Case number: C14-2024-0036

Hello! My name is also Jonathan, and unfortunately I can't attend the hearing tonight regarding the rezoning of the property I'm currently living in (7003 Guadalupe Apt A). I understand that redevelopment will eventually happen, but this is currently stable, affordable housing for me and the other tenants living here. I would ask the commission to consider the impact on existing tenants and whether displacement protections, timelines, or phased redevelopment can be considered.

Thanks for your consideration!
