Subject: Postponement Request: Items 8 & 9 Congress Views 2025-116856 ZC

External Email - Exercise Caution

Good afternoon Nancy and Joi:

I am writing with regard to Items 8 & 9, case # 2025-116856 ZC, 6111 S. Congress Avenue, formerly the home of the Congress Mobile Home Park community.

We would like to request a postponement of the matter to allow for us to be able to conduct outreach to the former residents who were displaced from the community so they are aware of the item and have the opportunity to engage in the process if they so desire.

It is our understanding that the applicant will accept a four week postponement request and a four week postponement suffices for us at this time. I do want to note that our original request was 6 weeks as we believe the Chair of the neighborhood contact team may have a work conflict on the August 11th meeting but it is our understanding that he will see if he can resolve that conflict.

Please let us know if you need anything else from us and we super appreciate your work on this matter.

Thank you,

Shoshana Krieger
