WHEREAS, Foundation Communities has proposed construction of the Jordan II, a 66-unit family affordable complex across Philomena Street from The Jordan in order to share its management and tenant amenities, aimed at families with children and offering a mix of 1, 2, 3 and 4-bedroom units, all priced to be affordable by families with incomes at or below 50% of Austin’s Median Family Income; and

WHEREAS, Foundation Communities provided testimony on the Jordan II, and on its three decades of experience in developing affordable housing for Austin residents at the March 10, 2026 meeting of the Robert Mueller Municipal Airport Plan Implementation Advisory Commission; and

WHEREAS, the construction of the proposed Affordable Multi-Family Housing complex will support the greater Austin community’s goal of creating and sustaining affordable housing citywide, including East Austin and other central core neighborhoods; and

WHEREAS, at its February 5, 2026 meeting, the Austin City Council approved its RESOLUTION NO. 20260205-034 in support of FC Jordan II Housing, LP and its application to the Texas Department of Housing and Community Affairs for 9% Low Income Tax Credits.

NOW, THEREFORE, BE IT RESOLVED that the Robert Mueller Municipal Airport Plan Implementation Advisory Commission encourages the Austin City Council to continue to support Foundation Communities’ application and request for approximately \$8 million in gap financing through a loan for the Jordan II affordable housing complex in Mueller.
