External Email - Exercise Caution

Case Number: C14H-2026-0039

Hello,

I want to express my support for re-zoning 400 W 37th Street to include the historic landmark designation. It is important to maintain the historic character of the home and designating it as a historical landmark is a great way to do so, and will help maintain the character of 37th Street. I support Nick's efforts and am in favor of obtaining this designation.
