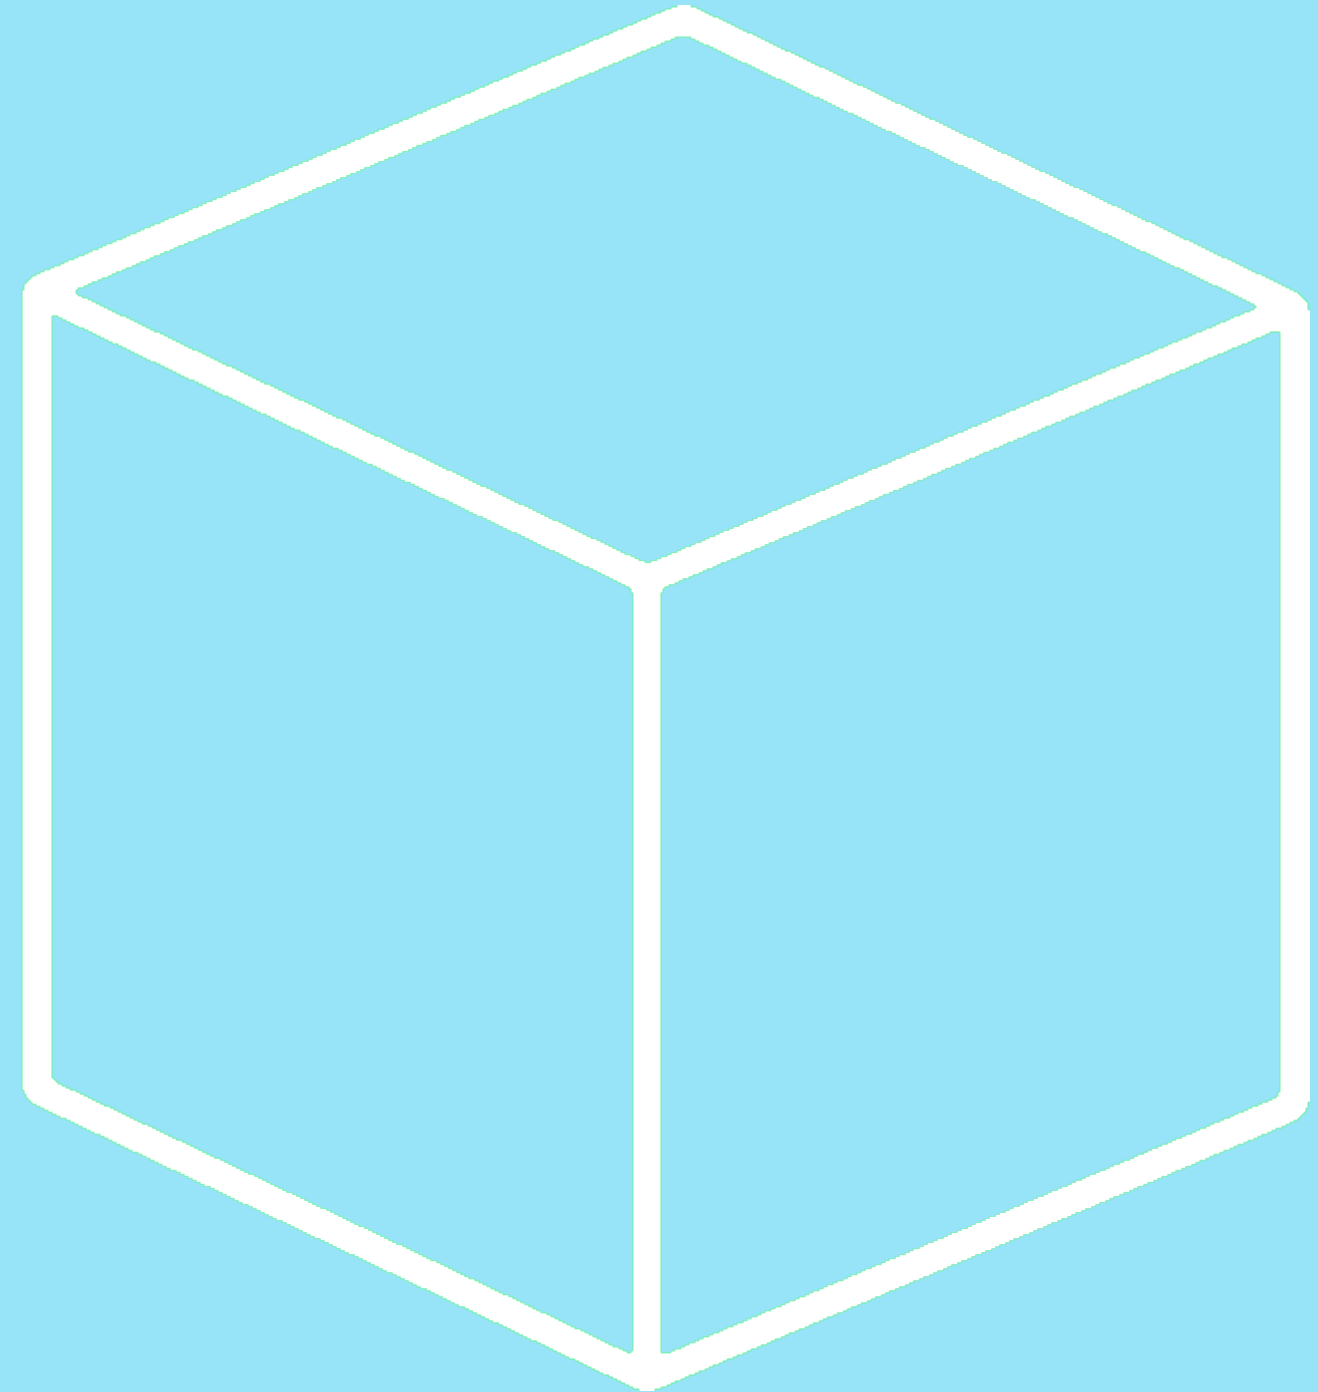

- What do we have?

Who we are

APL Innovate is a digital makerspace.

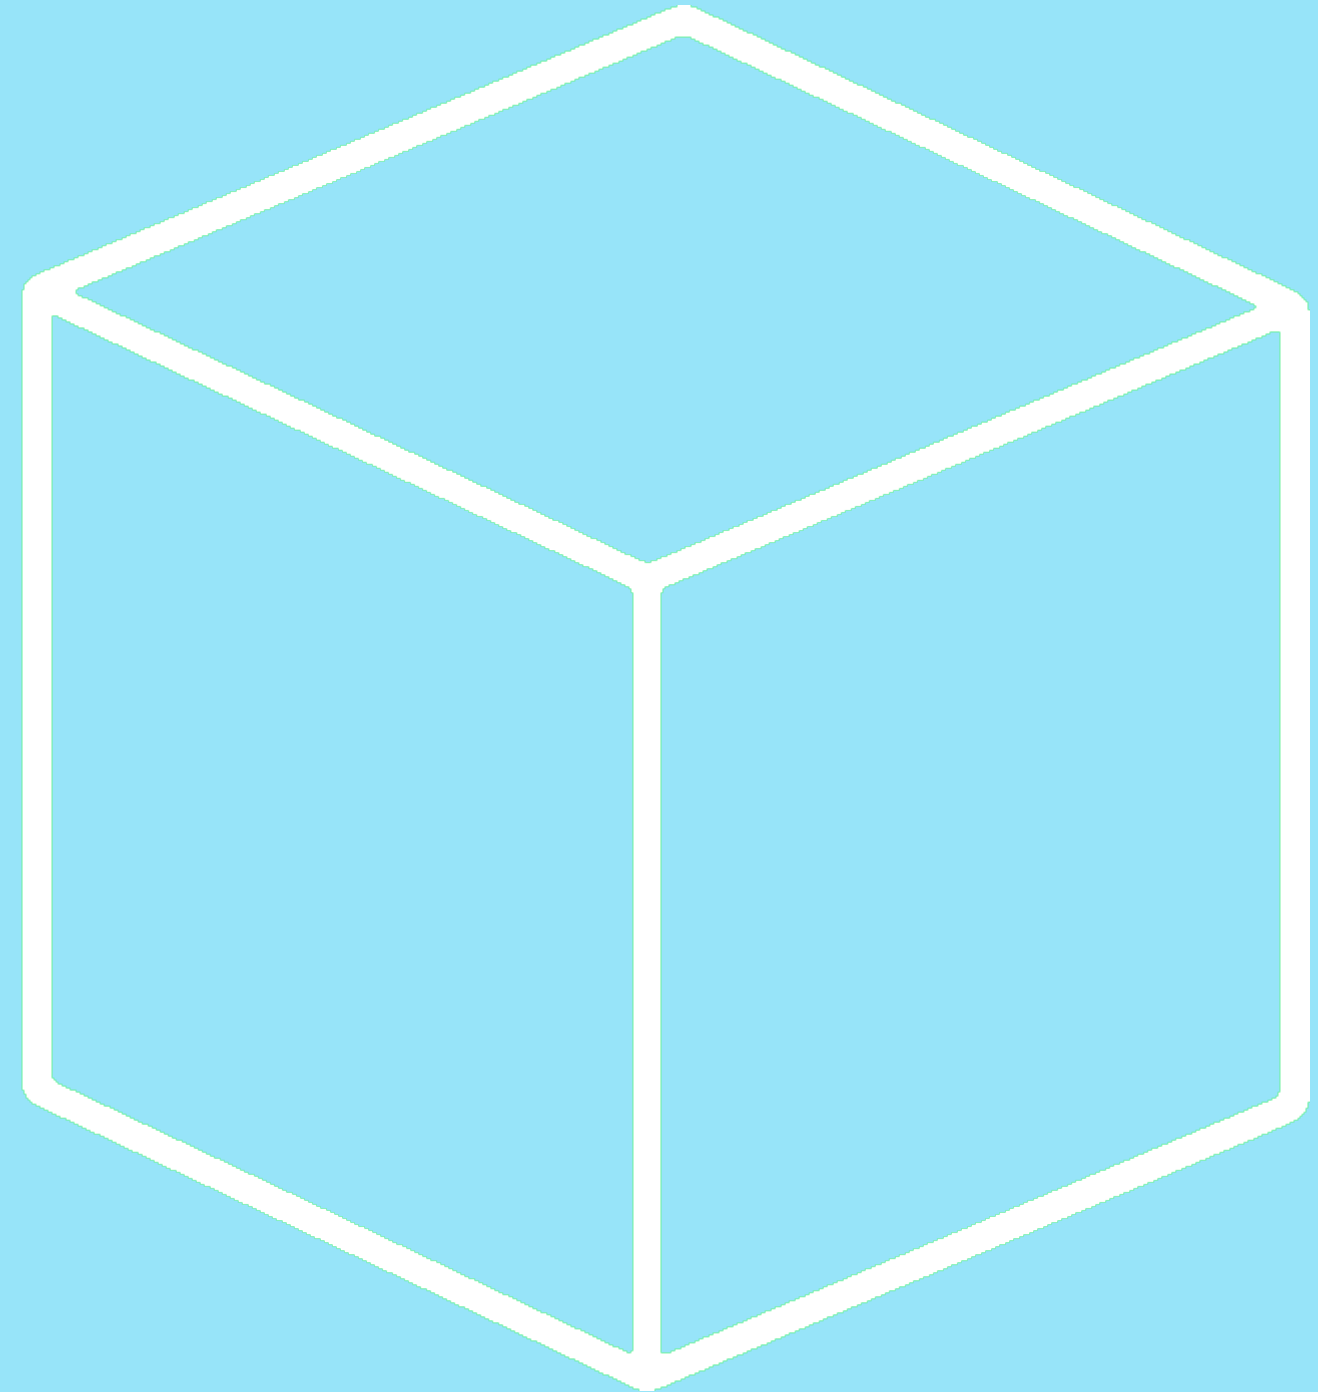

We provide the public with free classes
and access to creative technologies.

Our values

In addition to library values, our team especially upholds:

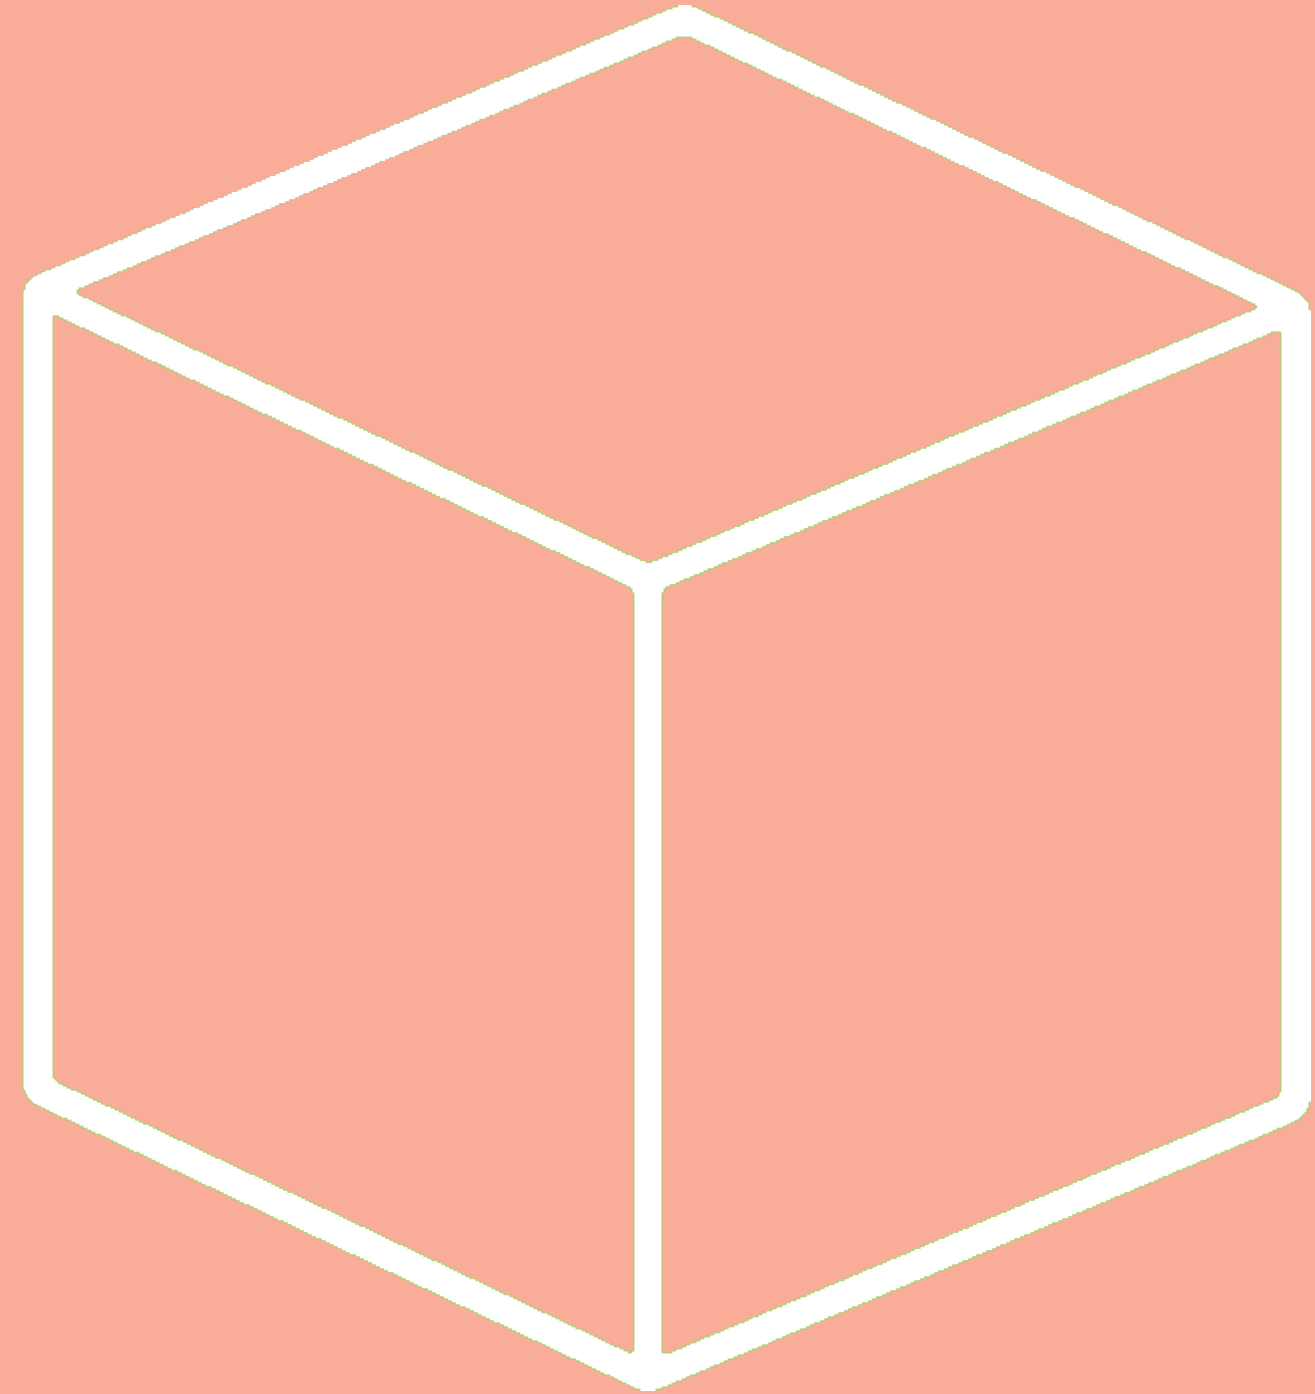

- neighborly collaboration
- unquenchable curiosity
- past-the-horizon exploration
- and a never-ending drive to push the limits of what libraries can provide the public.

Who Do We Serve

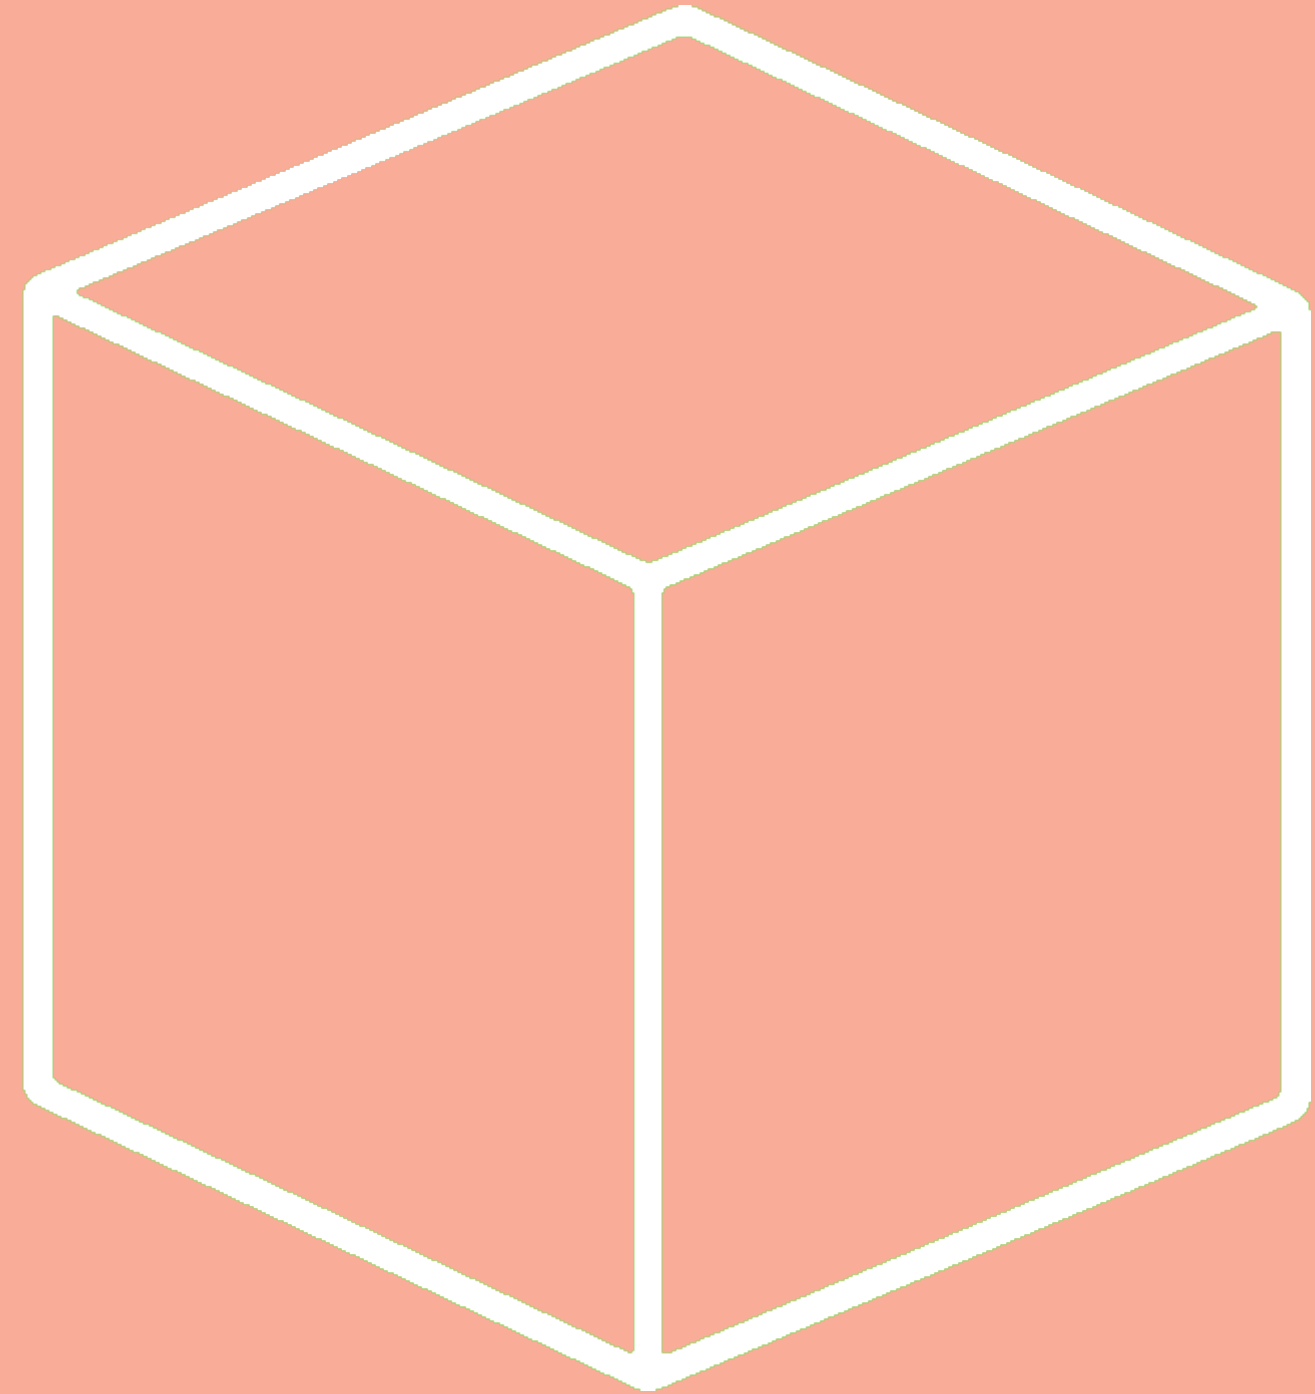

The upcoming and established artists, the newly -minted and time - tested coders, and more.

In other words: you!

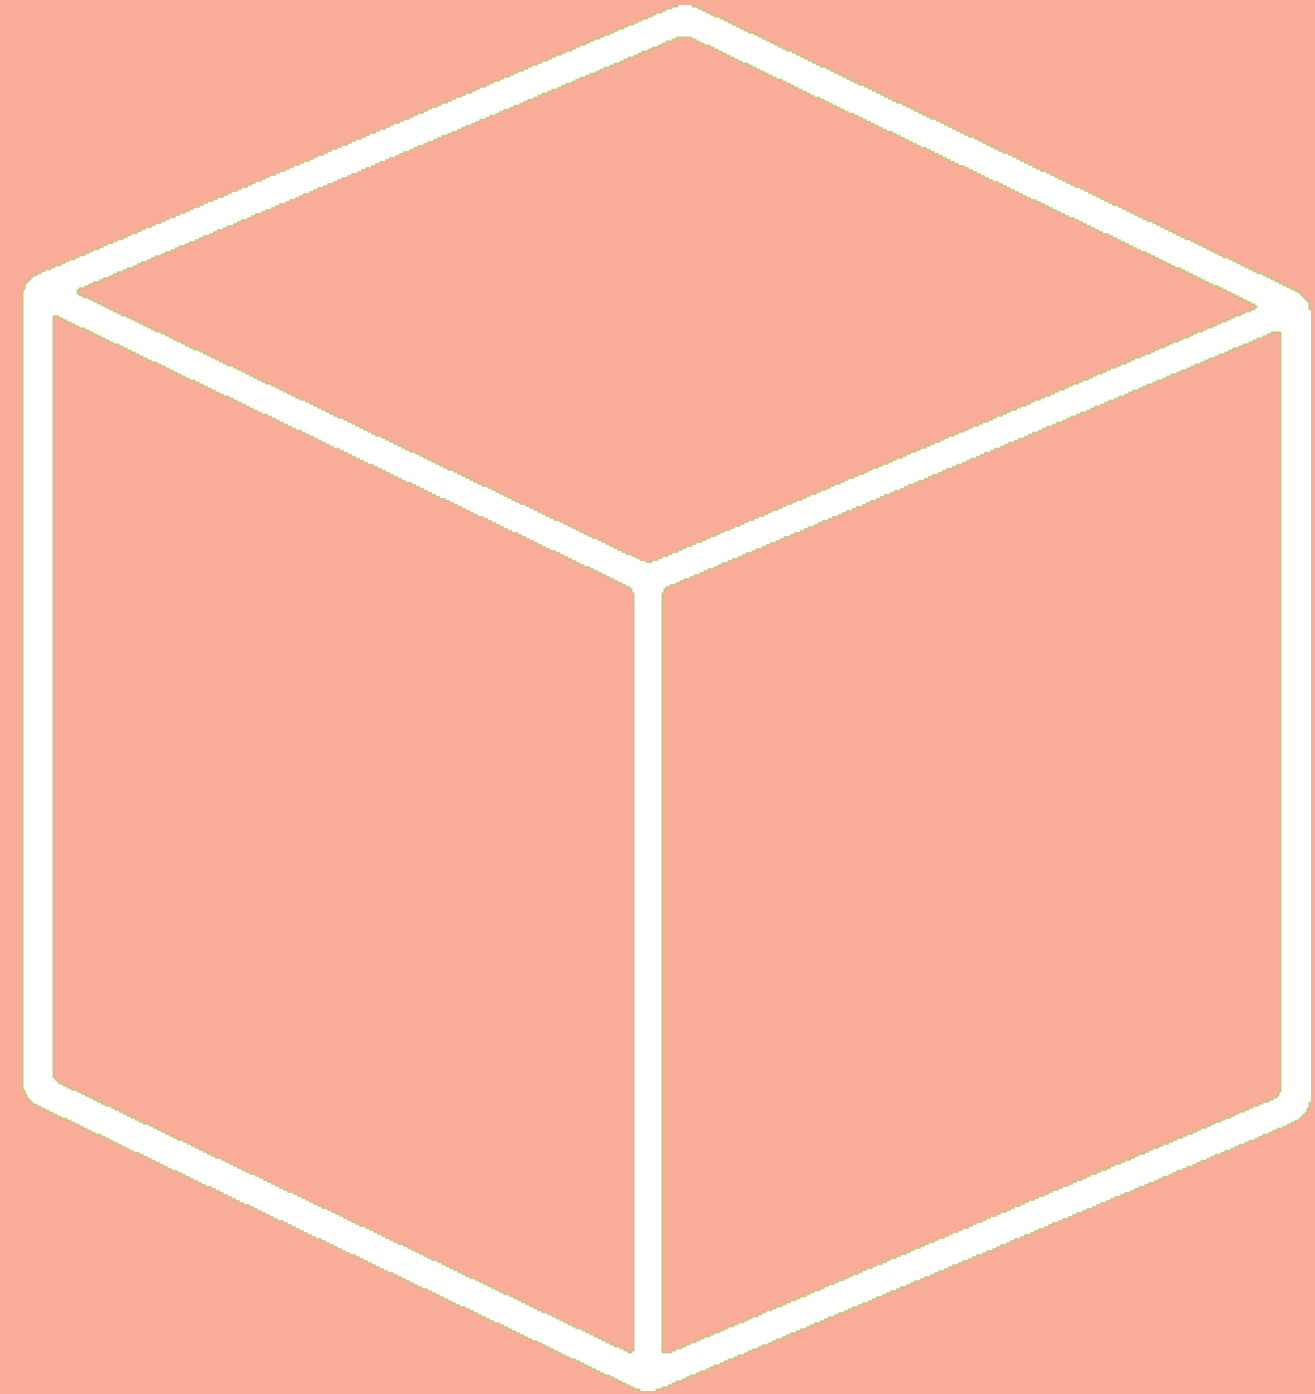

Our Partners

Our partners and patrons make APL
Innovate what we are.

Our Partners

We've proudly partnered with local artists and visionaries, Austin Public Access and the Austin Film Society, and various local community organizations.

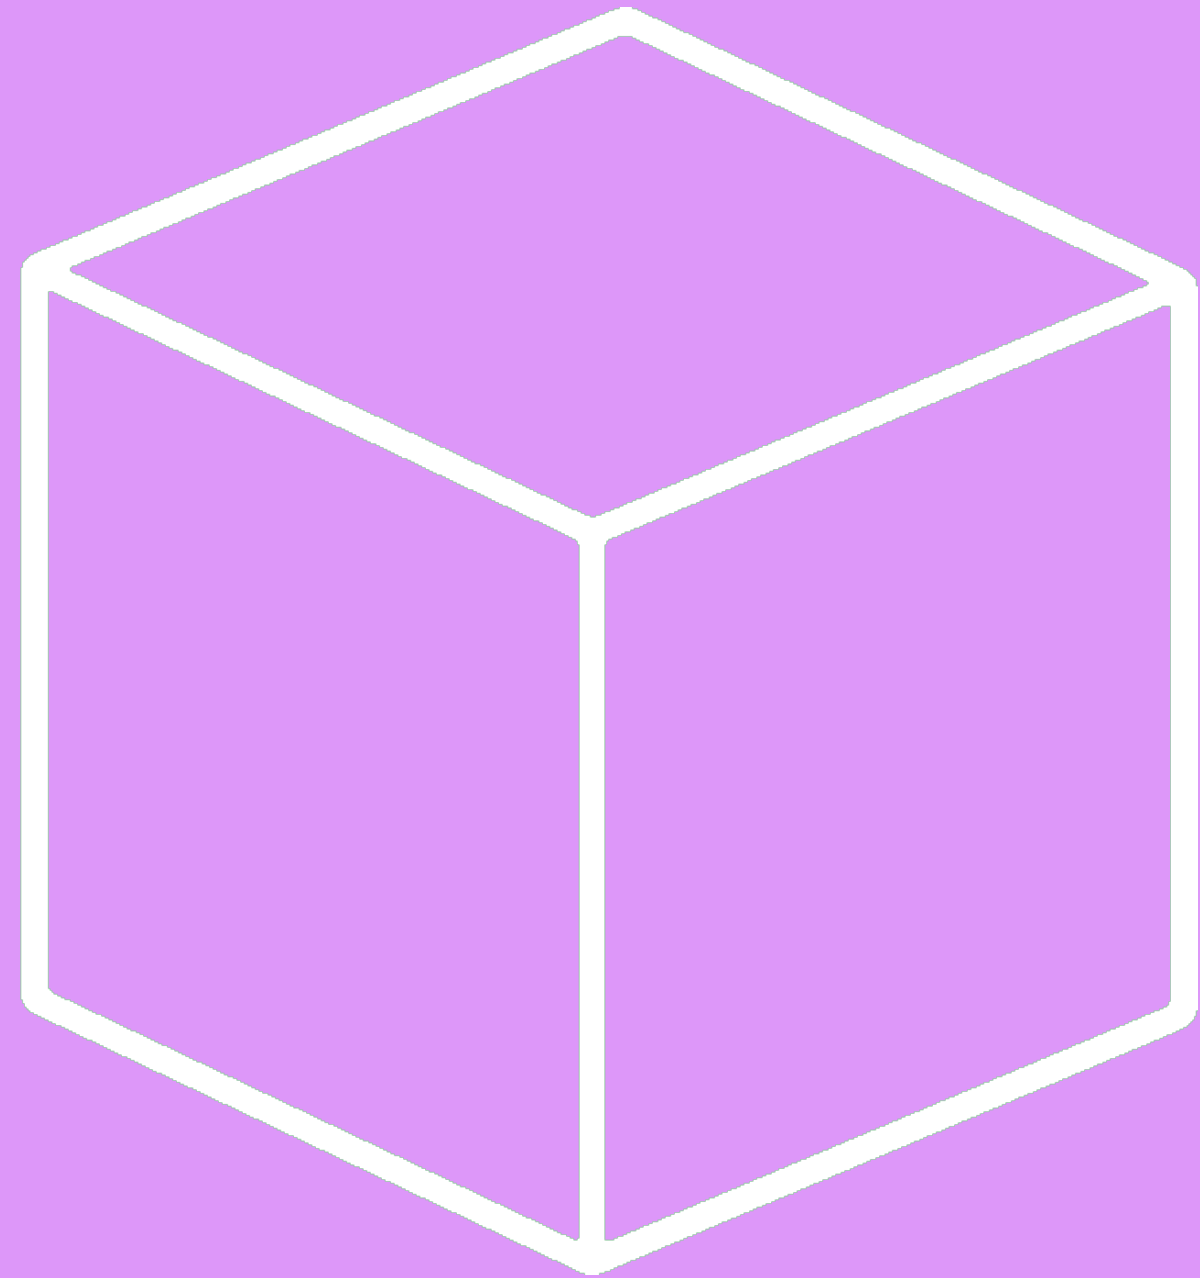

What we offer

- Working space
- Hardware and software
- Equipment
- 3D Printing
- Educational programming

Working Space

- Innovation Lab
 - Drop in
- Innovation Studio
 - Reservation only

Hardware

- Lab
 - 8 M3 iMac s
 - 8 Pre c i s i o n De l l s
- Studio
